LABOR AGREEMENT

Between

CITY OF MINNEAPOLIS

and

MINNESOTA TEAMSTERS PUBLIC & LAW ENFORCEMENT
EMPLOYEES UNION, LOCAL NO. 320

THIS AGREEMENT, hereinafter referred to as the *Labor Agreement* or the *Agreement*, is made and has been entered into effective the 1st day of January 1, 2011 by and between the City of Minneapolis, the *Employer*, and the Minnesota Teamsters Public & Law Enforcement Employees Union, Local No. 320, the *Union*. The Employer and the Union, the *Parties*, agree to be bound by the following terms and provisions:

Additionally, in recognition of the Union's commitment to support a work environment that is hospitable to all employees, the Union and Employer agree to support training, policies, and work rules that promote and sustain a positive work environment and prohibit abuse and harassment in the work place by any employee, manager, or supervisor.

ARTICLE 1 RECOGNITION AND UNION SECURITY

Section 1.01 - Recognition and Amendments to Unit

Subd. 1. Recognition

The Employer recognizes the Union as the sole and exclusive certified collective bargaining representative of all employees whose job classifications and rates of pay are set forth in Appendix "A" of this Agreement, except those who are Supervisors and Confidential employees within the meaning of the *Minnesota Public Employment Labor Relations Act*, as amended, those who are otherwise excluded by the Act, and all other employees. The Employer shall respect the work jurisdiction of the Union consistent with the provisions of the certification issued by the Bureau of Mediation Services, State of Minnesota.

Subd. 2. Amendment to Certified Unit

Disputes which arise between the Employer and the Union over the inclusion or exclusion of any job classifications may be referred by either Party to the Commissioner, Bureau of Mediation Services, State of Minnesota, for determination in accordance with applicable statutory provisions. Determination by the Commissioner shall be subject to such review and determination as is provided by statute and such rules and regulations as are promulgated there under. In the event the Employer has established a new job classification which is added to the bargaining unit by agreement between the Parties or by determination of the Commissioner, Bureau of Mediation Services, State of Minnesota, the Parties agree to negotiate with one another concerning wages and such other terms and conditions of employment as may be applicable to the position and which are not covered by this Agreement. However, it is agreed that all other terms and provisions of the Agreement shall apply to the new job classification.

Section 1.02 - Union Dues and Fair Share Fees Check-Off

Subd. 1. Union Dues Payroll Deductions

In recognition of the Union as the exclusive representative, the Employer shall deduct an amount sufficient to provide the payment of the regular monthly Union membership dues uniformly established by the Union from the wages of all employees who have authorized, in writing, such deduction on a form designated and furnished by the Union. The Union shall certify to the Employer, in writing, the current amount of regular monthly membership dues which it has uniformly established for all members. Such deductions shall be canceled by the Employer upon a written request made by the involved employee to the Union with a copy to the appropriate departmental payroll office.

Subd. 2. Fair Share Fees Payroll Deductions

In accordance with *Minnesota Statutes* §179A.06, Subd. 3, the Employer shall, upon notification by the Union, deduct a *fair share fee* from all certified employees who are not members of the Union. This fee shall be an amount equal to the regular membership dues of the Union, less the cost of benefits financed through the dues and available only to members of the Union, but in no event shall the fee exceed eighty-five percent (85%) of the Union's regular membership dues or such amount as may otherwise be allowable by law. The Union shall certify to the Employer, in writing, the current amount of the fair share fee to be deducted as well as the names of bargaining unit employees required by the Union to pay the fee.

Subd. 3. National DRIVE Deductions (effective 1/1/05)

The Employer shall deduct a uniform amount specified by the Union from the biweekly wages of all employees who have authorized, in writing, such deduction on a form designated and furnished by the Union for voluntary contributions to *National DRIVE*. Amounts deducted shall be combined with the regular monthly dues deduction provided for in Subd. 1 of this section and shall

be transmitted to the Union in accordance with Subd. 5 of this section. The Union shall pay a one dollar (\$1.00) fee per involved employee for each deduction request, revocation and/or change.

Subd. 4. Time of Deductions

The Employer shall deduct Union dues and fair share fees each payroll period. In the event an employee covered by the provisions of this section has insufficient pay due to cover the required deduction, the Employer shall have no further obligations to effect subsequent deductions for the involved payroll period.

Subd. 5. Remittance

The Employer shall remit such membership dues and fair share fees deductions made pursuant to the provisions of this section to the appropriate designated officer of the Union by the 15th of the month following the month of the deduction along with a list of the names of the employees from whose deductions were made and not made.

One-half (1/2) of the Union Dues will be deducted from the first (1st) paycheck of the month and one-half (1/2) of the Union Dues from the second (2nd) paycheck of the month.

Subd. 6. General Administration

The following shall be applicable to the administration of the provisions of this section:

a. All certifications from the Union as to the amounts of deductions to be made as well as notifications by the Union and/or bargaining unit employees as to changes in deductions must be received by the Employer at least fourteen (14) calendar days in advance of the date upon which the deduction is scheduled to be made in order for any change to be effected.

b. The Employer shall, upon the request of the Union, but no more frequently than once each calendar quarter, provide the Union with a report showing the names of those employees in the bargaining unit along with their classifications and department locations, mailing addresses of record, union code, current rates of pay, and classification/City seniority.

c. When an employee on the dues deduction transfers from one work location within the bargaining unit to another, the deduction of dues shall not be terminated except as directed by the involved employee.

d. No other employee organization shall be granted payroll deduction of dues for employees covered by the Agreement without the express written permission of the Union.

Subd. 7. Hold Harmless

The Union agrees to indemnify, defend and hold the Employer, its officers, agents and employees harmless against any and all claims, suits, orders or judgments brought or issued against

the Employer, its officers, agents and employees as a result of any action taken or not taken in compliance with the specific provisions of this section or which are taken or not taken at the request of the Union.

Section 1.03 - Exclusive Representation

The Employer shall not enter into any agreements with the employees covered by this Agreement either individually or collectively or with any other employee organization which in any way conflicts with the terms and provisions of this Agreement. Further, the Employer shall meet and negotiate, pursue the resolution of grievances and conduct arbitration proceedings only with the properly designated representative(s) of the Union.

Section 1.04 - Union Stewards

The Union may designate certain bargaining unit employees to act as stewards and shall certify to the Employer, in writing, their names, along with the names of business representatives and/or officers of the Union who shall be authorized by the Union to investigate and present grievances. The Employer agrees to recognize such representatives, subject to the following:

Subd. 1. Number of Stewards

The Union may designate one, but no more than one, steward on each shift for each of the Employer's principal work areas from among those employees who work therein.

Subd. 2. Activities of Stewards

Designated and certified stewards shall be granted reasonable time off, with pay, in order to investigate and/or present grievances to the Employer during their normal working hours. Such Stewards, however, shall not leave their work stations without first obtaining the permission of their immediate supervisor and shall notify their immediate supervisor upon returning to work. The permission of the supervisor shall not be denied without good cause. When the Parties agree that it is mutually beneficial to have an officer of the Union participate in such presentation and/or investigation, such officer shall also be authorized time off with pay for this purpose. Stewards and other representatives of the Union shall not interfere in any way with the Employer's operation or with the performance of work by its employees. Nothing in this paragraph, however, shall be construed to limit the proper presentation of grievances provided for by this subdivision.

Section 1.05 - Visitation

With notice to an available supervisor at a worksite, non-employee representatives of the Union who have been certified to the Employer may come on the worksite for the purpose of investigating and presenting grievances. The Union agrees there shall be no solicitation for membership, signing up of members, collection of initiation fees, dues, fines or assessments, meetings or other Union activities on the Employer's time by such non-employee representatives, the Union's stewards or any officers of the Union.

Section 1.06 - Bulletin Boards

The Employer shall provide for the Union's use, reasonable space on designated bulletin boards for the purpose of posting official Union notices. Each posted notice shall bear the signature of the Union representative who has posted the notice and the date of the posting. Such person shall be required to remove the notice once it has served its purpose. The Union shall not post material of a political nature.

Section 1.07 - Union Membership

Employees have the right to join or to refrain from joining the Union. Neither the Employer nor the Union nor any of their respective agents or representatives shall discriminate against or interfere with the rights of employees to become or not become members of the Union, and further there shall be no discrimination or coercion against any employee because of Union membership or non-membership. The Union shall, in its responsibility as exclusive representative of the employees, represent all bargaining unit employees without discrimination, interference, restraint, or coercion.

Section 1.08 - Employee Rights

Employees shall have the rights granted to City employees by the Constitutions of the United States and the State of Minnesota.

Section 1.09 - Labor Agreement Provided

A copy of this Agreement, if furnished to the Employer by the Union, shall be provided by the Employer to all newly hired and rehired employees.

ARTICLE 2 **MANAGEMENT RIGHTS**

The Union recognizes the right of the Employer to operate and manage its affairs in all respects in accordance with applicable laws and regulations of appropriate authorities. All rights and authority which the Employer has not officially abridged, delegated or modified by the express terms and provisions of this Agreement are retained by the Employer.

ARTICLE 3 **NO STRIKE - NO LOCKOUT**

Section 3.01 - No Strike

The Union, its officers or agents, or any of the employees covered by this Agreement shall not cause, instigate, encourage, condone, engage in, or cooperate in any strike, work slowdown, mass resignation, mass absenteeism, the willful absence from one's position, the stoppage of work, or the

abstinence in whole or in part of the full, faithful and proper performance of the duties of employment during the term of this Agreement.

Section 3.02 - No Lockout

The Employer agrees that neither it, its officers, agents nor representatives, individually or collectively, will authorize, institute or condone any lockout of employees during the term of this Agreement.

Section 3.03 - Violations by Employees

Any employee who violates any provision of this article may be subject to disciplinary action, including discharge.

ARTICLE 4 **SETTLEMENT OF DISPUTES**

Section 4.01 - Grievance Procedure

1. **Scope**: This article shall apply to all members of the bargaining unit.
2. **Letter of inquiry**: Any employee may file a “letter of inquiry” which requests information on salary, working conditions and/or benefits. Such “letter of inquiry” is available from the business agent or steward. The business agent shall process the letter of inquiry. Where the business agent believes it necessary, he/she may request in writing from the Director of Employee Services information to enable a response to the inquiry. The information requested shall be provided by the Director of Employee Services within ten (10) days of receipt of the request. The business agent will respond to the member.
3. **Informal problem resolution**: From time to time, violations relating to the application of this agreement may arise. Many of these violations can be resolved informally. A violation that cannot be resolved informally is called a grievance.
4. **Procedure and timelines**: A grievance is any matter concerning the interpretation, application, or alleged violation of any currently effective agreement between the City and the bargaining unit. Grievances shall be resolved in the following manner:
5. **Step one**:
An employee shall inform the immediate supervisor of the grievance in writing on the standard grievance form. The form shall clearly identify that it is a grievance and specify the alleged violation(s).

If an employee expressly requests a discussion with the immediate supervisor concerning the written grievance, such discussion shall take place within three (3) days after filing the grievance,

unless the time is mutually extended. The discussion with the immediate supervisor shall be held with one of the following:

- A. The employee accompanied by a Union representative;
- B. The Union representative alone if the employee so requests;

Within ten (10) days after the grievance is filed or the discussion meeting concludes, whichever is later, the immediate supervisor shall state his/her decision in writing, together with the supporting reasons, and shall furnish one (1) copy to the employee who filed the grievance, one (1) copy to the business agent, one copy to the Union Steward, and one (1) copy to the Director of Employee Services. Each step one decision shall be clearly identified as a “step one decision.”

6. **Step two:**

If the step one decision is not satisfactory, a written appeal may be filed by the Union with the department head within ten (10) days of the date of the step one decision. A copy of the appeal shall be sent to the Director of Employee Services.

Upon request of either party, all persons who participated at step one, or all necessary persons shall have a reasonable opportunity to be heard at step two. If a meeting is requested by the Union, the department head shall schedule a meeting. Notification of at least seven (7) days shall be given to the Union.

Within twenty (20) days after the meeting or the receipt of the appeal, whichever is later, the department head shall present a written decision to the Union with copies to the employee and the Steward. The step two decision shall clearly identify that answer as a “step two decision.”

7. **Step three:**

If the step two decision is not satisfactory, a written appeal may be filed by the Union to the Director of Human Resources, or his/her designee, within ten (10) days of the date of the step two decision. Upon request of the Union, a meeting shall be held between the Director of Human Resources, or his/her designee, and a representative of the Union. The meeting shall be scheduled by the Director of Human Resources, or his/her designee, and held within twenty (20) days after receipt of the written appeal.

The Director of Human Resources, or his/her designee, shall have the full authority of the Mayor and City Council to resolve the grievance.

Within twenty (20) days after the step three meeting or receipt of the step three appeal, whichever is later, the Director of Human Resources or his/her designee shall send a written response to the Union with copies to the employee and the Steward. The step three decision shall clearly identify that answer as a “step three decision.”

8. **Step four:** Regular Arbitration

Within seventy (70) days of the date of the step three decision the Union shall have the right to submit the matter to arbitration by informing the Director of Employee Services that the matter is to be arbitrated. Thereafter, the Parties shall attempt to have the grievance resolved in a timely manner. When a party has the duty to act, any period of inactivity greater than thirty (30) days shall result in the matter becoming untimely. The defaulting party shall be solely responsible for the arbitrator's fee, if any.

If the matter is to be arbitrated, a single arbitrator shall be selected from the panel of mutually agreed upon arbitrators. The Arbitrator shall be selected on an alphabetical, rotational basis with each Party having the right to exercise one strike. If the arbitrator is stricken, s/he will retain his/her position in the order. Either Party may request an annual review of the panel at which time a new panel will be selected.

One representative of the Union, one steward, the grievant, and all necessary employee witnesses shall receive their regular salary and wages, not to exceed eight (8) hours per day, for the time spent in the arbitration proceeding, if during regular work hours.

The arbitrator shall render a written decision and the reasons, therefore resolving the grievance, and order any appropriate relief within thirty (30) days following the close of the hearing or the submission of briefs by the parties. The decision and award of the arbitrator shall be final and binding upon the City, the Union and the employee (s) it represents.

The arbitrator shall have no authority to amend, modify, nullify, ignore, add to, or subtract from the provisions of this agreement.

The arbitrator is also prohibited from making any decision that is contrary to law or to public policy.

9. **Mediation:** The City and the Union, by mutual agreement, may utilize the grievance mediation process in an attempt to resolve a grievance before going to arbitration.

The objective of mediation is to find a mutually satisfactory resolution to the dispute. The parties shall mutually choose a mediator or have a mediator assigned by the Bureau of Mediation Services.

