Official duties include: appoint representatives to a variety of agencies and commissions, nominate department head candidates, preside over Executive Committee meetings, propose policy direction in the annual State of the City address, and propose annual operating and capital budgets. The Mayor also reviews and approves or vetoes all Council and Park Board actions. The Council levies taxes, enacts ordinances and resolutions, licenses businesses, and exercises budgetary and policy control over City departments. Council Members represent the interests of their constituents, and meet regularly with constituents to discuss city programs, services and developments affecting the ward that they represent and the City as a whole. The Council functions with committees. Departments report to the Council through an assigned committee. Committee recommendations are forwarded to the full Council for its consideration. Council actions then go to the Mayor for approval or veto. The 2008 annual rate of pay for Council Members was \$74,616. For more information: www.ci.minneapolis.mn.us/council

Board of Estimate and Taxation Members

The Board is responsible for the Internal Audit function of the City & the two elected members serve on the Audit Management Committee. The Board is responsible for the issuance of the City's General Obligations Bonds (excluding the Tax Increment Bonds). The Board

However, **Minneapolis City Ordinance 543.260 Political Signs does apply.**

TO CANDIDATES FOR PUBLIC OFFICE

This letter is to remind you that state law prohibits the placement, painting, printing, or affixing of advertisements on any object within the limits of any highway in Minnesota. This prohibition in Minnesota Statutes, section 160.27, applies to political campaign signs as well as to all other forms of advertising. The law applies to all state, county, city and township roads and highways.

In addition, the Minnesota Outdoor Advertising Control Act (**Minnesota Statutes, section 173.15**) prohibits erecting advertising devices:

- On private land without the consent of the owner or occupant;
- On public utility poles;
- On trees or shrubs; and
- By painting or drawing on rocks or natural features.

The Federal Highway Administration office in Minnesota monitors Minnesota's compliance with federal highway beautification laws. State transportation employees are responsible for administering these laws on state highways and must remove signs that violate the laws. County, city, and township employees administer these laws on their roads.

Since political campaign workers may not be familiar with the laws, please distribute this information to those placing signs on your behalf. Local Mn/DOT offices should be contacted for assistance when signs are being placed where the specific highway right-of-way cannot be clearly identified. When improperly placed signs are removed by department employees, every effort will be made to temporarily store the sign and to notify the candidate so that the signs can be retrieved by the candidate or the candidate's workers.

I sincerely request your cooperation in seeing that your campaign workers are knowledgeable about these laws. Department employees will make every effort to be fair and impartial in administering the law so that all advertisers can expect equal treatment under this law.

Thank you for your cooperation,

Sincerely,

A handwritten signature in black ink, appearing to read 'Thomas K. Sorel'.

Procedures for Political Solicitation in Minneapolis Public Housing Authority Apartment Buildings for 2009 Elections

This document explains Minneapolis Public Housing Authority's (MPHA) procedures for political solicitation in MPHA apartment buildings for the 2009 elections. This procedure complies with Minnesota State law and MPHA staff will enforce it. A candidate who has filed for election to a public office and representatives who are with the candidate are permitted on the premises for the purpose of campaigning door to door and distributing campaign literature door to door. The number of persons and the visits shall be reasonable.

To gain access to a MPHA building, the candidate and the candidate's representative must contact the MPHA Low Income Public Housing Department, at 612-342-1225. Also, all candidates and their representatives shall have reasonable and proper identification to enter the premises. Candidates and their representatives shall not request admittance to tenant units.

Signs of a political nature may not be posted on or within any community space or grounds. However, tenants may post signs in their unit windows, subject to the following guidelines:

- a. Signs may be posted no earlier than 30 days prior to primary elections and must be removed one week after general elections.
- b. Signs from window to window or between apartments are not permitted.
- c. Signs may not cover more than 15% of the total glass area in the room.

Political gatherings are permitted if non-restrictive in nature and are open to all tenants and their guests. If resident organizations invite a candidate for a certain elected office to attend a meeting, they are encouraged to give all candidates for the same office the opportunity to attend. This is especially true, if controversial issues will be discussed. If you have any questions, please contact the Managing Director of Low Income Public Housing at 612-342-1225.

