If the services of a Delta Dental Premier or out of network dentist are used the Plan pays up to a maximum of \$1,000.00 for each Covered Person per Coverage Year subject to the coverage percentages identified above. Benefit Maximums may not be carried over to future coverage years.

Orthodontics, is subject to a separate lifetime maximum of \$1,000.00 per Covered Person and limited to those Orthodontic treatment plans commenced on or after the Eligible Dependent Child's eighth (8th) birthday and through the Eligible Dependent Child's eighteenth (18th) birthday. Because Orthodontic treatment normally occurs over a long period of time, benefit payments are made over the course of treatment. The Covered Person must remain eligible under the Plan in order to receive continued benefit payments.

DESCRIPTION OF COVERED PROCEDURES

Pretreatment Estimate

(Estimate of Benefits)

It is recommended that a Pretreatment Estimate be submitted to Delta Dental prior to treatment if your dental treatment involves major restorative, periodontics, prosthetics or orthodontic care (see description of coverage), to estimate the amount of payment. The Pretreatment Estimate is a valuable tool for both the dentist and the patient. Submission of a Pretreatment Estimate allows the dentist and the patient to know what benefits are available to the patient before beginning treatment. The Pretreatment Estimate will outline the patient's responsibility to the dentist with regard to co-payments, deductibles and non-covered services and allows the dentist and the patient to make any necessary financial arrangements before treatment begins. This process does not prior authorize the treatment nor determine its dental or medical necessity. The estimated Delta Dental payment is based on the patient's current eligibility and current available contract benefits. The subsequent submission of other claims, a change in eligibility, a change in the contract coverage or the existence of other coverage may alter the Delta Dental final payment amount as shown on the pretreatment estimate form.

After the examination, your dentist will establish the dental treatment to be performed. If the dental treatment necessary involves major restorative, periodontics, prosthetics or orthodontic care, a participating dentist should submit a claim form to Delta Dental outlining the proposed treatment.

A Pretreatment Estimate of Benefits statement will be sent to you and your dentist. You will be responsible for payment of any deductibles and coinsurance amounts or any dental treatment that is not considered a covered service under the Plan.

Benefits

The Plan covers the following dental procedures when they are performed by a licensed dentist and when necessary and customary as determined by the standards of generally accepted dental practice. The benefits under this Plan shall be provided whether the dental procedures are performed by a duly licensed physician or a duly licensed dentist, if otherwise covered under this Plan, provided that such dental procedures can be lawfully performed within the scope of a duly licensed dentist.

As a condition precedent to the approval of claim payments, Delta Dental shall be entitled to request and receive, to such extent as may be lawful, from any attending or examining dentist, or from hospitals in which a dentist's care is provided, such information and records relating to a Covered Person as may be required to pay claims. Also, Delta Dental may require that a Covered Person be examined by a dental consultant retained by Delta Dental in or near the Covered Person's place of residence. The Plan shall hold such information and records confidential.

TO AVOID ANY MISUNDERSTANDING OF BENEFIT PAYMENT AMOUNTS, ASK YOUR DENTIST ABOUT HIS OR HER NETWORK PARTICIPATION STATUS WITHIN THE DELTA DENTAL PPO AND DELTA DENTAL PREMIER NETWORKS PRIOR TO RECEIVING DENTAL CARE.

Delta Dental of Minnesota does not determine whether a service submitted for payment or benefit under this Plan is a dental procedure that is dentally necessary to treat a specific condition or restore dentition for an individual. Delta Dental of Minnesota evaluates dental procedures submitted to determine if the procedure is a covered benefit under your dental Plan. Your dental

Plan includes a preset schedule of dental services that are eligible for benefit by the Plan. Other dental services may be recommended or prescribed by your dentist which are dentally necessary, offer you an enhanced cosmetic appearance, or are more frequent than covered by the Plan. While these services may be prescribed by your dentist and are dentally necessary for you, they may not be a dental service that is covered by this Plan or there may be a service where the Plan provides a payment allowance for a service that is considered to be optional treatment. If the Plan gives you a payment allowance for optional treatment that is covered by the Plan, you may apply this Plan payment to the service prescribed by your dentist which you elected to receive. Services that are not covered by the Plan or exceed the frequency of Plan benefits do not imply that the service is or is not dentally necessary to treat your specific dental condition. You are responsible for dental services that are not covered or benefited by the Plan. Determination of services necessary to meet your individual dental needs is between you and your dentist.

ONLY those services listed are covered. Deductibles and maximums are listed under the Summary of Dental Benefits. Services covered are subject to the limitations within the Benefits, Exclusions and Limitations sections described below. For estimates of covered services, please see the "Pretreatment Estimate" section of this booklet.

