

MINNEAPOLIS POLICE DEPARTMENT UNIFORM CRIME REPORT SUMMARY

November 2004

The information in this report is a snapshot of crimes reported and arrests in Minneapolis for the date range specified. Every effort is taken to ensure accurate data and reports. The numbers for any specific category will change over time due to routine case entry and editing. If errors occur we take whatever steps we can to ensure they are corrected and that the error will not be repeated. If you suspect errors, please call us with your concerns. Thank you for your vigilance.

Homicide counts come directly from Homicide Division. Special notes regarding Homicides: 1) One event involving Officers justifiably killing a suspect in October 2003 in the 3rd Precinct is not included in the Homicide count. 2) One death in July 2004 in the First Precinct was not determined to be a homicide until August 2004. That death is counted in August 2004. 3) One event involving Officers justifiably killing a suspect in October 2004 in the 4th Precinct is not included in the Homicide count. 4) A death in July 2004 in 4th Precinct was ruled a negligent manslaughter. It is not included in the homicides as of this report.

The 2003 counts may be different from those published in the respective month of 2003 since the reports have been rerun to ensure they are as comparable as possible to the 2004 period and current versions of the software. Summing the published monthly increments may not produce the same count as the Year to Date totals due to intervening case editing and program upgrades.

Minneapolis started an eReport process in late 2003 for some Thefts and Vandalism. These reports do not have a Precinct designation and are not recognized by the software program which tallies the Uniform Crime Report statistics. This is expected to be corrected in the next few months. . From 1/1/2004 through 7/31/2004 there have been 1034 eReports taken for theft related offenses. When these reports are added into the City year-to-date Part I numbers, Larceny/Theft is down 14% and Part I Offenses are down 8%. eReports were suspended in August 2004.