One representative of the Union, one steward, and all necessary employee witnesses shall receive their regular salaries or wages, not to exceed eight (8) hours per day, for the time spent in the grievance mediation proceeding, if during regular working hours.

- A. Arbitration time frames shall be tolled during the mediation procedure; however, there shall be no additional extensions without written mutual agreement.
- B. Grievances that have been appealed to arbitration may be referred to mediation if both the Union and the City agree.

- C. Mediation conferences shall be scheduled in the order in which the grievance is appealed to mediation with the exception of suspension or discharge grievances, which shall have priority.
- D. Promptly after both parties have agreed to mediate, the parties shall notify the Bureau of Mediation Services. The Bureau of Mediation Services shall arrange for the conference.
- E. The mediation proceedings shall be informal in nature, and the goal will be to mediate up to three (3) grievances per day.
- F. Each party shall have one (1) principal spokesperson that will have the authority to agree upon a remedy of the grievance at the mediation conference.
- G. One (1) grievant and one steward will have the right to be present for each grievance.
- H. The issue mediated will be the same as the issue the parties have failed to resolve through the grievance process. The rules of evidence will not apply, and no transcript of the mediation conference shall be made.
- I. The mediator may meet separately with the parties during the mediation conference. The mediator will not have the authority to compel the resolution of a grievance.
- J. Written material presented to the mediator or to the other party shall be returned to the party presenting the material at the termination of the mediation conference, except that the mediator may retain on (1) copy of the written grievance to be used solely for the purposes of statistical analysis.
- K. If no settlement is reached during the mediation conference, the mediator may provide either or both parties with an immediate oral advisory opinion. The opinion will involve the interpretation or application of the collective bargaining agreement and the reasons for his/her opinion. The parties may agree that no opinion shall be provided.
- L. The advisory opinion of the mediator, if accepted by the parties, shall not constitute a precedent, unless the parties otherwise agree.
- M. If no settlement is reached as a result of the mediation conference, the grievance may be scheduled for arbitration in accordance with “8. Step four.”
- N. In the event a grievance that has been mediated is subsequently arbitrated, no person who served as the mediator may serve as the arbitrator. In the arbitration hearing, no reference to the mediator’s advice or ruling may be entered as testimony nor may either party advise the arbitrator of the mediator’s advice or ruling or refer at arbitration to any admissions or offers of the settlement made by the other party at mediation.
- O. By agreeing to schedule a mediation conference, the City does not acknowledge that the case is properly subject to arbitration and reserves the right to raise this issue notwithstanding its agreement to schedule such a conference.
- P. The fees and expenses of the mediator and mediation office, if any, shall be shared equally by the parties.

10. **Expedited Arbitration:**

The Union or the City may mutually agree to expedited arbitration. Upon such declaration, the Union and the City will make immediate (within twenty-four (24) hours) arrangements with the Bureau of Mediation Services for the expedited arbitration procedure and such procedure shall begin as soon as the bureau can initiate a hearing. It shall be the specific request of both the Union and the City to have a decision within fourteen (14) days of the hearing, and that no briefs will be filed.

11. **Time Limits/Commencement of Grievances:**

Time limits, specified in this procedure may be extended by written mutual agreement of the parties. The failure of the City to comply with any time limit herein means that the Union may automatically process the grievance to the next step of the grievance procedure. Failure of the Union or its employees to comply with any time limit herein renders the alleged violation untimely and no longer subject to the grievance procedure.

12. **Commencement of Grievances:**

A grievance must be commenced at step one no later than ten (10) days from the discovery of the grievable event (s) or from when the event (s) reasonably should have been discovered, or ten (10) days from the filing of a letter of inquiry, whichever is earlier.

13. **Expedition of Grievances:**

The City will cooperate with the Union to expedite the grievance procedure to the maximum extent practical.

Section 4.02 - Election of Remedy

Employees covered by Civil Service Systems created under Chapter 43a, 44, 375, 419, or 420, by a Home Rule Charter under Chapter 410, or by laws 1941, Chapter 423, may pursue a grievance through the procedure established under this section. When a grievance is also within the jurisdiction of appeals boards or appeals procedures created by Chapter 43a, 44, 375, 387, 419, or 420, by a Home Rule Charter under 410, or by laws 1941, Chapter 423, the employee may proceed through the grievance procedure or the Civil Service appeals procedure, but once a written grievance or appeal has been properly filed or submitted by the employee or on the employee's behalf with the employee's consent, the employee may not proceed in the alternative manner.

Nothing in this contract shall prevent an employee from pursuing both a grievance under this contract and a charge of discrimination brought under Title VII, the Americans With Disabilities Act, the Age Discrimination in Employment Act, or the Equal Pay Act.

ARTICLE 5
EMPLOYEE DISCIPLINE AND DISCHARGE

Section 5.01 - Just Cause

Disciplinary action may be imposed upon an employee who has satisfactorily completed the initial probationary period only for just cause.

Section 5.02 - Progressive Discipline

Disciplinary action shall normally include only the following measures and, depending upon the seriousness of the offense and other relevant factors, shall normally be administered progressively in the following order:

Subd. 1. Reprimands, either oral or written;

Subd. 2. Suspension from duty without pay;

Subd. 3. Demotion in position and/or pay or discharge from employment.

If the Employer has reason to reprimand an employee, it shall normally not be done in the presence of other employees or the public.

Section 5.03 - Discharge Due Process

No *regular employee* (i.e., an employee who has satisfactorily completed the initial probationary period) shall be discharged without having been afforded an opportunity to hear the reason(s) for the discharge and without an opportunity to offer an explanation of the relevant facts and circumstances surrounding the events which preceded the discharge and/or any extenuating or mitigating circumstances which the employee believes is relevant to the discharge decision. Whenever possible and practical, such opportunities shall be provided in a conference with the Employer which shall be conducted after advance notice to the employee and his/her Union representative who shall be permitted to attend the conference. If a conference is to be conducted, the involved employee(s) shall remain in pay status until the conference has been completed. The disciplinary hearing shall be held within 20 workdays of the discovery of the event and discipline shall be given within 10 workdays of the hearing.

Section 5.04 – Appeals

Disciplinary actions within the meaning of this article, excluding oral reprimands, imposed upon an employee who has completed the initial probationary period, may only be appealed through the grievance procedure outlined elsewhere in this Agreement. Grievances filed concerning suspensions, demotions and/or discharges may be initiated at Step 2 of such procedure. Such matters shall be handled in accordance with the provisions of the grievance procedure and, if necessary, through the arbitration procedure.

Section 5.05 - Disciplinary Action Records

A written record of all disciplinary actions within the meaning of this article, excluding oral reprimands, shall be provided to the involved employee(s) and will be entered into the employee's personnel record. Investigations into conduct which do not result in disciplinary action, however, shall not be entered into the employee's personnel record. When a disciplinary action more severe than a written reprimand is imposed, the Employer shall notify the employee

in writing of the specific reason(s) for such action at the time such action is taken. Written reprimands shall not be relied upon to form the basis for further disciplinary action after three (3) years following the date of the written reprimand. Employees shall be granted reasonable access to their personnel files for the purpose of examining the contents therein.

The City agrees to allow a one-time removal of a written reprimand if no other violations have occurred within a one-year period. Removal will be at the request of the employee.

Section 5.06 - Disciplined Employee's Response

Any employee who is disciplined by written reprimand, suspension, demotion or discharge shall be entitled to have a written response, if any, included in their personnel record, if filed with the Employer within twenty (20) calendar days of the issuance thereof.

Section 5.07 – Right to Union Representation

Employees shall have the right to union representation at any conference concerning a grievance, or a complaint involving performance or the employment status of the employee.

ARTICLE 6 **SENIORITY**

Section 6.01 - Seniority Defined

When used in this Agreement, the terms *City seniority* and *classification seniority* shall have the meanings given them below:

Subd. 1. City Seniority Defined

City seniority is defined as the length of uninterrupted employment with the Employer and based on the date of the employee's first day of employment as a City employee.

Subd. 2. Classification Seniority Defined

Classification seniority is defined as the length of employment within a job classification and based on the date the employee began working in that classification on a permanent basis.

Effective September 1, 2006 drivers hired into the classification titles of Truck Driver and Sanitation shall simultaneously accrue classification seniority in both titles. Additionally, drivers of record on September 1, 2006 who transfer between titles shall be credited for time spent in the other title. Truck Driver, Sanitation drivers hired prior to September 1, 2006 who have never worked as an Equipment Services Division (ESD) Driver and who transfer to ESD shall go to the bottom of the ESD Operational Seniority list. (See Section 11.01, Subd. 2.)

Subd. 3. Ties in Seniority

Ties in classification seniority shall be broken by City seniority. Ties in City seniority shall be broken randomly.

Section 6.02 - System Seniority Credit

Upon hiring an applicant who was previously employed by the Minneapolis Library Board, the Minneapolis Board of Education and/or the Minneapolis Park and Recreation Board, the Employer shall grant City and classification seniority credit for all purposes provided such applicant's employment is continuous between such Boards and the Employer and to the extent that such Boards afford reciprocal recognition of seniority credit to the employees covered by this Agreement.

Section 6.03 - Loss of Seniority

An employee's seniority shall be lost and his/her employment shall be terminated upon the occurrence of any of the following:

Subd. 1. He/she quits or retires and does not rescind such action within five (5) workdays.

Subd. 2. He/she is discharged and the discharge is not reversed.

Subd. 3. He/she has been laid off and not actively working for the Employer for a period of three (3) years.

Section 6.04 - Seniority Lists

The Employer shall post a seniority list bi-annually.

ARTICLE 7
FILLING VACANT POSITIONS

Section 7.01 - General Provisions

The Parties agree that the following provisions respecting the filling of vacant bargaining unit positions shall be applicable in addition to other Employer-promulgated procedures to the extent that such procedures do not conflict with the provisions herein. The provisions of the previous Agreement between the Parties shall be applicable to the administration of all Job Postings conducted prior to the execution of this agreement and to all Requisition Lists then in effect.

Section 7.02 - Examination Plans and Applications

Subd. 1. Examination Plans

Examination Plans, when offered, shall be posted for a period of not less than ten (10) calendar days. The Examination Plan shall set forth the title, salary, nature of work to be performed, minimum qualifications, the place and manner of making applications and the closing date applications will be received. The Employer may establish a definite or an indefinite closing date for the filing of applications. If the Employer has established an indefinite closing date, it must notify employees of any fixed closing date, later determined, by a posting adjacent to the originally posted Examination Plan. An applicant's eligibility for promotion begins on the date their name was added to a list of eligibles. Examination Plans for newly created positions and/or for positions for which the title, salary, nature of work to be performed and/or minimum qualifications are materially different from the Examination Plans previously used, shall not be finalized by the Employer until the affected Union representative has had an opportunity to review the proposed Examination Plan and provide the Union's input into the Examination Plan development process. A copy of the Examination Plan in its final form shall be furnished to the Union at least seven (7) calendar days prior to its approval.

Subd. 2. Stated Qualifications

The minimum qualifications set forth in the Examination Plan shall be related to the job duties of the involved position and shall include applicable education, training, experience, skills and abilities required. Such minimum qualifications shall not, however, include artificial and/or irrelevant time-in-grade, promotional line and/or grade level requirements.

Subd. 3. Application for Promotion

All employees may make application for any Examination Plan provided they meet the minimum, stated qualifications for the involved position; provided, however, that employees who have failed a promotional probationary period in a classification shall not be permitted to take an examination for promotion to that classification within twelve (12) months of the date of such failure.

Subd. 4. Examination Plans

The Employer may, in its discretion, conduct an *open* Examination Plan (i.e., one which is available to employee and non-employee or *outside* applicants) or a *promotional* Examination Plan (i.e., one which is available only to employee applicants) for any position vacancy. For purposes of this article, applicants from the Minneapolis Library Board, the Minneapolis Board of Education and the Minneapolis Park and Recreation Board shall be considered as outside applicants.

Section 7.03 - Examination of Qualified Applicants

Subd. 1. Examination Times

When an employee is scheduled to take a Minneapolis Civil Service examination during his or her regular scheduled hours of duty, the Employer shall grant time off, with pay, to take the examination.

Subd. 2. Testing

All applicants who meet the minimum stated qualification requirements for the Examination Plan may be tested. The Employer may, however, at its discretion, limit the number of applicants to be tested on the basis of the applicants' City seniority and on the basis of an objective review of each applicant's relevant education, training, and experience, i.e., an *application review* and/or on the basis of successive testing limitations subject to the following provisions:

- a. If seniority/application review limitations apply, an equal number of applicants shall be selected on the basis of seniority and application review, respectively.
- b. If successive testing limitations apply, tested applicants shall be selected for further testing on the basis of their actual test scores and the highest scoring applicants only shall be further tested.
- c. If either of the testing limitations described above are to be used, the details of the limitation(s) shall be outlined by the Examination Plan referred to in Section 7.02, Subd. 1 of this article.

The Employer may elect to test all or any percentage of the applicants for any given Examination Plan on the announced basis.

Subd. 3. Examination Scores

Applicants shall receive a total examination score the components of which shall be weighted as follows:

- a. Eighty percent (80%) of the total examination score shall be based upon the results of each applicant's test score(s). Such tests shall be developed by the Employer and may consist of more than one component.
- b. Twenty percent (20%) of the total examination score shall be based upon each applicant's relative seniority standing with the Employer.

In the event an internal applicant is tested pursuant to an open examination, one hundred percent (100%) of the total examination score shall be based upon the results of the applicant's test score(s).

Section 7.04 - Eligibles and List of Eligibles

Subd. 1. Passing Score

Each applicant whose 1) total examination score, and 2) test score(s) as defined in Section 7.03, Subd. 3 of this article equals or exceeds seventy (70) points, shall be considered to have passed the examination. There is no passing score for the seniority component.

Subd. 2. List of Eligibles - Examination Plans

The names of those applicants who have passed an examination shall be placed on a list of eligibles in descending order of their total examination scores in addition to any Veteran's Preference points, if applicable. In the event two or more eligibles hold identical total examination scores, their names shall be placed on the list of eligibles in random order; however, the names of veterans shall always be placed over the names of non-veterans who hold identical scores.

Subd. 3. List Expiration

The Staffing division of the Human Resources Department shall inform applicants of the length of their eligibility by stating it on the job posting and/or by letter.

Section 7.05 - Selection of Certified Eligibles

Any or all of the eligibles on a list of eligibles may be certified to the appointing authority for selection. Any of the eligibles certified to the appointing authority may be selected to fill the vacant position. The name of the eligible selected shall be removed from the list of eligibles.

