BACKGROUND

SURROUNDING PROPERTIES AND NEIGHBORHOOD. The surrounding properties consist of mainly low-density residential dwellings. The Central Avenue NE Community Corridor is approximately three blocks to the west of the area subject to the vacation petition.

PROJECT DESCRIPTION. Joseph M. Vinar has applied to vacate a portion of the alley near 33rd Avenue NE and Taylor Street NE, where it is adjacent to 3254 Taylor Street NE and 3259 Polk Street NE. The remainder of the alley was previously vacated and some maps incorrectly show the proposed area as being vacated already. Once vacated, the land would be distributed to the adjacent residential uses to the east and west.

DEVELOPMENT PLAN. The existing houses would remain. No changes are proposed.

PUBLIC COMMENTS. Staff has received one letter of support regarding this petition for a vacation. Any additional correspondence received prior to the public meeting will be forwarded on to the Planning Commission for consideration.

ANALYSIS

VACATION

The applicant is proposing to vacate a part of the alley in Block 2, Chute Bros. 1st Addn., bounded by Polk and Taylor Streets NE, 32nd and 33rd Avenues NE, north of the south line of Lot 2.

The area to be vacated is legally described as follows:

- That part of the alley as dedicated in Block 2, Chute Brothers 1st Addition described as follows:
- The east ½ of said alley lying north of the westerly extension of the south line of Lot 2 and lying south of the westerly extension of the north line of Lot 1.
- The west ½ of said alley lying north of the easterly extension of the south line of Lot 29 and lying south of the easterly extension of the north line of Lot 30.

RESPONSES FROM UTILITIES AND AFFECTED PROPERTY OWNERS. Minneapolis Public Works has reviewed the vacation petition and recommends approval of the request. Xcel Energy and Comcast have requested easements over the portion of the alley to be vacated. No other easements were requested by any of the referral agencies that responded during the comment period prior to the printing of this report.

FINDINGS. The Department of Public Works and the Department of Community Planning and Economic Development find that the area proposed for vacation is not needed for any public purpose, it is not part of a public transportation corridor, and that it can be vacated if the easements requested above are granted by the petitioner.

