

Narrative:

E28 was dispatched to shooting at 51 St. W. / Washburn Ave. S. E28 enroute from station and staged outside of station, waiting for code 4.

E28 arrived to 51 St. W./ Washburn north alley and found several MPD officers doing CPR. MPD Officer stated that they had been doing CPR for about 4 minutes. E28 checked for pulse, no pulse. We also check the lower abdominal bullet entry. There was lots of blood but could not find exit wound. E28 continue regular CPR for 2 minutes with an oral airway at the same time putting pressure on the entry wound. Pulse was checked, no pulse. We cut patient shirt off and started continuous ResQCPR with resQpod 16 and with 15L/Min of high flow O2 for about 3 minutes. HCMC medics arrived and checked for pulse: no pulse, pupils, and bullet entry wound. HCMC medics called off CPR.

They said it was a traumatic asystolic injury. Medics stated that they would notify their dispatcher. E28 asked MPD if there was anything else they needed, that was a negative. They took E28's names and we were released. E28 returned to service.