Section 7.06 - Probationary Periods

An eligible selected to fill a vacant position shall serve an initial or promotional probationary period as applicable. All initial probationary periods shall be twelve (12) months in duration and all promotional probationary periods shall be six (6) months in duration. An employee may be removed from the position at the discretion of the appointing authority. Such removal shall not be subject to the grievance/arbitration provisions of this Agreement. Removal during an employee's initial probationary period shall result in termination of employment. An employee removed during a promotional probationary period, however, shall have the right to return to a vacant position in his/her previous classification, or, if none is available to his/her previous position. Time spent in temporary duty in the position immediately preceding the appointment shall count towards satisfaction of the probationary period, benefits eligibility (without retroactivity) and pay progression requirements.

Section 7.07 - Position Audit/Class Maintenance Studies

Subd.1. Position Audit

Unless otherwise ordered by a court of competent jurisdiction, an employee who believes their individual position has changed due to gradual changes over a period of time in the kind, responsibility, or difficulty of the work performed may request that their position be audited to assure proper classification. To request a position audit, the employee must submit a Job Analysis Questionnaire provided by the Human Resources Department. Requests for study of an employee's individual position may be submitted no more than once per every 24 calendar months unless the Parties agree that substantial changes have occurred in the position justifying the need for a new audit.

If the audit results in a reclassification of the individual position, no vacancy shall be deemed to have been created. Upon reclassification to a position providing a higher maximum salary, the incumbent employee shall be appointed to the reclassified position and the incumbent employee's pay shall be affixed in accordance with Section 9.02, Subd. 1, Pay Upon Promotion. The effective date of the reclassification for pay and seniority purposes shall be the date upon which the involved employee submitted a properly completed request for reclassification to the Employer's Human Resources Department with a copy to the involved Department Head or Manager. The provisions of this section shall apply only to the incumbent employee who has been permanently certified to the involved position.

In the event the Job Audit results in a lower wage, the incumbent's wage may be frozen at his/her current rate until the new wage equals or exceeds the wage of the incumbent. Upon reclassification to a position providing a lower maximum salary, the involved incumbent employee may also request that the reclassification be considered to be a layoff. If so requested, the provisions of Article 8 (Layoff and Recall From Layoff) shall be applied. In the alternative, the involved incumbent employee may elect to remain in the reclassified position and the incumbent employee's pay shall be determined in accordance with Section 9.03, Subd. 3 of this Agreement.

Subd.2. Class Maintenance Studies

The Employer may initiate class maintenance studies related to a specific class or a group of positions within a department/division as needed to maintain the integrity of the Employer's classification system. The Employer will consider requests by the Union to initiate such studies. The format of these studies may include an informal survey of changes in the kind, responsibility, or difficulty of work performed since the classification was last studied or an in-depth study of the changes in the kind, responsibility, or difficulty of work performed since the classification was last studied.

If a class or group of positions are reclassified pursuant to a class maintenance study to a class providing a higher maximum salary, no vacancy shall be deemed to have been created. Upon

reclassification, the incumbent employees shall be appointed to the reclassified position and the incumbent employees' pay shall be determined in accordance with Section 9.03, Subd. 1 of this Agreement.

The effective date of the reclassification for pay purposes shall be January 1st of the calendar year following completion of the study. Incumbent employees shall maintain the classification seniority date of their previous classification as the classification seniority date of the new classification. The provisions of this section shall apply only to the incumbent employees who have been permanently certified to the involved positions.

If a class or group of positions are reclassified pursuant to a class maintenance study to a class providing a lower maximum salary, the incumbent employees' wages may be frozen at his/her current rate until the new wage schedule equals or exceeds the wage of the incumbent. As an alternative, the involved incumbent employees may request that the reclassification be considered to be a layoff. If so requested, the provisions of Article 8 (Layoff and Recall From Layoff) shall be applied.

The Human Resources Department will develop an initial schedule of class maintenance studies in conjunction with the Union that provides that each class will be reviewed within six (6) calendar years from the date of execution of this Agreement. Thereafter, Human Resources will develop an ongoing schedule of class maintenance studies that provides for a maintenance study on a rotating basis at least every (4) calendar years. Such studies may be done more frequently as needed to maintain the integrity of the classification system.

Section 7.08 - Lateral Transfers

Employees may request to be transferred to a vacant position within their classification in another department and may be transferred pursuant to such request with the written approval of their department head, the involved appointing authority and the Employer's Director of Employee Services. Such transferred employees shall serve a three-(3) month probationary period in the new position. If removed by the appointing authority during the probationary period, the involved employee shall be reassigned to a vacant position within the classification or, if none is available, to their previous position.

Section 7.09 - Permits and Details

The Employer may select employees for temporary duty in other classifications and/or positions (*details*) and/or utilize temporary employees (*permits*) for periods not to exceed the length of an incumbent employee's absence or six (6) consecutive calendar months, whichever is longer. Such limitations shall not be exceeded except by the express written mutual agreement between the Parties.

ARTICLE 8
LAYOFF AND RECALL FROM LAYOFF

Section 8.01 - Layoffs and Bumping

Whenever any permanent position is to be abolished or it becomes necessary because of lack of funds, lack of work to reduce the number of employees in the classified service in any department, the department head shall immediately report such pending layoffs to the City Coordinator or his/her designated representative. The status of involved employees shall be determined by the following provisions and the involved employees will be notified.

Subd. 1. General Order of Layoff

Layoffs shall be made in the following manner:

- a. Permit employees shall be first laid off;
- b. Temporary employees (those certified to temporary positions) shall next be laid off;
- c. Persons appointed to permanent positions shall then be laid off.

Subd. 2. Layoff Based on Classification Seniority

The employee first laid off shall be the employee who has the least amount of classification seniority in the classification in which reductions are to be made. Provided, however, employees retained must be deemed qualified to perform the required work and employees who possess unique skills or qualifications which would otherwise be denied the Employer may be retained regardless of their relative seniority standing.

Subd. 3. Bumping

Employees who are laid off shall have their names placed on a layoff list for their classification. Such employees who have at least three (3) years of City seniority shall have the right to displace (*bump*) the employee of lesser City seniority who was last certified to progressively lower paid classifications previously held permanently (i.e., one in which the probationary period was satisfactorily completed) by the laid off employee and in which job performance was deemed by the Employer to be satisfactory which is lower than the original classification of the laid off employee. In all cases, however, the bumping employee must meet the current minimum qualifications of the claimed position and must be qualified to perform the required work.

Section 8.02 - Notice of Layoff

The Employer shall make every reasonable effort under the circumstances to provide affected employees with at least fourteen (14) calendar days notice prior to the contemplated effective date of a layoff.

Section 8.03 - Recall from Layoff

An employee in the classified service who has been laid off may be re-employed without examination in a vacant position of the same class within three (3) years of the effective date of the layoff. Failure to receive an appointment within three (3) years will result in the eligible's name being removed from the list.

Section 8.04 - Application and Scope

For purposes of this article, bargaining unit employees may displace (*bump*) non-bargaining unit employees. Further, non-bargaining unit employees shall be permitted to displace bargaining unit employees. Specifically, the provisions of this article respecting layoff, bumping and recall, shall be applicable to those employees excluded from the bargaining unit by virtue of their supervisory or confidential status.

Section 8.05 - Exceptions

The following exceptions may be observed:

Subd. 1. Mutual Agreement

If the Employer and the Union agree upon a basis for layoff and reemployment in a certain position or group of positions and such agreement is approved by the City Coordinator or his/her designated representative, employees will be laid off and re-employed upon that basis.

Subd. 2. Emergency Retention

Regardless of the priority of layoff, an employee may be retained on an emergency basis for up to fourteen-(14) calendar days longer to complete an assignment.

ARTICLE 9
WAGES AND PAYROLLS

Section 9.01 - Classifications and Rates of Pay

Subd. 1. General

All positions covered by this Agreement shall be classified by the Employer and the minimum, maximum and intervening salary rates for such classifications shall be those shown in Appendix "A" to this Agreement.

Subd. 2. Job Classification System

The Minneapolis Civil Service Commission (*MCSC*) shall administer the Employer's job classification system in accordance with the following criteria:

- a. The job classification evaluative process shall be based upon professionally developed standards equally applied to all positions without bias.
- b. Job classes shall be established which group positions that have identical or similar primary duties. Within each classification, the nature of the work shall be significantly different from other job classes.
- c. Positions shall be classified based upon their job-related contributions and/or assessed value to the City's functions.
- d. New positions shall be evaluated and placed into job classes based upon a comparison of the similarity of the assigned duties to other positions in the job class. New positions shall be placed into existing job classes unless the duties or conditions of employment are found to be substantially different from other existing classes in the classified service.
- e. The MCSC shall maintain appropriate records relating to classification studies and actions, and shall maintain a written class specification for each job class in the classified service describing typical duties and responsibilities of positions in the job class.
- f. The MCSC, in coordination with the City's Affirmative Action Program, shall assign appropriate Federal Job Category (*FJC*) designations to each job class.

Disputes respecting the classification of jobs within any bargaining unit shall be directed to the MCSC for review and final action. No dispute respecting the classification of jobs shall be subject to the grievance/arbitration provisions of this Agreement. In the event, either by law or otherwise, the MCSC loses its legal authority to administer the Employer's job classification system, the provisions of this section shall be null and void and the Parties shall meet and negotiate with one another, at the request of either of them, over an appeal procedure or other job classification dispute resolution process.

Section 9.02 - Pay Progressions

Subd. 1. General

Effective July 1, 2001, all employees shall be hired at the Initial Rate and remain at that step through their first four (4) months of employment. Thereafter, they may be advanced according to the following schedule:

- Months 5 and 6 shall be paid at the Sixth (6th) Month Rate
- Months 7-18 shall be paid at Step One
- Months 19 and beyond shall be paid at Step Two

Effective January 1, 2012, step pay progressions shall be suspended for all employees.

Any increase beyond the sixth (6th) month rate may be withheld or delayed in cases where the employee's job performance has been of a less than satisfactory level in which case the employee shall be notified that the increase is being withheld or delayed and of the specific reasons therefore. All such denials or delays shall be grievable under the provisions of Article 4 (*Settlement of Disputes*) this Agreement. All increases approved pursuant to this section shall be made effective on the work day immediately following the employee's meeting of these eligibility requirements.

Standard wage adjustment, annual adjustments, step adjustments, and longevity adjustments shall be applied the beginning of the pay period nearest the actual day that determines adjustment eligibility.

Section 9.03 - Advances and Transfers

Subd. 1. Advances

The wage of an employee who advances from one classification title to a title paying a higher wage shall be the increment mathematically nearest the wage last received by such employee in the lower classification plus 5%. In determining the wage received in the lower classification, the wage shall be the average base wage in the forty (40) work days immediately prior to the promotion, including all skill based premiums, specifically excluding any shift differentials. The employee shall progress thereafter in accordance with Section 9.02 (*Pay Progression*) of this article. The provision of this subdivision shall also be applicable whenever an employee is detailed to perform or substantially all of the duties of a higher paid classification but they shall not be applicable to the apprenticeship progressions set forth in Appendix "A" of this Agreement. However, in all instances the employee's rate of pay while serving in the detail shall be calculated using his/her permanently certified classification. Apprentice employees shall be compensated at the appropriate step based upon their actual paid service within the meaning of Section 9.02 (*Pay Progression*) of this Agreement and the number of service hours at each apprentice level. An employee who voluntarily demotes to their previous position within twelve (12) calendar months following promotion shall be returned to the same pay step which was applicable immediately prior to the promotion.

Subd. 2. Pay Upon Transfer

When an employee attains a position in another classification which provides for an identical pay progression schedule he/she shall retain the same pay step as was applicable in his/her previous position and the employee shall retain the same anniversary date for future pay increase effective dates.

Subd. 3. Pay Upon Demotion

The salary of an employee who voluntarily demotes after 12 months shall be placed on the salary step on which they would be if they had remained in the position. The salary of an employee who is demoted for disciplinary reasons from one classification to another which provides for a lower maximum salary, shall be the same step which the employee had before the demotion;

however, the employee shall not be placed on a step which provides for a lower salary than the employee had prior to the promotion. Thereafter, the employee shall progress in accordance with Section 9.02 (*Pay Progressions*) of this article.

Section 9.04 - Payrolls and Paydays

All payrolls shall be calculated on a biweekly basis and employees shall normally be paid every other Friday. If the Employer and the employee agree that an employee's regular payroll check is not sufficient to cover said employee's total regular net earned wages and if the agreed shortage is equal to at least one (1) regular day's pay or fifty dollars (\$50.00), whichever is greater, then the Employer will issue a time check to cover the amount of shortage as soon as is practicable.

Section 9.05 - Benefits Calculations and Accruals

For purposes of benefit plan administration, all compensated hours (exclusive of overtime hours and workers' compensation, unemployment compensation or similar insured compensation payments) shall be considered hours worked for all benefit accruals provided for by this Agreement. Benefit accruals shall be based upon a proportionate number of straight time compensated hours only.

ARTICLE 10 **HOURS OF WORK AND OVERTIME**

Section 10.01 -- Work Day and Work Week Defined

Subd. 1. Paid Time Off

To the extent possible, Compensatory Time, Vacation, Holiday and Sick Leave pay shall be paid at the rate of the majority of the hours worked during the year. This shall include the Sick Leave Severance of Article 17.

Subd. 2. Normal Work Day and Work Week Configuration

The normal workday shall be eight (8) hours of work and the normal workweek, regardless of shift arrangements, shall be forty (40) hours of work. Nothing herein shall be construed as a guarantee of hours of work per day or per week. There shall be no split shifts and days off shall be scheduled consecutively when reasonably practicable.

Subd. 3. Departures From the Normal Work Schedule

Should it be necessary for the department to temporarily establish work schedules departing from the normal work schedule, notice of such change shall be given to the employee eight (8) hours in advance when possible.

Section 10.02 - Double-Back Scheduling

No employee shall be deemed to have refused a work offer if the work is to commence within six (6) hours after the employee worked a full shift, provided that this shall not apply in an emergency where all available drivers have been assigned. Furthermore, no employee shall be required to double back for a second shift during the following eight-(8) hour continuous period.

Section 10.03 - Rest Periods

One (1) paid rest period of fifteen (15) minutes duration shall be granted each morning at a time compatible with the state or progress of the job as defined by the foreman. The rest period shall be taken on the work-site unless explicitly permitted otherwise by the foreman with the concurrence of the general foreman.

Section 10.04 - Clean-Up Time

Eligible employees shall be granted up to ten-(10) minutes clean-up time for use in accordance with established departmental rules.

Section 10.05 - Show-Up Time

Employees not otherwise notified, who report for regularly scheduled work at the job site, or at any equipment dispatching site, shall receive two (2) hours of pay. To qualify for such show-up time pay, the employee shall be obligated to remain on the job site until such time as released by the foreman and to work during this time if called upon to do so by the foreman. If required to work into the third hour or any succeeding hour, the employee shall receive pay for the full hour.

