

MINNEAPOLIS POLICE DEPARTMENT UNIFORM CRIME REPORT SUMMARY

May 2008

The information in this report is a snapshot of crimes reported and arrests in Minneapolis for the date range specified. Every effort is taken to ensure accurate data and reports. The numbers for any specific category will change over time due to routine case entry and editing. If errors occur we take whatever steps we can to ensure they are corrected and that the error will not be repeated. If you suspect errors, please call us with your concerns.

Thank you for your vigilance.

Homicide counts come directly from the Homicide Unit.

The 2007 counts may be different from those published in the respective month of 2008 since the reports have been rerun to ensure they are as comparable as possible to the 2008 period and current versions of the software. Summing the published monthly increments may not produce the same count as the Year to Date totals due to intervening case editing and program upgrades.

Official

Copies of this report and past reports are available on the web at
