

MINNEAPOLIS POLICE DEPARTMENT UNIFORM CRIME REPORT SUMMARY

October 2006

The information in this report is a snapshot of crimes reported and arrests in Minneapolis for the date range specified. Every effort is taken to ensure accurate data and reports. The numbers for any specific category will change over time due to routine case entry and editing. If errors occur we take whatever steps we can to ensure they are corrected and that the error will not be repeated. If you suspect errors, please call us with your concerns. Thank you for your vigilance.

Homicide counts come directly from the Homicide Unit. Special notes regarding homicides: 1) One event involving officers justifiably killing a suspect in January 2005 in the 4th Precinct is not included in the homicide count. 2) One event occurred in year 1992. The victim died in June 2006 as a result of that event. The event is counted in June 2006. 3) One event that occurred in July 2005 was not counted as a homicide until August 2005 (the victim died on August 5 as a result of his injuries suffered on July 18). 4) One event that occurred in August 2005 in the 5th Precinct was officer-involved and is not counted in the totals. 5) One event originally occurred in March 2006. It was ruled/routed to the Homicide Unit in April 2006. It is counted in April 2006. 5) One event that occurred in July 2006 was officer-involved and is not counted in the totals. 6) One event that occurred in October 2006 was officer-involved and is not counted in the totals.

The 2005 counts may be different from those published in the respective month of 2005 since the reports have been rerun to ensure they are as comparable as possible to the 2006 period and current versions of the software. Summing the published monthly increments may not produce the same count as the Year to Date totals due to intervening case editing and program upgrades.