Section 10.06 - Overtime Work and Pay

Subd. 1. Overtime Work and Pay

Employees may be required to work a reasonable amount of overtime as assigned by the Employer. All overtime work must be approved in advance. When authorized by departmental policy and approved in advance by an eligible employee's supervisor, compensatory time may be granted to employees in lieu of overtime pay. The overtime pay/compensatory time status codes set forth in Appendix "A" of this Agreement shall be applicable to bargaining unit employees as defined below:

OTC Code 2. Overtime pay or compensatory time shall be granted to employees at the rate of one and one-half (1½) times their regular hourly rate of pay for all time worked in excess of eight (8) hours per day or for all time worked in excess of forty (40) hours per week and at the rate of two (2) times their regular hourly rate of pay for all time worked on the seventh (7th) day of a work week. Compressed workweek arrangements, voluntarily agreed upon by employees and their supervisors, shall be exempt from the daily overtime provisions of this paragraph.

A maximum of fifty six (56) hours of compensatory time may be accumulated unless the City Council has authorized up to one hundred twenty (120) hours for employees assigned to work on a special project basis or has authorized pay for compensatory time on a special project basis when funds are available for such purposes. Compensatory time, when used, must be scheduled and approved in advance in the same manner as the scheduling and approval of vacation under this Agreement.

Subd. 2. No Duplication

There shall be no duplication or pyramiding of overtime and/or premium rates of pay under the provisions of this Agreement. Compensation shall not be paid more than once for the same hours under any provisions of this Agreement.

Subd. 3. Weekend Overtime - Drivers

Drivers shall indicate their desire to work on their off days not less than two (2) days before their off days. Drivers who do not indicate a desire to work on their off days shall not be considered for overtime except as defined below.

During the “construction season” off day overtime (Saturday and/or Sunday) shall be offered first to the crew that experiences the additional work regardless of whether individuals worked within or outside their permanently assigned classification. Thereafter, off day overtime shall be offered in accordance with the protocol posted in the Dispatch Office.

Subd. 4. Inclement Weather Time

The Employer shall allow use of available vacation, sick leave or accumulated compensatory time, at the employee's option, to the full extent of lost compensation caused by work cancellation due to inclement weather.

Subd. 5. Mandatory Meetings

The Employer has the authority to call mandatory meetings. If and when such meetings are called, the Employer will provide compensation at 1 ½ time the employee's base wage if the meeting time causes work time to exceed 40 hours for the work week. The Employer will be sensitive to the needs of employees and attempt to schedule mandatory meetings on work time and provide multiple offerings such that all employees are able to attend without interrupting their off time. Employees will not be required to interrupt approved vacations or approved compensatory time leave and will not be required to attend meetings when legitimately ill.

ARTICLE 11
WORK ASSIGNMENTS

Section 11.01 - Work Assignments: General

To the extent possible and practicable, the Employer shall assign available work to bargaining unit employees in accordance with their relative seniority standing (i.e., senior employees who are not working shall be assigned to available work before junior employees), their established qualifications and the bona fide operational needs of the department. For the purposes of this article, "seniority" shall mean "classification seniority," except for the assignment of employees to premium equipment.

In the case of assignment to premium equipment, "seniority" shall mean the order, "first on the list first assigned", in which employees indicated their desire to be assigned to premium equipment, subject to the demonstration of proficiency. In particular, senior qualified drivers shall have first preference in the following cases:

A. Construction versus maintenance assignments once each year; such choice to be made prior to the start of the construction season.

B. The choice for premium equipment: street sweeper, tractor-trailer, and assignments to the Minneapolis Park and Recreation Board assignments, where practicable. In the event there exists insufficient numbers of employees who have indicated such preference, junior qualified employees may be assigned by the Employer.

Subd. 1. Seniority and Premium List Rosters: The Employer shall post seniority and premium list rosters in the Fleet services Dispatch (FSD) Office. Such rosters shall periodically be updated bi-annually to assure accuracy.

Subd. 2. Permanent Assignment: A driver may be permanently assigned to divisions such as the Water Distribution & Treatment Division in the Department. Such drivers are no longer assigned to the Fleet Services Division (FSD). After a 30-day period, the Driver relinquishes all claims to any premium lists. They have "crew" seniority for work outside of their normal work day/week regarding work related to their normal operations and/or equipment. Such drivers may express an interest in being called for overtime opportunities outside their division and normal work week but will be assigned overtime according to the protocol posted in the Dispatch Office. Permanently assigned drivers may be called upon and must respond for work during Snow Emergencies. Drivers assigned to a "permanent assignment" on or after September 1, 2006 who later return to the Fleet Services Division (FSD) shall retain their FSD Operational Seniority as if they had never left. FSD Operation Seniority is the seniority with the FSD used for the purposes of schedule bidding, assignment of overtime, the scheduling of vacations, and "list tracing.

Subd.3. Long-Term Assignment: A driver may be assigned to divisions according to the terms agreed upon among the division, the employee, and the Fleet Services Division (FSD), with notification provided to the Union. Such drivers maintain their place on all premium lists and may be assigned work within their assigned division according to the qualifications and skills they possess. Overtime opportunities outside of their division and normal work week will be assigned according to the protocol posted in the Dispatch Office.

Subd. 4. Lost Opportunity Pay: This item is to facilitate the assignment of employees to premium equipment and eliminate potential, multiple changes of assignment due to absences. The Employer is not obligated to shift employees to ensure that employees are assigned to the highest valued piece of premium equipment. However, if the next qualified and eligible employee could have been assigned to a higher valued piece of premium equipment based on list seniority, the Employer will pay the higher premium rate to that eligible employee. The eligible employee will stay in the original assignment and operate the equipment originally assigned. The Employer will assign the next eligible employee not assigned to a piece of premium equipment to replace the absent employee. Not more than one (1) employee will receive “Lost Opportunity Pay” for each absence.

Section 11.02 - Disparate Treatment Prohibited

Under all of the applicable circumstances, patterns of disparate treatment in making work assignments shall be prohibited. For purposes of this section, the term *disparate treatment* shall be construed to mean a pattern of work assignments made with respect to an employee that is markedly distinct in quality or character from the work assignments made with respect to other similarly situated employees. Further, changing an employee's normal work assignment for the sole purpose of providing such employee with additional overtime work shall specifically be prohibited.

Section 11.03 - Temporary Delays and Termination of Work Assignments

If work is not available on projects to which employees have been assigned because of equipment breakdowns, weather or project site conditions, other temporary delays or because of the completion of work projects, employees may be released from work without further pay on the day such event occurs. Provided, however, that the show-up time and pay guarantees provided for elsewhere in this Agreement shall apply. Employees, at their option, shall be permitted the use of available vacation, sick leave or compensatory time to the full extent of the lost compensation due to such temporary delays and work reassignments. Thereafter, employees shall be assigned to work in accordance with the provisions of Section 11.01 of this article.

Section 11.04 - Permanent, Year-Round Work Assignments

Notwithstanding the provisions of Section 11.01 of this article, opportunities for permanent assignment to vacant year-round bargaining unit positions shall be offered to bargaining unit employees on a qualifications and seniority basis. Such work assignments include the sanitation division, the water division, maintenance truck driver positions, health department drivers, shop drivers, field service tanker drivers, bridge maintenance drivers and sewer maintenance load lugger drivers which operate on a year-round basis.

Section 11.05 - Employer Prerogatives

No provision of this article shall be construed to be a violation of the layoff and recall from layoff provisions of this Agreement or a limitation on the prerogatives of the Employer identified below

which shall be within the Employer's sole discretion and which shall not be subject to the grievance and arbitration provisions of this Agreement.

- a. To determine the work which shall be performed;
- b. To determine which equipment shall be assigned to work projects and sites;
- c. To schedule the hours of the Employer's operation;
- d. To determine the reasonable, job-related qualifications of employees to perform the work required by any of the available work assignments in an acceptable manner and to operate equipment for which an hourly premium is paid;
- e. To depart from the provisions of this article in emergency situations.

Section 11.06 - Catastrophic Events, Disasters, and Emergencies

In the event of a major disaster or catastrophe (not Snow Emergencies as defined by City Ordinance), assignment protocol is suspended; employees work as assigned without regard to seniority. Overtime shall be paid after forty (40) hours at one-and-one-half (1 ½) times their hourly rate and double time after 48 hours of work.

ARTICLE 12 **VACATIONS**

Section 12.01 - Vacations With Pay

Employees in the classified service of the City shall be entitled to vacations with pay in accordance with the provisions of this article.

Section 12.02 - Eligibility: Full-Time Employees

Vacations with pay shall be granted to permanently certified employees who work one-half (½) time or more and who have completed six (6) months of continuous service. Vacation time will be determined on the basis of continuous years of service, including time in an unclassified position immediately preceding appointment or reappointment to a classified position. For purposes of this article, *continuous years of service* shall be determined in accordance with the following:

Subd. 1. Credit During Authorized Leaves of Absence

Time on authorized leave of absence without pay, except to serve in an unclassified position, shall not be credited toward years of service, but neither shall it be considered to interrupt the periods of employment before and after leave of absence, provided an employee has accepted employment to the first available position upon expiration of the authorized leave of absence.

Subd. 2. Credit During Involuntary Layoffs

Employees who have been involuntarily laid off shall be considered to have been continuously employed if they accept employment to the first available position. Any absence of twelve (12) consecutive months will not be counted toward years of service for vacation entitlement.

Subd. 3. Credit During Periods on Disability Pension

Upon return to work, employees shall be credited for time served on workers' compensation (for those employees returning to active employment after January 1, 1995) or disability pension as the result of disability incurred on the job. Such time shall be used for the purpose of determining the amount of vacation to which they are entitled each year thereafter.

Subd. 4. Credit During Military Leaves of Absence

Employees returning from approved military leaves of absence shall be entitled to vacation credit as provided in applicable Minnesota statutes.

Section 12.03 - Eligibility: Intermittent and Part-Time Employees

Permanent employees on an intermittent or part-time basis who have worked continuously for six (6) months or more on such basis shall also be granted vacations with pay in direct proportion to the time actually employed. In no event, however, shall employees receive vacation pay greater than what their earnings would have been during such period had they been working.

Section 12.04 - Vacation Benefit Levels

Eligible employees shall earn vacations with pay in accordance with the following schedule:

Years of City Service	Vacation Days
1 - 4	12 days
5 - 7	15 days

Section 12.05 - Vacation Accruals and Calculation

The following shall be applicable to the accrual and usage of accrued vacation benefits:

Subd. 1. Accruals and Maximum Accruals

Vacation benefits shall be calculated on a direct proportion basis for all hours of credited work other than overtime and without regard to the calendar year. Benefits may be cumulative up to and including fifty (50) days. Accrued benefits in excess of fifty (50) days shall not be recorded and shall be considered lost subject to the following:

- a. The employer shall inform and work with employees approaching their vacation benefit maximum accrual limit.
- b. If the employee has requested the use of vacation in writing, the employer shall approve or deny any written request in writing, and
- c. If the employer has denied or not approved the use of vacation in writing, then
- d. The employee shall be entitled, upon request, to have his/her bi-weekly accrual of vacation that would exceed the 400 hour accrual limit, to a maximum of 40 hours, converted to compensatory time, subject to the approval of the Division Director.

Subd. 2. Negative Accruals Permitted

Employees certified to permanent positions prior to January 1, 1973 shall be allowed to accrue a negative balance in their vacation account. Such amount shall not exceed the anticipated earnings for the immediately succeeding twelve-(12) month period. The anniversary date for increase in such employee's vacation allowance shall be January 1, of the year in which the employee's benefit level is changed. Employees separating from the service will be required to refund vacation used in excess of accrual at the time of separation, if any.

Subd. 3. Negative Accruals Prohibited

Employees hired after January 1, 1973, shall be authorized to utilize only vacation benefits actually accrued to the date of their return from vacation. The anniversary date for increase in such employee's vacation allowance shall be the beginning of the work day immediately following the completion of the appropriate number of years of continuous service.

Subd. 4. Vacation Usage and Charges Against Accruals

Vacation shall begin on the first working day an employee is absent from duty. When said vacation includes a holiday, the holiday will not be considered as one of the vacation days.

Section 12.06 - Vacation Pay Rates

Subd. 1. Normal

The rate of pay for vacations shall be the rate of pay employees would receive had they been working at the position to which they have been permanently certified, except as provided in Subd. 2, below.

Subd. 2. Detailed (Working Out of Class) Employees

Employees on *detail* (working out of class) for a period of less than thirty (30) calendar days immediately prior to vacation will be paid upon the basis of the position to which they have been permanently certified. Employees on detail for more than thirty (30) calendar days immediately prior to vacation will be paid upon the basis of the position to which they have been detailed.

Section 12.07 - Scheduling Vacations

Vacations are to be scheduled in advance and taken at such reasonable times as approved by the employee's department with particular regard to the needs of the Employer, seniority of employee, and, insofar as practicable, with regard to the wishes of the employee. No vacation shall be assigned by the Employer or deducted from the employee's account as disciplinary action.

All vacations shall be bid by seniority by April 1st of each year. Written approval or denial shall be given within 30 days or the vacation is considered approved.

Section 12.08 – Vacation Pay Upon Retirement

Effective December 15, 2008 the value of any vacation balance due upon separation at retirement shall be deposited into the employees Post Retirement Health Care Savings Plan, as established in Minn. Stat. §352.98 as administered by the Minnesota State Retirement System.

ARTICLE 13

Section 13.01 - Holidays With Pay

Employees in the classified service of the City shall be entitled to holidays with pay in accordance with the provisions of this article.

Section 13.02 - Eligibility and Pay

Subd. 1. Eligibility

Employees shall be permitted the use of vacation benefits for one (1) of the days of work or paid leave which are necessary to establish holiday pay eligibility.

Subd. 2. Holiday Pay and Rate

Employees eligible to receive holiday pay as outlined in this article shall be paid eight (8) hours pay calculated at their regular, straight-time, base rate of pay or, if such employee regularly works less than forty (40) hours per week, such holiday pay shall be pro-rated.

Subd. 3. Holidays During Vacation and Sick Leave

Holidays which occur within an employees' approved vacation or sick leave period shall be paid as holidays only and shall not be charged as vacations or sick leave.

Section 13.03 - Holidays Defined

Subd. 1. Schedule of Holidays

The following named days shall be considered *holidays* for purposes of this article:

New Year's Day
Martin Luther King Day
President's Day
Memorial Day
Independence Day
Labor Day

Christmas Day

Subd. 2. Holidays Occurring on Weekends

When a day recognized by this Agreement as a holiday falls on a Sunday, the following Monday shall be considered to be the holiday. When a day recognized by this Agreement as a holiday falls on a Saturday, the preceding Friday shall be considered to be the holiday.