RECOMMENDATIONS

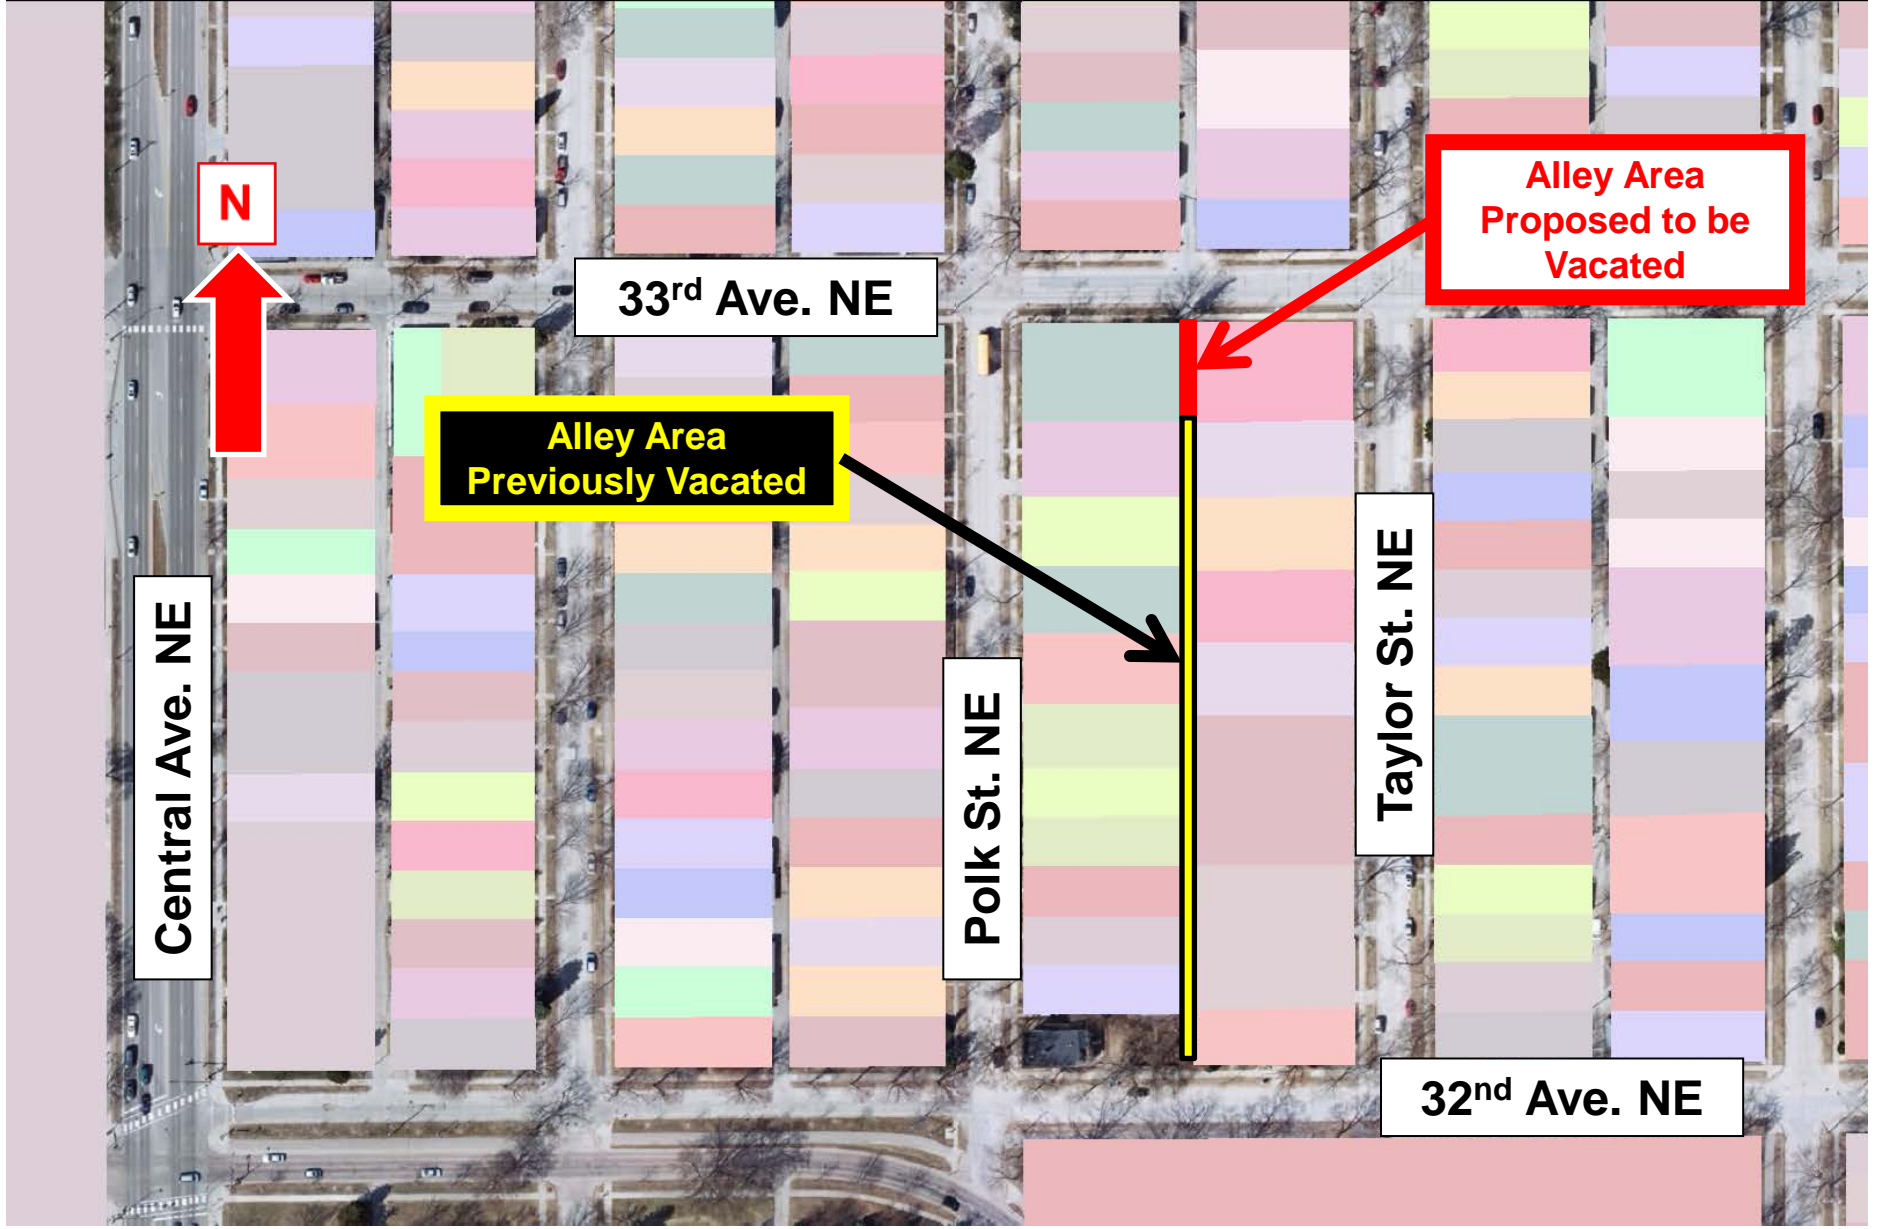

The Department of Community Planning and Economic Development recommends that the City Planning Commission and City Council adopt staff findings for the application by Joseph Vinar, subject to the retention of easements by Xcel Energy and Comcast:

A. Vacation.

Recommended motion: **Approve** the vacation (Vacation file 1644) of part of the alley in the vicinity of 33rd Avenue Northeast and Taylor Street Northeast, subject to the provision of easements to Xcel Energy and Comcast.

Subject: Vacation 1644

Attached are digital copies of the information sheet and the maps for Vacation 1644. This request is for the northerly portion of the alley in Block 2, of the Chute Bros. 1st Addition. This block is bounded by Polk and Taylor Streets NE, and between 32nd and 33rd Avenues NE. The section proposed to be vacated is that part north of the south line of Lot 2. The previously vacated section is south of the south line of Lot 2, vacated in 1950. City and County maps show the proposed vacation section as already vacated, but that is incorrect. Call or e-mail if you have a question.

Please review and send your comments.
