

## **HERITAGE PARK COMMUNITY MEETING 1 OF 2: INFRASTRUCTURE**

**Thursday, May 21, 2009, 7:00 to 8:00 p.m.**  
**Heritage Park Community Room**  
**1000 Olson Memorial Highway**  
**Minneapolis, MN 55411**

### **AGENDA**

**Meeting Purpose:** To provide Heritage Park residents with an overview of City's 2009 planned infrastructure and public art projects within or adjacent to Heritage Park, and to provide an update on the Bottineau Boulevard and Southwest Corridor transit projects.

**6:45 Sign in, snacks and beverages, handouts**

**7:00 Welcome by Council Member Samuels**

**7:15 Project display board overview and introductory comments by City staff**

- Handouts and information sign up sheets to stay informed
- Comment cards to provide your thoughts to the City
- Informational boards on the following City projects:
  - W. 7th / Van White / 12th reconstruction
  - Emerson / Fremont NTP-funded on-street bike trail
  - Van White bridge design and construction schedule
  - Van White tree and sidewalk repair
  - South Park public art installation
- Informational boards on nearby proposed transit improvements:
  - Bottineau Boulevard transit planning (route set in 2009)
  - Southwest Corridor light rail transit planning (route set in 2009)
  - Ballpark multi-modal station
- Introduce Thursday, June 11, 2009 neighborhood meeting at Heritage Park Community Room to discuss planning and transit projects around the greater Heritage Park area and comments from this meeting

**7:35 Informal open house question and answer sessions at the project display boards**

**7:50 Wrap up, collect comment cards, thank you**