Section 13.04 - Holidays Worked

Employees who are eligible for holiday pay and who are compensated for overtime work at one and one-half (1½) times their hourly base rate of pay, shall be paid one and one-half (1½) times their hourly base rate of pay for each hour worked on a holiday in addition to the holiday pay for which they are entitled. All other employees who are required to work on a holiday shall be granted compensatory time off at a time mutually agreed upon between involved employees and their supervisors.

Section 13.05 - Religious Holidays

Employees may observe religious holidays on days which do not fall on Sunday or on a holiday as defined in Section 13.03, Subd. 1, above. Observance of such religious holiday shall be taken as leave without pay, except where the employee has accumulated vacation, in which case vacation benefits may, at the employee's option, be used. Such days off shall be taken off without pay unless 1) the employee has accumulated vacation benefits available in which case the employee shall be

required to take such days off as vacation, or 2) the employee obtains supervisory approval to work an equivalent number of hours (at straight-time rates of pay) at some other time during the calendar year. The Employer may waive this ten-(10) calendar day requirement if the Employer determines that absence of such employee will not substantially interfere with the department's function.

ARTICLE 14
LEAVES OF ABSENCE WITHOUT PAY

Section 14.01 - Leaves of Absence Without Pay

Leaves of absence without pay may be granted to permanent employees when authorized by state statute or by the Employer pursuant to the provisions of this article upon written application to the employee's immediate supervisor or his/her designated representative. Except for emergency situations, leaves must be approved in writing by the Employer prior to commencement.

Section 14.02 - Leaves of Absence Governed by State Statute

The following leaves of absence without pay may be granted as authorized by applicable Minnesota statutes:

Subd. 1. Military Leave

Employees in the classified service shall be entitled to military leaves of absence without pay for duty in the regular Armed Forces of the United States, the National Guard or the Reserves. At the expiration of such leaves, such employees shall be entitled to their position or a comparable position and shall receive other benefits in accordance with applicable Minnesota statutes. (See also, *Military Leaves With Pay* at Article 15, Section 15.04 of this Agreement.)

Subd. 2. Appointive and Elective Office Leave

Leaves of absence without pay to serve in an appointive-unclassified City position or as a Minnesota state legislator or full-time elective officer in a city or county of Minnesota shall be granted pursuant to applicable Minnesota statutes.

Subd. 3. Union Leave

Leaves of absence without pay to serve in an elective or appointive position in the Union shall be granted pursuant to applicable Minnesota statutes.

Subd. 4. School Conference and Activities Leave

Leaves of absence without pay of up to a total of sixteen (16) hours during any twelve (12) month period for the purpose of attending school, pre-school or child care provider conferences and classroom activities of the employee's child, provided that such conferences and classroom activities cannot be scheduled during non-work hours. When the need for the leave is foreseeable, the employee shall provide reasonable prior notice of the leave to their immediate supervisor and shall make a reasonable effort to schedule the leave so as not to disrupt the operations of the Employer. Employees may use accumulated vacation benefits or accumulated compensatory time for the duration of such leaves.

Subd. 5. Family and Medical Leaves

a. General. Pursuant to the provisions of the federal *Family and Medical Leave Act of 1993* and the regulations promulgated there under which shall govern employee rights and obligations as to family and medical leaves, wherever they may conflict with the provisions of this subdivision, leaves of absence without pay of up to twelve (12) weeks in any twelve (12) months will be granted to eligible employees who request them for the following reasons:

- i. for purposes associated with the birth or adoption of a child or the placement of a child with the employee for foster care,
- ii. when they are unable to perform the functions of their positions because of temporary sickness or disability, and/or
- iii. when they must care for their parent, spouse, *registered domestic partner* within the meaning of Minneapolis *Code of Ordinances* Chapter 142, child, or other dependents and/or members of their households who have a serious medical condition.

b. Eligibility - Employees are eligible for family and medical leaves if they have accumulated at least twelve (12) months employment service preceding the request for the leave and they must have worked at least one thousand forty-four (1,044) hours during the twelve (12) month period immediately preceding the leave. Eligible spouses or registered domestic partners who both work for the Employer will be granted a combined twelve (12) weeks of leave in any twelve (12) months when such leaves are for the purposes referenced in clauses (i) and (iii) above.

c. Notice Required - Employees must give thirty (30) calendar days notice of the need for the leave if the need is foreseeable. If the need for the leave is not foreseeable, notice must be given as soon as it is practicable to do so. Employees must confirm their verbal notices for family and medical leaves in writing. Notification requirements may be waived by the Employer for good cause shown.

d. Intermittent Leave - If medically necessary due to the serious medical condition of the employee, or that of the employee's spouse, child, parent, *registered domestic partner* within the meaning of Minneapolis *Code of Ordinances* Chapter 142, or other dependents and/or members of their households who have a serious medical condition, leave may be taken on an intermittent schedule. In cases of the birth, adoption or foster placement of a child, family and medical leave may be taken intermittently only when expressly approved by the Employer.

e. Medical Certification. The Employer may require certification from an attending health care provider on a form it provides. The Employer may also request second medical opinions provided it pays the full cost required.

f. Relationship Between Leave and Accrued Paid Leave - Employees may use accrued vacation, sick leave or compensatory time while on leave. The employee may elect to substitute any

accrued paid leave during an approved FMLA leave. The use of such benefits will not affect the maximum allowable duration of approved medical leave.

g. **Reinstatement** - Upon the expiration of family and medical leaves, employees will be returned to an equivalent position within their former job classification. Additional leaves of absence without pay described elsewhere in this Agreement may be granted by the Employer within its reasonable discretion, but reinstatement after any additional leave of absence without pay which may have been granted by the Employer in conjunction with family and medical leaves, is subject to the limitations set forth in Section 14.03 (*Leaves of Absence Governed by this Agreement*) of the Agreement.

Section 14.03 - Leaves of Absence Governed by this Agreement

Employees may be granted leaves of absence for reasonable periods of time provided the requests for such leaves are consistent with the provisions of this section. Employees on leave in excess of six (6) months will, at the expiration of the leave, be placed on an appropriate layoff list for their classification if no vacancies exist in their classification. Employees on leave of less than six (6) months will, at the expiration of the leave, return to their departments in positions within their classification. Leaves of absence under this section may be granted for the following purposes:

Subd. 1. Temporary illness or disability properly verified by medical authority;

Subd. 2. To serve in an unclassified City position not covered by state statute;

Subd. 3. Education that benefits the employee to seek advancement opportunities or carry out job-related duties more effectively;

Subd. 4. To serve temporarily in a position with another public employer where such employment is deemed by the Employer to be in the best interests of the City;

Subd. 5. To become a candidate in a general election for public office. A leave of absence without pay commencing thirty (30) calendar days prior to the election is required, unless exempted by the Employer;

Subd. 6. For personal convenience not in increments of one (1) week or more not to exceed twelve (12) calendar months;

Subd. 7. A leave of absence without pay of ninety (90) calendar days per calendar year or less if approved by the Employer for the purpose of reducing the Employer's operating budget. Such employees shall be credited with seniority, vacation, group health/life insurance benefits and sick leave benefits as if they had actually worked the hours. Employees are eligible for such leaves whether or not they have accumulated vacation or compensatory time benefits available at the time such leaves are requested or taken.

ARTICLE 15

A leave of absence with pay shall be granted in the event an employee in the classified service suffers a death in his/her immediate family in accordance with the following:

Subd. 1. Three (3) Day Leaves

A leave of absence of three (3) working days shall be granted at the time of death of an employee's parent, stepparent, spouse, *registered domestic partner* within the meaning of Minneapolis *Code of Ordinances* Chapter 142, child, stepchild, brother, sister, stepbrother or stepsister, father-in-law, mother-in-law, son-in-law, daughter-in-law, great or grandparent, grandchild, or members of the employee's household. For purposes of this subdivision, the terms father-in-law and mother-in-law shall be construed to include the father and mother of an employee's domestic partner.

Additional time off without pay, or vacation, if available and requested in advance, shall be granted as may reasonably be required under individual demonstrated circumstances.

Section 15.03 - Jury Duty and Court Witness Leave

After due notice to the Employer, employees subpoenaed to serve as a witness or called for jury duty, shall be paid their regular compensation at their current base rate of pay for the period the court duty requires their absence from work duty, plus any expenses paid by the court. Such employees, so compensated, shall not be eligible to retain jury duty pay or witness fees and shall turn any such pay or fees received over to the Employer. If an employee is excused from jury duty prior to the end of the normal workday, he/she shall return to work if reasonably practicable or make arrangements for a leave of absence without pay. For purposes of this section, such employees shall be considered to be working normal day shift hours for the duration of their jury duty leave. Any absence, whether voluntary or by legal order to appear or testify in private litigation, not in the status of an employee but as a plaintiff or defendant, shall not qualify for leave under this section. Such absences shall be charged against accumulated vacation, compensatory time or be without pay.

Section 15.04 - Military Leave

Pursuant to applicable Minnesota statutes, employees who are qualified under the statute are entitled to leaves of absence with pay during periods not to exceed fifteen (15) working days in any calendar year to fulfill service obligations.

Section 15.05 - Olympic Competition Leave

Pursuant to applicable Minnesota statutes, employees are entitled to leaves of absence with pay to engage in athletic competition as a qualified member of the United States team for athletic competition on the Olympic level, provided that the period of such paid leave will not exceed the period of the official training camp and competition combined or ninety (90) calendar days per year, whichever is less.

Section 15.06 - Bone Marrow Donor Leave

Pursuant to applicable Minnesota statutes, employees who work twenty (20) or more hours per week shall, upon advance notification to their immediate supervisor and approval by the Employer, be granted a paid leave of absence at the time they undergo medical procedures to donate bone marrow. At the time such employees request the leave, they shall provide to their immediate supervisor written verification by a physician of the purpose and length of the required leave. The combined length of leaves for this purpose may not exceed forty (40) hours unless agreed to by the Employer in its sole discretion.

Section 15.07 - Return from Leaves of Absence With Pay

When employees are granted leaves of absence with pay under the provisions of this article, such employees, at the expiration of such leaves, shall be restored to their position.

ARTICLE 16
SICK LEAVE

Section 16.01 - Sick Leave

Employees in the classified service of the City who regularly work more than twenty (20) hours per week shall be entitled to leaves of absence with pay, for actual, bona fide illness, temporary physical disability, or illness in the immediate family, or quarantine. Such leaves shall be granted in accordance with the provisions of this article.

Section 16.02 - Definitions

The term *illness*, where it occurs in this article, shall include bodily disease or injury or mental affliction, whether or not a precise diagnosis is available, when such disease or affliction is, in fact, disabling. Other factors defining sick leave are as follows:

Subd. 1. Ocular and Dental

Necessary ocular and dental care of the employee shall be recognized as a proper cause for granting sick leave.

Subd. 2. Chemical Dependency

Alcoholism and drug addiction shall be recognized as an illness. However, sick leave pay for treatment of such illness shall be contingent upon two conditions: 1) the employee must undergo a prescribed period of hospitalization or institutionalization, and 2) the employee, during or following the above care, must participate in a planned program of treatment and rehabilitation approved by the Employer in consultation with the City's health care provider.

Subd. 3. Chiropractic and Podiatrist Care

Absences during which ailments were treated by chiropractors or podiatrists shall constitute sick leave.

Subd. 4. Illness or Injury in the Immediate Family

Employees may utilize accumulated sick leave benefits for reasonable periods of time when their absence from work is made necessary by the illness or injury of their dependent child and up to three (3) days per calendar year when their absence from work is made necessary by the illness or injury of their spouse, *registered domestic partner* within the meaning of *Minneapolis Code or Ordinances* Chapter 142, parents, dependents other than their children and/or members of their household. The utilization of sick leave benefits under the provisions of this subparagraph shall be administered under the same terms as if such benefits were utilized in connection with the employee's own illness or injury. Additional time off without pay, or vacation, if available and requested in advance, shall be granted as may reasonably be required under individual demonstrated circumstances. Nothing in this subdivision limits the rights of employees under the provisions of Section 14.02, Subd. 5 (*Family and Medical Leaves*) of this Agreement.

Section 16.03 - Eligibility, Accrual and Calculation of Sick Leave

If permanently certified employees who have completed six (6) months of continuous service and who regularly work more than twenty (20) hours per week, are absent due to illness, such absences shall be charged against their accumulated accrual of sick leave. Sick leave pay benefits shall be accrued by eligible employees at the rate of twelve (12) days per calendar year worked and shall be calculated on a direct proportion basis for all hours of credited work time other than overtime.

Section 16.04 - Sick Leave Bank - Accrual

All earned sick leave shall be credited to the employee's sick leave *bank* for use as needed. Twelve (12) days of medically unverified sick leave may be allowed each calendar year. However, the Employer may require medical verification in cases of suspected fraudulent sick leave claims, including where the employee's use of sick leave appears systematic or patterned. Five (5) or more consecutive days of sick leave shall require an appropriate health care provider in attendance and verification of such attendance. The term *in attendance* shall include telephonically prescribed courses of treatment by a physician which are confirmed by a prescription or a written statement issued by the physician.

Section 16.05 - Interrupted Sick Leave

Permanently certified employees with six (6) months of continuous service who have been certified or re-certified to a permanent position shall, after layoff or disability retirement, be granted sick leave accruals consistent with the provisions of this article. Employees returning from military leave shall be entitled to sick leave accruals as provided by applicable Minnesota statutes.

Section 16.06 - Sick Leave Termination

No sick leave shall be granted an employee who is not on the active payroll or who is not available for scheduled work. Layoff of an employee on sick leave shall terminate the employee's sick leave.

Section 16.07 - Employees on Suspension

Employees who have been suspended for disciplinary purposes shall not be granted sick leave accruals or benefits for such period(s) of suspension.

Section 16.08 - Employees on Leave of Absence Without Pay

An employee who has been granted a leave of absence without pay, except a military leave, shall not be granted sick leave accruals or benefits for such periods of leave of absence without pay.

Section 16.09 - Workers' Compensation and Sick Leave

Employees in the classified service shall have the option of using available sick leave accruals, vacation accruals, or of receiving workers' compensation (if qualified under the provisions of the *Minnesota Workers' Compensation Statute*) where sickness or injury was incurred in the line of duty. If sick leave or vacation is used, payments of full salary shall include the workers' compensation to which the employees are entitled under the applicable statute, and the employees shall receipt for such compensation payments. If sick leave or vacation is used, the employees' sick leave or vacation credits shall be charged only for the number of days represented by the amount paid to them in excess of the workers' compensation payments to which they are entitled under the applicable Statute. If an employee is required to reimburse the Employer for the compensation payments thus received, by reason of the employee's settlement with a third party, his/her sick leave or vacation will be reinstated for the number of days which the reimbursement equals in terms of salary. In calculating the number of days, periods of one-half (½) day or more shall be considered as one (1) day and periods of less than one-half (½) day shall be disregarded.