Challengers

204C.07 CHALLENGERS.

Subdivision 1. Partisan elections.

At an election to fill partisan offices, the chair of an authorized committee of each major political party may appoint by written certificate voters from that political party to act as challengers of voters at the polling place for each precinct. Only one challenger from each major political party for each precinct shall be allowed to remain in the polling place at one time.

Subd. 2. Nonpartisan elections.

At an election to fill nonpartisan offices, each nonpartisan candidate may appoint by written certificate voters to act as challengers of voters at the polling place for each precinct. Only one challenger for each candidate shall be allowed to remain in the polling place for each precinct at one time.

Subd. 3. Elections on a question.

At an election where a question is to be voted upon, the mayor of a city, or the school board of a school district, or the board of supervisors of a town, upon receiving a written petition signed by at least 25 eligible voters, shall appoint by written certificate one voter for each precinct in the municipality, or school district if applicable, to act as a challenger of voters in the polling place for that precinct.

Subd. 3a. Residence requirement.

A challenger must be a resident of this state. Appointed challengers seeking admission to a polling place to serve in that capacity must prove their status as a resident of this state by presenting one of the documents listed in section [201.061, subdivision 3](#). Challengers need not prove residence in the precinct in which they seek to act as a challenger.

Subd. 4. Restrictions on conduct.

An election judge may not be appointed as a challenger. The election judges shall permit challengers appointed pursuant to this section to be present in the polling place during the hours of voting and to remain there until the votes are counted and the results declared. No challenger shall handle or inspect registration cards, files, or lists. Challengers shall not prepare in any manner any list of individuals who have or have not voted. They shall not attempt to influence voting in any manner. They shall not converse with a voter except to determine, in the presence of an election judge, whether the voter is eligible to vote in the precinct.

Subd. 5. Prohibited challenges.

Challengers and the political parties that appointed them must not compile lists of voters to challenge on the basis of mail sent by a political party that was returned as undeliverable or if receipt by the intended recipient was not acknowledged in the case of registered mail. This subdivision applies to any local, state, or national affiliate of a political party that has appointed challengers, as well as any subcontractors, vendors, or other individuals acting as agents on behalf of a political party.

A violation of this subdivision is a gross misdemeanor.

204C.12 CHALLENGES TO VOTERS; PENALTY.

Subdivision 1.Manner of challenging.

An election judge shall, and an authorized challenger or other voter may, challenge an individual whom the person knows or reasonably believes is not an eligible voter.

Subd. 2.Statement of grounds; oath.

A challenger must be a resident of this state. The secretary of state shall prepare a form that challengers must complete and sign when making a challenge. The form must include space to state the ground for the challenge, a statement that the challenge is based on the challenger's personal knowledge, and a statement that the challenge is made under oath. The form must include a space for the challenger's printed name, signature, telephone number, and address.

An election judge shall administer to the challenged individual the following oath:

"Do you solemnly swear that you will fully and truly answer all questions put to you concerning your eligibility to vote at this election?"

The election judge shall then ask the challenged individual sufficient questions to test that individual's residence and right to vote.

Subd. 3.Determination of residence.

In determining the legal residence of a challenged individual, the election judges shall be governed by the principles contained in section [200.031](#). If the challenged individual's answers to the questions show ineligibility to vote in that precinct, the individual shall not be allowed to vote. If the individual has marked ballots but not yet deposited them in the ballot boxes before the election judges determine ineligibility to vote in that precinct, the marked ballots shall be placed unopened with the spoiled ballots. If the answers to the questions fail to show that the individual is not eligible to vote in that precinct and the challenge is not withdrawn, the election judges shall verbally administer the oath on the voter certificate to the individual. After taking the oath and completing and signing the voter certificate, the challenged individual shall be allowed to vote.

Subd. 4.Refusal to answer questions or sign a polling place roster.

A challenged individual who refuses to answer questions or sign a polling place roster as required by this section must not be allowed to vote. A challenged individual who leaves the polling place and returns later willing to answer questions or sign a polling place roster must not be allowed to vote.

Subd. 5.Election judges; penalty.

An election judge who fails to carry out the duties prescribed by this section is guilty of a gross misdemeanor.
