## Overview:

Marshall Terrace neighborhood is located in Minneapolis' Northeast community. The borders of the neighborhood are Saint Anthony Parkway on the north and Lowry Avenue on the south. The Mississippi River is the western extent, and 4<sup>th</sup> Street NE and University Avenue are the eastern extent. The neighborhood is named after Minnesota's fifth governor, William R. Marshall, who served from 1866 to 1870.

Large tracts of land in this neighborhood are used for industry, railroad tracks and utilities. About 20 percent of the land is residential with related commercial uses. Residential uses are restricted to the center of the neighborhood with utilities mainly along the river and industry and railroad tracks to the east.

## Crime Statistics:

While Marshall Terrace Neighborhood remains a safe neighborhood in northeast Minneapolis, a comparison of the 2006 \*Part 1 Crime statistics with 2005 for the neighborhood shows the number of Robberies increased from 8 to 26, Aggravated Assaults from 5 to 8, Burglaries from 45 to 51 and Auto Thefts 22 to 33.

\*Part 1 Crimes include: Homicide, Rape, Robbery, Aggravated Assault, Burglary, Larceny/Theft, Auto Theft and Arson

## Neighborhood Concerns:

- Late night drag racing on Marshall St NE
- Problem Properties in the neighborhood dealing with livability issues
- Increase of previously mentioned Part 1 Crimes in the neighborhood over the last calendar year.

## 2007 Policing Strategy:

The Minneapolis Police Department has two citywide goals: reduce crime and improve the relationship with the community it serves. In the Marshall Terrace Neighborhood, we will be focusing the following crime reduction strategies:

- Reducing Auto Thefts. Reminding residents of the "Open Ignition" Ordinance where you can receive a ticket if your car is stolen with you leaving the keys in it and

promoting the utilization of the various City electronic technologies for information dissemination.

- Reducing Robberies and Aggravated Assaults. Hosting Personal Safety Workshops to provide residents the opportunity to be safe when out in the neighborhood
- Encouraging residents to report problems in the community by calling 911, 311 and/or their Crime Prevention Specialist to discuss their concerns.
- Utilizing the information received from the community by their reporting of problems via 911, 311 and/or the Crime Prevention Specialist and the weekly Codefor meetings to best focus precinct resources.

The MPD will also engage in two projects to increase the relationship with the community:

- Increase communication with people in the neighborhood via the city WorkSite program and the precinct electronic e-mail notification program, which are designed to facilitate stronger communication and information sharing in the community through web-based technology.
- Provide Block Leader Training (contact the Crime Prevention Specialist) periodically throughout the year so residents are looking out for each other and that concerns are being directed to the proper City agency to handle.

## Neighborhood Engagement:

While the Minneapolis Police Department has committed to a number of steps to improve policing service in Marshall Terrace Neighborhood, policing is a team sport and residents need to be part of that team. The collaboration of MPD and Residents, through the Marshall Terrace Neighborhood Organization, have committed to the following:

- Participating fully in utilization of the City technologies for the electronic dissemination of information.
- Assist the Minneapolis Police Department in promoting Block Leader Training and Personal Safety Workshops throughout the Marshall Terrace Neighborhood.
- Have Marshall Terrace Neighborhood represented at the monthly 2<sup>nd</sup> Precinct Advisory Council (2 PAC) meeting held on the 2<sup>nd</sup> Monday of each month at 6:00 PM at 1900 Central Ave NE.