Section 16.10 - Notification Required

Employees shall be required to notify their immediate supervisor as soon as possible of any occurrence within the scope of this article which prevents work. If the Employer has provided pre-work shift contact arrangements, employees shall be required to provide such notification no later than one (1) hour before the start of the work shift. If no such arrangements have been made, employees shall be required to provide such notification as soon as possible but in no event later than one-half (½) hour after the start of the shift.

ANNUAL SICK LEAVE CREDIT PLAN & ACCRUED SICK LEAVE RETIREMENT
PAY

Section 17.01 – Annual Sick Leave Credit Plan

An employee who satisfies the eligibility requirements of this Section, shall be entitled to make an election to receive payment for sick leave under the terms and conditions set forth below.

- (a) **Eligibility.** An employee who has an accumulation of sick leave of sixty (60) days or more on December 1 of each year (hereafter an “Eligible Employee”) shall be eligible to make the election described below.

- (b) **Election.** On or before December 10 of each year, the Employer shall provide to each Eligible Employee a written election form on which the Eligible Employee may elect whether he/she wants to receive cash payment for all or any portion of his/her sick leave that will be accrued during the calendar year immediately following the election (the “Accrual Year”). The employee shall deliver the election form to the Employer on or before December 31. Such election is irrevocable. Therefore, once an Eligible Employee transmits his/her election form to the Employer, the employee may not revoke the decision to receive cash payment for sick leave or change the amount of sick leave for which payment is to be made. If an Eligible Employee does not transmit an election form to the employer on or before December 31, he/she shall be considered to have directed the Employer to NOT make a cash payment for sick leave accrued during the Accrual Year.

- (c) **Payment.** Within sixty (60) days after the end of the Accrual Year, an Eligible Employee who has elected to receive cash payment shall be paid as follows:
 - i. *At Least Sixty (60) Days, But Less Than Ninety (90) Days.* Payment shall be made for the amount of sick leave accrued during the Accrual Year up to the amount indicated by the employee on his/her election form. The amount of the payment shall be based on fifty percent (50%) of the employee’s regular hourly rate of pay in effect on December 31 of the Accrual Year.
 - ii. *At Least Ninety (90) Days, But Less Than One Hundred Twenty (120) Days.* Payment shall be made for the amount of sick leave accrued during the accrual year up to the amount indicated by the employee on his/her election form. The amount of the payment shall be based on seventy-five percent

(75%) of the employee's regular hourly rate of pay in effect on December 31 of the Accrual Year.

- iii. *At Least One Hundred Twenty (120) Days.* Payment shall be made for the amount of sick leave accrued during the accrual year up to the amount indicated by the employee on his/her election form. The amount of the payment shall be based on one hundred percent (100%) of the employee's regular hourly rate of pay in effect on December 31 of the Accrual Year.
- (d) Adjustment of Sick Leave Bank. The number of hours for which payment is made shall be deducted from the Eligible Employee's sick leave bank at the time payment is made.
- (e) Deferred Compensation. Employees, at their sole option, may authorize and direct the Employer to deposit sick leave credit pay under paragraph (c) to a deferred compensation plan or other tax qualified plan administered by the Employer provided such option is exercised at the same annual time as regular changes in deferred compensation payroll deductions are normally permitted.

Section 17.02 – Accrued Sick Leave Retirement Plan

Employees who retire from positions in the qualified service and who meet the requirements set forth in this Article shall be paid in the manner and amount set forth herein.

- (a) Payment for accrued but unused sick leave shall be made only to retired former employees who:
 - i. have separated from service; and
 - ii. as of the date of retirement had accrued sick leave credit of no less than sixty (60) days; and
 - iii. as of the date of retirement had:
 - 1. no less than twenty (20) years of qualified service as computed for retirement purposes, or
 - 2. who have reached sixty years of age, or
 - 3. who are required to retire early because of either disability or having reached mandatory retirement age.
- (b) When an employee having no less than sixty (60) days of accrued sick leave dies prior to retirement, he/she shall be deemed to have retired because of disability at the time of death, and payment for his/her accrued sick leave shall be paid to the designated beneficiary as provided in this

Section.

- (c) The amount payable to each employee qualified hereunder shall be one-half (1/2) the daily rate of pay for the position held by the employee on the day of retirement, notwithstanding subsequent retroactive pay increases, for each day of accrued sick leave subject to a minimum of sixty (60) days.
- (d) Effective April 14, 2003 and thereafter, 100% of the amount payable under this Section shall be deposited into the Health Care Savings Account (MSRS). This deposit shall occur within thirty (30) days of the date of retirement.
- (e) If an employee entitled to payment under this Section dies prior to receiving the full amount of such benefit, the payment shall be made to the beneficiary entitled to the proceeds of his or her Minneapolis group life insurance policy or to the employee's estate if no beneficiary is listed.

Operating City equipment without a valid CDL when applicable shall constitute reason for termination.

Valid means a license recognized current and in force giving the holder driving privileges by the State of Minnesota. For the purpose of this Agreement, “loss of license” shall mean the absence of or not having a valid CDL for any reason, including the failure to timely renew. The procedures below apply to loss of a CDL while in the employment of the City of Minneapolis. Final determination of license status shall be determined by the Minnesota Department of Public Safety. Unless specifically defined, “days” shall mean “calendar days”.

- (e) If the employee is not able to regain his/her CDL within forty-five (45) days, the employee will be assigned work not requiring a CDL at the sole discretion of the Employer. Such assignment will not result in "bumping", and the assigned employee will be paid at the appropriate rate for the title in which he/she is assigned. If no such work assignment is available, the employee will be placed on unpaid administrative leave for up to one hundred twenty (120) days from the date of the loss of the CDL or until the employee regains his/her CDL, whichever is less.
- (f) If the employee regains his/her CDL within one hundred twenty (120) days from the date of the loss of the CDL, the employee shall be returned in the job classification title from which he/she was relieved with no loss of seniority rights.

- (d) If the employee is able to regain his/her license within one hundred twenty (120) days the employee will be allowed to resume previous work assignments as needed by the Employer.
- (e) If the employee is unable to regain his/her CDL within the one hundred (120) days, the employee shall be placed on “medical” layoff and eligible to be recalled to a vacant position in the classification title from which he/she was laid off for a period not to exceed three (3) years from the date of the loss of license.

Subd. 3. Second Loss of CDL

Any employee losing his/her license for a second time may be subject to termination. When considering whether to terminate, the Employer shall consider the following:

- (a) The employee’s work record, length of employment, performance,
- (b) The reason for the loss of license, and
- (c) The likely duration of the loss of license

The decision to terminate or identify additional options shall be solely at the discretion of the Employer. Any decision to terminate for a second loss of license shall not be subject to the grievance/arbitration process.

Section 21.07 - Worker's Compensation

Bargaining unit employees who sustain injuries or who contract illnesses, the causes of which are attributable to their employment with the Employer, shall be entitled to compensation and related benefits as provided by the Minnesota workers' compensation law.

ARTICLE 22

The main functions shall be to: confer on all matters of mutual concern including health, safety and working conditions; keep both parties to this contract informed of changes and/or developments caused by conditions other than those covered by this contract; confer over potential problems in an effort to keep such matters from becoming major in scope; and provide a forum for solving problems of the organization.

The LMC shall receive training from the bureau of mediation services, as well as other labor/management training services. The training shall assist the LMC in developing and maintaining a citywide focus in developing an appropriate problem-solving climate.

The LMC shall meet regularly, but no less than once a month, develop its own agenda, and be alternately chaired by representatives of the union and the employer.

ARTICLE 23 **PRODUCTIVITY**

The Union and the Employer recognize that delivery of essential municipal service in the most efficient and effective manner is of paramount importance and interest to all parties. Maximized productivity is recognized to be a mutual obligation of both the Union and the Employer within their respective roles and responsibilities. The Parties agree to meet at mutually convenient times to discuss means of increasing departmental productivity.

ARTICLE 24 **SUBCONTRACTING AND PRIVATIZATION**

The Employer shall provide the Union with sixty (60) days written notice prior to the effective date of any subcontract or privatization agreement which may cause bargaining unit employees then employed to be laid off or terminated. At the request of the Union, the Parties shall meet and negotiate in an effort to minimize the adverse effects of the Employer's decision upon affected bargaining unit employees.

ARTICLE 25 **COLLECTIVE BARGAINING**

Section 25.01 - Entire Agreement

The Parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter

not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the Parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the duration of this Agreement, each waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to, or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the Parties at the time they negotiated or signed this Agreement. This Agreement may, however, be amended during its term by the Parties mutual written agreement.

Section 25.02 - Separability and Savings

In the event any provision of this Agreement is found to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided therefore, such provision shall be voided. All other provisions, however, shall continue in full force and effect.

ARTICLE 26
TERM OF AGREEMENT

Section 26.01 - Term of Agreement and Renewal

The provisions of this Agreement shall become effective on January 1, 2011 and shall remain in full force and effect through December 31, 2012. It shall be automatically renewed from year to year thereafter unless either party shall notify the other in writing no later than ninety (90) calendar days prior to the expiration of this Agreement that it desires to modify or terminate the Agreement. In the event such notice is given, negotiations shall commence on a mutually agreeable date.

Should a bargaining unit, with the exception of units subject to Interest Arbitration and units that traditionally have their wages determined by the application of a formula to comparable outside groups, be granted a general wage adjustment in excess of 2%, this bargaining unit shall also be granted a comparable wage adjustment. A further exception shall be the exclusion of any surgically applied wage adjustment for market competitiveness.

Section 26.02 - Post-Expiration Life of Agreement

This Agreement shall remain in full force and effect during the full period of negotiations for a successor Agreement and unless or until notice of termination is provided to the other Party in the manner set forth in the following section.

Section 26.03 - Termination

In the event that a successor Agreement has not been agreed upon by the expiration date set forth above, either Party may terminate this Agreement by serving written notice upon the other Party not less than ten (10) calendar days prior to the desired termination date provided the mediation provisions of the Minnesota *Public Employment Labor Relations Act* have been met.

LETTER OF AGREEMENT REASONABLE SUSPICION DRUG AND ALCOHOL TESTING

PURPOSE STATEMENT - Abuse of drugs and alcohol is a nationwide problem. It affects persons of every age, race, sex and ethnic group. It poses risks to the health and safety of employees of the City of Minneapolis and to the public. To reduce those risks, the City has adopted this LOA concerning drugs and alcohol in the workplace. This LOA establishes standards concerning drugs and alcohol which all employees must meet and it establishes a testing procedure to ensure that those standards are met.

This drug and alcohol testing LOA is intended to conform to the provisions of the Minnesota Drug and Alcohol Testing in the Workplace Act (Minnesota Statutes §181.950 through 181.957), as well as the requirements of the federal Drug-Free Workplace Act of 1988 (Public Law 100-690, Title V, Subtitle D) and related federal regulations. Nothing in this LOA shall be construed as a limitation upon the Employer's obligation to comply with federal law and regulations regarding drug and alcohol testing.

The Human Resources Director is directed to develop and maintain procedures for the implementation and ongoing maintenance of this LOA and to establish training on this LOA and applicable law.

WORK RULES

No employee shall be under the influence of any drug or alcohol while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery, or equipment, except pursuant to a legitimate medical reason or when approved by the Employer as a proper law enforcement activity.

No employee shall use, possess, sell or transfer drugs, alcohol or drug paraphernalia while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery or equipment, except pursuant to a legitimate medical reason, as determined by the Medical Review Officer, or when approved by the Employer as a proper law enforcement activity.

No employee, while on duty, shall engage or attempt to engage or conspire to engage in conduct which would violate any law or ordinance concerning drugs or alcohol, regardless of whether a criminal conviction results from the conduct.

As a condition of employment, no employee shall engage in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the Employer's workplace.

As a condition of employment, every employee must notify the Employer of any criminal drug statute conviction no later than five (5) days after such conviction.

Any employee who receives a criminal drug statute conviction, if not discharged from employment, must within thirty (30) days satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency.

The Employer shall notify the granting agency within ten (10) days after receiving notice of a criminal drug statute conviction from an employee or otherwise receiving actual notice of such conviction.

PERSONS SUBJECT TO TESTING

Unless otherwise specified, all employees are subject to testing under applicable sections of this LOA. However, no person will be tested for drugs or alcohol under this LOA without the person's consent. The Employer can request or require an individual to undergo drug or alcohol testing only under the circumstances described in this LOA.

CIRCUMSTANCES FOR DRUG OR ALCOHOL TESTING

A. Reasonable Suspicion Testing. The Employer may, but does not have a legal duty to, request or require an employee to undergo drug and alcohol testing if the Employer or any supervisor of the employee has a reasonable suspicion (a belief based on specific facts and rational inferences drawn from those facts) related to the performance of the job that the employee:

Is under the influence of drugs or alcohol while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery, or equipment; or

Has used, possessed, sold, purchased or transferred drugs, alcohol or drug paraphernalia while the employee was working or while the employee was on the Employer's premises or operating the Employer's vehicle, machinery or equipment; or

Has sustained a personal injury as that term is defined in Minnesota Statutes §176.011, Subd. 16, or has caused another person to die or sustain a personal injury; or

Was operating or helping to operate machinery, equipment, or vehicles involved in a work-related accident resulting in property damage or personal injury and the Employer or investigating supervisor has a reasonable suspicion that the cause of the accident may be related to the use of drugs or alcohol.

Whenever it is possible and practical to do so, more than one Agent of the Employer shall be involved in reasonable suspicion determinations under this LOA.

Treatment Program Testing – The employer may request or require an employee to submit to drug and alcohol testing if the employee is referred for chemical dependency treatment by reason of having a positive test result under this LOA or is participating in a chemical dependency treatment program under an employee benefit plan. In such case, the employee may be required to submit to drug or alcohol testing without prior notice during the evaluation or treatment period and for a period of up to two years following notification that he/she will be subjected to Treatment Program Testing.

Unannounced Testing by Agreement. The employer may request or require an employee to submit to drug and alcohol testing without prior notice on terms and conditions established by a written “last-chance” agreement between the Employer and employee’s collective bargaining representative.

Testing Pursuant to Federal Law. The employer may request or require an employee to submit to testing as may be necessary to comply with federal law and regulations. It is the intent of this LOA that federal law preempts both state drug and alcohol testing laws and City policies and agreements. If this LOA conflicts with federal law or regulations, federal law and regulations shall prevail. If there are conflicts between federal regulations and this LOA, attributed in part to revisions to the law or changes in interpretations, and when those changes have not been updated or accurately reflected in this policy, the federal law shall prevail.

