Fix-It Tech & IT Workforce Development
Bringing people together through technology and education.

Why host an event?

- *It's easy! We bring volunteers, supplies, and experience*
- *Build tech skills in your community*
- *Bring visitors to your site*
- *It's fun!! Everyone learns something new*

- *Networking for CTEP Members*
- *Build your resume*
 - *Leadership*
 - *Event management*
 - *Volunteer management*

Fix-It Tech – Repairs & Community Education
Bringing people together through technology and education.

How to host an event?

- *It is easy! Contact us at FixItTechMN@gmail.com*
- *Designate a site lead*
- *Space needs:*
 - *Reception area*
 - *Space for volunteers and customers to check in*
 - *2-3 “Classroom” size spaces – can be separate rooms or one large space, with tables and chairs*
 - *Internet and access to power*
- *Help provide snacks for volunteers (if possible)*
- *Be flexible & have fun*

Customer Feedback

*“Thank you very much for offering this service. I learned how I can fix my computer myself in the future and **better ways** to save storage*

“They were very friendly. I had a blast!”

“Thanks for explaining as you go, it helped for me to know what they were doing.”
