

# MINNEAPOLIS POLICE DEPARTMENT UNIFORM CRIME REPORT SUMMARY

## June 2004

The information in this report is a snapshot of crimes reported and arrests in Minneapolis for the date range specified. Every effort is taken to ensure accurate data and reports. The numbers for any specific category will change over time due to routine case entry and editing. If errors occur we take whatever steps we can to ensure they are corrected and that the error will not be repeated. If you suspect errors, please call us with your concerns. Thank you for your vigilance.

Homicide counts come directly from Homicide Division Year 2003 notes: 1) one event involving Officers justifiably killing a suspect in October 2003 in the 3<sup>rd</sup> Precinct is not included in the Homicide count.

The 2003 counts may be different from those published in the respective month of 2003 since the reports have been rerun to ensure they are as comparable as possible to the 2004 period and current versions of the software. Summing the published monthly increments may not produce the same count as the Year to Date totals due to intervening case editing and program upgrades.

Minneapolis started an eReport process in late 2003 for some Thefts and Vandalism. These reports do not have a Precinct designation and are not recognized by the software program which tallies the Uniform Crime Report statistics. This is expected to be corrected in the next few months.

### *Official*

Copies of this report and past reports are available on the web at  
<http://www.ci.minneapolis.mn.us/citywork/police/stats/index.html>  
and at the downtown Minneapolis Public Library, Government Documents or Sociology Sections.