REFUSAL TO UNDERGO TESTING

Right to Refuse - Employees have the right to refuse to undergo drug and alcohol testing. If an employee refuses to undergo drug or alcohol testing requested or required by the Employer, no such test shall be given.

Consequences of Refusal - If any employee refuses to undergo drug or alcohol testing requested or required by the Employer, the Employer may subject the employee to disciplinary action up to and including discharge from employment.

Refusal on Religious Grounds - No employee who refuses to undergo drug or alcohol testing of a blood sample upon religious grounds shall be deemed to have refused unless the employee also refuses to undergo alternative drug or alcohol testing methods.

Failure to Provide a Valid Sample with a Certified Result – Includes but is not limited to: 1) failing to provide a valid sample that can be used to detect the presence of drugs and alcohol or their metabolites; 2) providing false information in connection with a test; 3) attempting to falsify test results through tampering, contamination, adulteration, or substitution; 4) failing to provide a specimen without a legitimate medical explanation; and 5) demonstrating behavior which is obstructive, uncooperative, or verbally offensive, and which results in the inability to conduct the test.

PROCEDURE FOR TESTING

Notification Form - Before requesting an employee to undergo drug or alcohol testing, the Employer shall provide the individual with a form on which to (1) acknowledge that the individual has seen a copy of the Employer's Drug and Alcohol Testing LOA, and (2) indicate consent to undergo the drug and alcohol testing.

Collecting the Test Sample - The test sample shall be obtained in a private setting, and the procedures for taking the sample shall ensure privacy to employees to the extent practicable, consistent with preventing tampering with the sample. All test samples shall be obtained by or under the direct supervision of a health care professional.

Testing the Sample. The handling and testing of the sample shall be conducted in the manner specified in Minn. Stat. §181.953 by a testing laboratory which meets, and uses methods of analysis which meet, the criteria specified in subdivisions.1, 3, and 5 of that statute.

Thresholds. The threshold of a sample to constitute a positive result alcohol, drugs, or their metabolites

is contained in the standards of one of the programs listed in MN Statute §181.953, subd 1. The employer shall, not less than annually, provide the unions with a list or access to a list of substances tested for under this LOA and the threshold limits for each substance. In addition, the employer shall notify the unions of any changes to the substances being tested for and of any changes to the thresholds at least thirty (30) days prior to implementation.

Positive Test Results – In the event an employee tests positive for drug use, the employee will be provided, in writing, notice of his/her right to explain the test results. The employee may indicate any relevant circumstance, including over the counter or prescription medication taken within the last thirty (30) days, or any other information relevant to the reliability of, or explanation for, a positive test result.

RIGHTS OF EMPLOYEES

Within three (3) working days after receipt of the test result report from the Medical Review Officer, the Employer shall inform in writing an employee who has undergone drug or alcohol testing of:

A negative test result on an initial screening test or of a negative or positive test result on a confirmatory test;

The right to request and receive from the Employer a copy of the test result report;

The right to request within five (5) working days after notice of a positive test result a confirmatory retest of the original sample at the employee's expense at the original testing laboratory or another licensed testing laboratory;

The right to submit information to the Employer's Medical Review Officer within three (3) working days after notice of a positive test result to explain that result; indicate any over the counter or prescription medications that the employee is currently taking or has recently taken and any other information relevant to the reliability of, or explanation for, a positive test result;

The right of an employee for whom a positive test result on a confirmatory test was the first such result for the employee on a drug or alcohol test requested by the Employer not to be discharged unless the employee has been determined by a Minnesota Licensed Alcohol and Drug Counselor (LADC) or a physician trained in the diagnosis and treatment of chemical dependency to be chemically dependent and the Employer has first given the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with a Minnesota LADC or a physician trained in the diagnosis and treatment of chemical dependency, and the employee has either refused to participate in the counseling or rehabilitation program or has failed to successfully complete the program, as evidenced by withdrawal from the program before its completion;

The right to not be discharged, disciplined, discriminated against, or requested or required to undergo rehabilitation on the basis of a positive test result from an initial screening test that has not been verified by a confirmatory test;

The right, if suspended without pay, to be reinstated with back pay if the outcome of the confirmatory test or requested confirmatory retest is negative;

The right to not be discharged, disciplined, discriminated against, or required to be rehabilitated on the basis of medical history information revealed to the Employer concerning the reliability of, or explanation for, a positive test result unless the employee was under an affirmative duty to provide the information before, upon, or after hire;

The right to review all information relating to positive test result reports and other information acquired in the drug and alcohol testing process, and conclusions drawn from and actions taken based on the reports or acquired information;

The right to suffer no adverse personnel action if a properly requested confirmatory retest does not confirm the result of an original confirmatory test using the same drug or alcohol threshold detection levels as used in the original confirmatory test.

The right to suffer no adverse personnel action based solely on the fact that the employee is requested to submit to a test.

ACTION AFTER TEST

The Employer will not discharge, discipline, discriminate against, or request or require rehabilitation of an employee solely on the basis of requesting that an employee submit to a test or the existence of a positive test result from an initial screening test that has not been verified by a confirmatory test.

Positive Test Result. Where there has been a positive test result in a confirmatory test and in any confirmatory retest (if the employee requested one), the Employer will do the following unless the employee has furnished a legitimate medical reason for the positive test result:

First Offense - The employee will be referred for an evaluation by an LADC or a physician trained in the diagnosis and treatment of chemical dependency. If that evaluation determines that the employee has a chemical dependency or abuse problem, the Employer will give the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with an LADC or a physician trained in the diagnosis and treatment of chemical dependency. If the employee either refuses to participate in the counseling or rehabilitation program or fails to successfully complete the program, as evidenced by withdrawal or discharge from the program before its completion, the Employer may impose discipline, up to and including discharge.

Second Offense - Where an employee tests positive, and the employee has previously participated in one program of treatment required by the Employer, the Employer may discharge the employee from employment.

Suspensions and Transfers.

Pending Test Results From an Initial Screening Test or Confirmatory Test. While awaiting the results from the Medical Review Officer, the employee shall be allowed to return to work unless the Employer reasonably believes that restrictions on the employee's work status are necessary to protect the health or safety of the employee, other City employees, or the public, and the conduct upon which the employee became subject to drug and alcohol testing would, independent of the of the results of the test, be grounds for discipline. In such circumstances, the employer may temporarily suspend the tested employee with pay, place the employee on paid investigatory leave or transfer the employee to another position at the same rate of pay.

Pending Results of Confirmatory Retest. Confirmatory retests of the original sample are at the employee's own expense. When an employee requests that a confirmatory retest be conducted, the employer may place the employee on unpaid leave, place the employee on paid investigatory leave or transfer the employee to another position at the same rate of pay provided the Employer reasonably

believes that restrictions on the employee's work status are necessary to protect the health or safety of the employee, other City employees, or the public. An employee placed on unpaid leave may use his/her accrued and unused vacation or compensatory time during the time of leave. An employee who has been placed on unpaid leave must be made whole if the outcome of the confirmatory retest is negative.

Rights of Employee in Event of Work Restrictions. In situations where the employee is not allowed to remain at work until the end of his/her normal work day pursuant to this paragraph B, the Employer may not prevent the employee from removing his/her personal property, including but not limited to the employee's vehicle, from the Employer's premises. If the employer reasonably believes that upon early dismissal from work under this paragraph the employee is about to commit a criminal offense by operating a motor vehicle while impaired by drugs or alcohol, the Employer may advise the employee that 911 will be called if the employee attempts to drive or call 911 before dismissing the employee from work so that a law enforcement officer may determine whether the employee is able to operate a motor vehicle legally. This LOA is not applicable with regard to any such determination by a law enforcement officer.

Other Misconduct - Nothing in this LOA limits the right of the Employer to discipline or discharge an employee on grounds other than a positive test result in a confirmatory test, subject to the requirements of law, the rules of the Civil Service Commission, and the terms of any applicable collective bargaining agreement. For example, if evidence other than a positive test result indicates that an employee engaged in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the Employer's workplace, the employee may receive a warning, a written reprimand, a suspension without pay, a demotion, or a discharge from employment, depending upon the circumstances, and subject to the above requirements.

D. **Other Consequences –** Other actions may be taken pursuant to Civil Service Rules, collective bargaining agreements or laws.

Treatment Program Testing – The Employer may request or require an employee to undergo drug and alcohol testing if the employee has been referred by the employer for chemical dependency treatment or evaluation or is participating in a chemical dependency treatment program under an employee benefit plan, in which case the employee may be requested or required to undergo drug or alcohol testing without prior notice during the evaluation or treatment period and for a period of up to two years following completion of any prescribed chemical dependency treatment program.

DATA PRIVACY

The purpose of collecting a body component sample is to test that sample for the presence of drugs or alcohol or their metabolites. A sample provided for drug or alcohol testing will not be tested for any other purpose. The name, initials and social security number of the person providing the sample are requested so that the sample can be identified accurately but confidentially. Information about medications and other information relevant to the reliability of, or explanation for, a positive test result is requested to ensure that the test is reliable and to determine whether there is a legitimate medical reason for any drug or alcohol in the sample. All data collected, including that in the notification form and the test report, is intended for use in determining the suitability of the employee for employment.

The employee may refuse to supply the requested data; however, refusal to supply the requested data may affect the person's employment status. The Employer will not disclose the test result reports and other information acquired in the drug or alcohol testing process to another employer or to a third party individual, governmental agency, or private organization without the written consent of the person tested, unless permitted by law or court order.

Concerning disciplinary actions taken pursuant to this drug and alcohol testing LOA, available Civil Service Commission appeal procedures are as follows:

Non-Veterans on Probation: An employee who has not completed the probationary period and who is not a Veteran has no right of appeal to the Civil Service Commission.

LETTER OF AGREEMENT - Job Bank and Related Matters

The above-entitled Parties are signatory to a Labor Agreement which most recently took effect on January 1, 2011 (the "Labor Agreement"). This Letter of Agreement outlines additional agreements reached by the Parties during the course of the collective bargaining which resulted in the making of the Agreement and which the Parties now desire to confirm.

GENERAL PROVISIONS

The Employer has created a Job Bank as a component of its resources allocation (budget) process. The purpose of the Job Bank is to assist the Employer and its employees during a time of major restructuring and change caused by unyielding demands for municipal service in the face of decreasing funding. It is the Employer's intention, to the extent feasible under these circumstances, to identify employment opportunities for employees whose positions are eliminated through reassignment, retraining and out-placement support. One of the purposes of the Job Bank process is to minimize, to the extent possible, the disruption normally associated with contractual "bumping" and layoff procedures to both the Employer and affected employees.

The Job Bank process shall be administered in a manner which is consistent with the Employer's desire to treat affected employees with dignity and respect at a difficult time in their relationship and to provide as much information and assistance to them as may be reasonably possible and practical within the limited resources available.

The term "Recall List" as used in this Agreement means the list of employees who are laid off from employment with the City or removed from their position by reason of a reduction in the size of the workforce, and who retain a right to return to their prior job classification pursuant to the terms of the Labor Agreement and/or Civil Service rules.

JOB BANK PROCESS AND PROCEDURE

I. Job Bank Assignment

1. Regular (permanently certified) employees whose positions are eliminated shall receive formal, written notification to that effect from the appointing authority of the department to which they are assigned. If a position is to be eliminated in any department, the employee with the least amount of seniority in the particular job class within the impacted division/department will be placed in the job bank, regardless of performance, assignment, function or other consideration. For the purposes of this section, a division is defined as an operational unit headed by a supervisory director or deputy who reports directly to a department head. If a department is of such a size as to have no distinct divisions, the department shall be treated as a division. Whether the layoff will be implemented relative to the least senior in a division or department will be determined by the terms of the Labor Agreement covering the impacted positions.

Such employees shall be assigned to the Job Bank. Employees whose positions have been eliminated based on the Employer's regular annual budget process, including the Mayor's proposed budget and/or the final annual City budget as passed by the City Council, or as otherwise ordered by the City Council, are entitled to a sixty (60) day tenure in the job bank. All positions eliminated based on the Mayor's proposed budget and/or the final annual City budget as passed by the City Council must be so eliminated after the Mayor's proposed budget is announced but no later than January 1, of the next budget cycle (unless the department/division intends to eliminate at a later date as part of their final annual budget for that year). Employees whose positions have been eliminated based on any mid-cycle budget or revenue reductions not controlled by the Mayor and the City Council, are entitled to a thirty (30) day tenure in the job bank, or until they are reassigned, whichever may first occur. All such employees in the Job Bank shall have extended job bank services for as long as they remain on a recall list. During such period such laid off employees shall form a pool for "restricted examination" for positions for which they may be qualified. The employee will notify the City of their interest in being considered. The Union will assist in notifying these employees of vacancies to be filled. A permit position shall be considered a "vacancy" if it is in a job classification impacted by the workforce reduction and if more than 60 days remain on the permit.

Permit and temporary employees whose employment is terminated are not eligible for Job Bank assignment or benefits. Certified temporary employees shall, however, be eligible for the Job Bank activities described in paragraphs 2(c) below.

II. Job Bank Activities

While affected employees are assigned to the Job Bank, they shall continue in their positions with no change in pay or benefits. While so assigned, however, affected employees may be required to perform duties outside of their assigned job classifications and/or they may be required to perform such duties at a different location as determined by the Employer.

While affected employees are assigned to the Job Bank, the Employer shall make reasonable efforts to identify vacant positions within its organization which may provide continuing employment opportunities and which may be deemed suitable for affected employees by all concerned.

Lateral Transfer. Employees may request to be transferred to a vacant position in another job classification at the same MCSC Grade level provided they meet the minimum qualifications for the position.

Seniority Upon Transfer. In addition to earning job classification seniority in their new title, transferred employees shall continue to accrue job classification seniority in their former title and they shall have the right to return to their former title if the position to which they have transferred is later eliminated. In the event the transfer is to a formerly held job classification, seniority in the new (formerly held) title shall run from the date upon which they were first certified to the former classification.

Pay Upon Transfer. The employee's salary in the new position will be their former salary or that of the next available step in the pay progression schedule for the new title which provides for an increase in salary if no equal pay progression step exists. If the employee's salary in the former position is greater than the maximum salary applicable to the new title, the employee's salary will be red circled until the maximum salary for the new title meets the employees' red circled rate. Such employees shall, however, be eligible for fifty percent (50%) of the negotiated general increase occurring during the term of the Agreement. Lateral transfers shall not affect anniversary dates of employment for pay progression purposes.

Probationary Periods. Employees transferring to a different title will serve a six (6) calendar month probationary period. In the event the probationary period is not satisfactorily completed, the affected employee shall be returned to Job Bank assignment and the employee's "bumping", layoff or transfer rights under the Agreement or other applicable authority shall be restored to the same extent such rights existed prior to the employee taking the probationary position. Upon the affected employee's first such return to the Job Bank, the employee shall be entitled to remain in the Job Bank for the greater of ten (10) business days, or the duration of the applicable Job Bank period, as determined under Article I, paragraph 2, that remained as of the date the employee began in the probationary position. The rate of compensation for the remainder of the employee's time in the Job Bank will be the same as the rate in effect as of the employee's last day in the probationary position. Return to the Job Bank terminates the employee's work in the probationary assignment and, therefore, time served following the return to the Job Bank shall not be construed to count toward the completion of the probationary period.

Reassignment. The Employer reserves the right to transfer an employee in the Job Bank to a new position and/or duty location within their job classification at a time determined to be appropriate by the Employer. Such reassignments terminate the affected employee's assignment to the Job Bank. If the Labor Agreement covering the job classification of the employee reassigned under this paragraph specifically permits a probationary period upon reassignment, the provisions of subparagraph a.iii, above, shall apply as if the reassignment had been a transfer.

Filling Vacant Positions. During the time the procedures outlined herein are in effect, position vacancies to be filled shall first be offered to regular employees who have a contractual right to be recalled to a position in the involved job classification or who may have a right to "bump" or transfer to the position, as the case may be. In such circumstances, the seniority provisions of the Agreement shall be observed. If no regular employee has a contractual right to the position, the following shall be given consideration in the order (priority) indicated below:

1st Priority:	Qualified Job Bank employees
2nd Priority:	Employees on a recall list
3rd Priority:	Employee applicants from a list of eligibles
4th Priority:	Displaced certified temporary employees
5th Priority:	Non-employee applicants from a list of eligibles

The qualifications of an employee in the Job Bank or on a recall list shall be reviewed to determine whether he/she meets the qualifications for a vacant position. Whether the employee can be trained for a position within a reasonable time (not to exceed three months) shall be considered when determining the qualifications of an employee. If it is determined that the employee does not meet the qualifications for a vacant position, the employee may appeal to the Director of Human Resources. If it is determined that an employee in the Job Bank is qualified for a vacant position, the employee shall be selected. The appointing authority may appeal the issue of whether the employee is qualified. The dispute shall be presented to and resolved by the Job Bank Steering Committee.

If it is determined that an employee on a recall list is qualified for a vacant position, the employee will be given priority consideration and may be selected. Appeals regarding employees on a recall list and their qualifications for a position will be handled by the Civil Service Commission.

The grievance procedure under the Labor Agreement shall not apply to determinations as to qualifications of the employee for a vacant position.

During their assignment to the Job Bank, affected employees will be provided an opportunity to meet with the Employer's Placement Coordinator to discuss such matters as available employment opportunities with the Employer, skills assessments, training and/or retraining opportunities, out-placement assistance and related job transition subjects. Involvement in these activities will be at the discretion of the employee. Further, affected employees will be granted reasonable time off with pay for the purpose of attending approved skills assessment, training and job search activities. Displaced certified temporary employees are eligible for the benefits described in this paragraph. These services shall be provided to the Job Bank employee at no cost to the employee.

III. Layoff, Bumping and Retirement Considerations

A "Primary Impact Employee" is an employee who enters the Job Bank due to the elimination of his/her position. A "Secondary Impact Employee" is an employee who enters the Job Bank because he/she may be displaced by a Primary Impact Employee. All affected employees may exercise the displacement, "bumping" and/or layoff rights immediately. A Primary Impact Employee must exercise displacement or bumping rights within forty-five (45) days of entering the Job Bank (or within twenty-two [22] days of entering the Job Bank for an employee entitled to 30-days in the Job Bank). A Primary Impact Employee who exercises his/her displacement or bumping rights within the first thirty (30) days from entering the Job Bank (within the first fifteen [15] days for an employee entitled to 30-days in the Job Bank) shall have 8 hours added to the employee's vacation bank. A Secondary Impact Employee must exercise his/her displacement or bumping rights within seven (7) calendar days of being displaced or bumped. Displacement and bumping rights shall be forfeited unless exercised by the deadlines specified in this paragraph or in the provisions of 2.a iii, Lateral Transfers, above. Regardless of when bumping rights are exercised, any change in the compensation of the employee resulting from the exercise of bumping rights shall not take effect until after the employee's term in the

Job Bank would have expired had the employee remained in the Job Bank for the maximum period.

If an affected employee is unable to exercise any “bumping” rights, or forfeits their bumping rights, under the Agreement or other authority and has not been placed in another City position, the employee shall be laid off and placed on the appropriate recall list with all rights pursuant to the relevant Labor Agreement provisions, if any, and all applicable Civil Service rules. In addition, they shall be eligible for the benefits described as follows:

The level of coverage, single or family, shall continue at the level of coverage in effect for the laid off employee as of the date of layoff.

The health/dental plan that shall be continued shall be the plan in effect for the employees as of the date of layoff.

The City shall pay one hundred (100) percent of the premiums for the first six (6) months of COBRA continuance at the level of coverage and plan selected by the employee and in effect on the date of the layoff.

The terms of this provision relating to the continuation of insurance benefits will expire on December 31, 2013. The City Council must take specific action to extend these terms relating to the continuation of insurance benefits if the City Council wants those specific insurance benefits to apply to laid off employees after December 31, 2013.

If eligible, affected employees may elect retirement from active employment under the provisions of an applicable pension or retirement plan. In such event, affected employees will be eligible for any available Retirement Incentive that is agreed to by the Parties.

IV. Dispute Resolution. Disputes regarding the application or interpretation of this Agreement are subject to the grievance procedure under the Labor Agreement between the parties, except as specifically provided here. A dispute regarding the application or interpretation of this Agreement that needs to be resolved during an employee’s time in the Job Bank may be submitted to the Job Bank Steering Committee. The decision of the Job Bank Steering Committee will be binding on the parties. Submission to the Job Bank Steering Committee shall not preclude the filing of a grievance on the issue. However, the decision of the Steering Committee shall be admissible in an arbitration hearing on such grievance.

The provisions of this Letter of Agreement associated with the Job Bank Program shall become effective upon the approval of the Employer’s Council and Mayor. The Job Bank procedures outlined herein shall be observed after the negotiated termination date of the Labor Agreement between the Parties, and expire on December 31, 2012.

To the extent that there is any conflict between the terms of this Letter of Agreement and the Labor Agreement, the Labor Agreement shall prevail.

NOW THEREFORE, the Parties have caused this Letter of Agreement to be executed by their duly authorized representative whose signatures appear below.

LETTER OF AGREEMENT -Return to Work/Job Bank Program and Related Matters

The City of Minneapolis and the above-captioned *exclusive representative* of City employees (hereinafter referred to as the *Employer* and the *Union*, respectively or the *Parties*, collectively) have entered into a collective bargaining agreement (the *Agreement*) which most recently took effect January 1, 2011. The Agreement covers the terms and conditions of employment of certain employees of the Employer who are represented for purposes of collective bargaining by the Union. This Letter of Agreement outlines additional agreements between the Parties which were reached during the term of the Agreement and which the Parties now desire to confirm.

GENERAL PROVISIONS OF THE RETURN TO WORK PROGRAM:

The employee's Return to Work Policy provides for the timely return to work of employees injured on the job who have temporary and/or permanent restrictions. The Return to Work Program offers services to assist employees injured on the job who have temporary and/or permanent restrictions. This program will assist active employees; it is not intended to provide services to temporary employees or sworn employees. Participation in the Return to Work Program is based on a medical release to return to work. Upon receipt of the medical release, the employer shall make every effort to provide appropriate work activity. Our goal is to assist the work injured on the job by providing appropriate work within three (3) working days of the receipt of the medical release.

If there is a question about the employee's medical release, the City's consulting physicians shall make the final determination of an employee's ability to return to work. If the employer is unable to offer appropriate work within the employee's limitations, the employer shall provide for the employer's portion of the health care benefit while the employee is in the Return to Work Program. The employer shall strive to provide appropriate work activity commensurate with the employee's medical work release.

Continuing eligibility in the Return to Work Program is based upon receipt of medical data documenting the employee's functional improvement. In addition, compliance with the Workers' Compensation Statutes, Return to Work Policy, Minneapolis Code of Ordinances §20.810,

applicable rules and this Agreement is mandatory. Compliance will be monitored by the claims coordinators and the Return to Work coordinator. Failure to comply with the requirements of this program may result in termination of the program. Compliance with the program will be determined by the employer.

GENERAL PROVISIONS OF THE RETURN TO WORK/JOB BANK PROGRAM:

The employer has created a Return to Work/Job Bank Program as a component of its resources allocation (budget) process. The Return to Work/Job Bank Program will share some common resources with the restructuring/economic job bank, but it will have different rights and responsibilities. The Return to Work/Job Bank Program will assist both the employer and its employees during a time of unplanned change caused by an injury on the job.

The purpose of the Return to Work/Job Bank Program is to assist the injured worker in returning to a different job within the City if they are unable to perform their original position as a result of work injury arising out of and in the course of employment for the City. It is the employer's intention, to the extent feasible under the circumstances, to identify employment opportunities for employees through reassignment, retraining and out-placement support. One of the goals of the Return to Work/Job Bank is to minimize, to the extent possible, the disruption normally associated with work-related injuries and return to work in alternative positions.

The Return to Work/Job Bank process shall be administered in a manner which is consistent with the employer's desire to treat employees with dignity and respect. The administrators will strive to provide as much information and assistance as may be reasonable possible and practical within the resources available. Our objective is to assist employees in making informed choices about their future with the City and at the same time to utilize the competency of City employees, whenever possible, in staffing vacant City positions. Mutual cooperation and participation is necessary in order to accomplish this objective.

RETURN TO WORK/JOB BANK POLICIES:

1. Injured, non-sworn, City employees who have been permanently certified or appointed and were injured on the job after June 1, 1995, and who have been assigned permanent restrictions that prevent the employee from returning to the pre-injury job, will be afforded the opportunities available in the Job Bank, Return to Work component. This policy will also cover employees injured on the job who are actively working for the City now and whose jobs are eliminated as a result of economic or restructuring decisions.
2. The services and benefits of the Job Bank will apply to employees injured on the job as long as the employee complies with the Workers' Compensation Statutes, Return to Work Policy, Minneapolis Code of Ordinances §20.810, applicable rules and this Agreement. Employee compliance will be determined by the City. These services and benefits include:
 - a) 120-day tenure
 - b) Job interviews/Placement opportunities
 - c) Skills assessment
 - d) Training opportunities

- e) Job-seeking classes
 - f) Health insurance continuation, if separated from employment, as provided for in the Minneapolis Code of Ordinances, §20.470.
3. The Workers' Compensation fund will pay for the salaries of those injured employees while in the Job Bank.
 4. The department that the employee came from has the primary responsibility for finding temporary employment for the employee while they are in the Job Bank. The CMC nurse, Return to Work liaison, claims coordinator, and qualified rehabilitation consultant will aid in determining alternate employment if the original department is unable to identify temporary work.
 5. If the injured worker has not been placed after one hundred twenty (120) calendar days, they will be separated from City service.
 6. Failure to participate in a diligent job search or to comply with requirements of Workers' Compensation Law during participation in the Return to Work or Job Bank programs may result in termination of Job Bank services and benefits.
 7. An employee has no further tenure in the Job Bank Program after a formal job offer has been made.
 8. An employee is entitled to use the Return to Work/Job Bank Program once.
 9. Compliance with the Workers' Compensation Statutes, Return to Work Policy, Minneapolis Code of Ordinances §20.810, applicable rules and this Agreement will be monitored by the claims coordinators and the Return to Work coordinator. An employee's participation in this Program shall be terminated upon recommendation of the City.
 10. There will be no exception to this Agreement without the approval of the Oversight Committee.

RETURN TO WORK/JOB BANK PROCESSES:

Job Assignment

1. Injured, non-sworn, City employees who have been permanently certified or appointed and were injured on the job after June 1, 1995 and who have been assigned permanent restrictions that prevent the employee from returning to their pre-injury job, will be afforded the opportunities available in the Return to Work/Job Bank Program. This policy will also cover injured employees who are actively working now for the City and whose jobs are eliminated as a result of economic or restructuring decisions.
2. Such employees shall be assigned to the Job Bank for the ensuing one hundred twenty (120) calendar days or until they obtain a different job, as long as they comply with the Workers' Compensation Act, relevant rules, this Agreement, the Return to Work Policy and Minneapolis Code of Ordinances §20.810.

3. Permit-temporary employees and certified-temporary employees are not eligible for Return to Work/Job Bank services.

RETURN TO WORK/JOB BANK ACTIVITIES:

1. When injured employees are assigned to the Job Bank, they shall continue in temporary assigned positions with pre-injury salary and benefits. While so assigned, however, injured employees may be required to perform duties outside of their assigned job classifications and/or they may be required to perform such duties in a different location, as determined by the Employer.
2. While injured employees are assigned to the Job Bank, the Employer and Employee shall make reasonable efforts to identify vacant positions within Employer's organization which may provide continuing employment opportunities.
 - a. **Lateral Transfer.** Employees may request to be transferred to a vacant position in another job classification at the same MCSC grade level provided they meet the minimum qualifications for the position.
 - i. Seniority Upon Transfer. In addition to earning job classification seniority in their new title, transferred employees shall continue to accrue job classification seniority in their former title and they shall have the right to return to their former title if the position to which they have transferred is later eliminated as long as the job requirements are consistent with the employee's permanent restrictions. In the event the transfer is to a formerly held job classification, seniority in the new (formerly held) title shall run from the date upon which they were first certified to the former classification.
 - ii. Pay Upon Transfer. The employee's salary in the new position will be supplemented, if necessary, to comply with the Worker's Compensation Statutes. Lateral transfers shall not affect anniversary dates of employment for pay progression purposes.
 - iii. Probationary Periods. Employees transferring to a different title will serve a six-(6) calendar month probationary period. In the event the probationary period is not satisfactorily completed (either because the involved supervisor has concluded that the employee's performance in the new position is not satisfactory or because the employee is not satisfied with the position), the injured worker shall be returned to Job Bank assignment for the remaining duration of the one hundred twenty (120) calendar day Job Bank period (or a minimum of thirty (30) calendar days, whichever is greater).
 - b. **Reassignment.** In accordance with the provisions of the Agreement or other applicable authority the injured worker may be transferred to a new position and/or duty location within their job classification at a time determined to be appropriate by the City. Such transfers terminate the injured employee's assignment to the Job Bank.