Before treatment begins, the treating dentist should submit a Pretreatment Estimate. An Estimate of Benefits form will be sent to you and your dentist indicating the estimated plan payment amount. This form serves as a claim form when treatment begins.

When treatment begins, the dentist should submit the Estimate of Benefit form with the date of placement and his/her signature. After benefit and eligibility verification by Delta Dental, a benefit payment will be issued. A new/revised Estimate of Benefits form will also be issued to you and your dentist. This again will serve as the claim form to be submitted 6 months from the date of appliance placement.

 2. Legally separated;
- B) Dependent children to the age of 26, including:
 1. Natural-born and legally adopted children (including children placed with you for legal adoption). NOTE: A child's placement for adoption terminates upon the termination of the legal obligation of total or partial support.
 2. Stepchildren who reside with you.
 3. Grandchildren who are financially dependent on you and reside with you.

4. Children who are required to be covered by reason of a Qualified Medical Child Support Order. You can obtain, without charge, a copy of procedures governing Qualified Medical Child Support Orders ("QMCSOs") from the Plan Administrator.
5. Children who become handicapped prior to reaching the Plan's limiting age if:
 - they are primarily dependent upon you; and
 - are incapable of self-sustaining employment because of physical handicap, mental retardation, mental illness or mental disorders;

Effective Dates of Coverage

Eligible Employee:

You are eligible to be covered under this Plan on the date determined by the City and its independent boards and agencies based on applicable City and its independent boards and agencies based on the applicable City, board or agency policy or collective bargaining agreement.

Eligible Retiree:

You are eligible to be covered under the Plan effective the first day of the month following the termination of your active coverage under the Plan provided you have paid the required monthly cost for retiree continuation coverage.

Eligible Dependents:

Your eligible dependents, as defined, are covered under this Plan:

- a) On the date you first become eligible for coverage, if dependent coverage is provided or elected.
- b) On the date you first acquire eligible dependents, or add dependent coverage subject to the open enrollment requirements of the Plan, if any.
- c) On the date a new dependent is acquired if you are already carrying dependent coverage.

LIMITATION: Dependents of an eligible employee who are in active military service are not eligible for coverage under the Plan.

The eligibility of all Covered Persons, for the purposes of receiving benefits under the Plan, shall, at all times, be contingent upon the applicable monthly payment having been made for such Covered Person on a current basis.

Open Enrollment

Open enrollment is a minimum 14-day period set by the City and Delta each year during which eligible employees and dependents who are not covered under the Plan may elect coverage for the upcoming Coverage Year. An application must be submitted to the employer for yourself and any dependents.

For eligible employees and dependents who enroll during the open enrollment period, coverage begins on the first day of the Coverage Year for which the open enrollment period was held.

Change in Status

Your benefit elections are intended to remain the same for the entire Coverage Year. During the Coverage Year, you will be allowed to change your benefits only if you experience an eligible Change in Status which includes:

- Change in legal marital status such as marriage or divorce.
- Change in number of dependents in the event of birth, adoption, or death.
- Change in your or your spouse's employment - either starting or losing a job.
- Change in your or your spouse's work schedule, such as going from full-time to part-time or part-time to full-time, or beginning or ending an unpaid leave of absence.
- Change in dependent status, such as if a child reaches maximum age under the Plan.
- Change in residence or work location so you are no longer eligible for your current health plan.
- Become eligible for Medicare, Medicaid or Children's Health Insurance Program (CHIP) coverage.
- Termination of Medicare, Medicaid or Children's Health Insurance Program (CHIP) coverage because you or your dependents are no longer eligible.
- Loss of other coverage.

Due to federal regulations, the changes you make to your benefits must be consistent with the Change in Status event that you experience. For example, if you have a baby, it is consistent to add your newborn to your current dental coverage but it not consistent to drop your dental coverage altogether.

If you experience an eligible Change in Status during the year, you have 31 days (except in the case of qualification for or termination of employment assistance under Medicaid/CHIP, in which case the employee has 60 days after the date of eligibility) from the event to change your elections. You may obtain a Change Form by contacting the City of Minneapolis Benefits Office at 612-673-3333. All changes are effective the date of the change.

Termination of Coverage

Your coverage and that of your eligible dependents ceases on the earliest of the following dates:

- a) On the date in which (1) you cease to be eligible; (2) your dependent is no longer eligible as a dependent under the Plan.
- b) On the date the Plan is terminated.
- c) On the date the City of Minneapolis terminates the Program by failure to pay the required payments, except as a result of inadvertent error.

For extended eligibility, see Continuation of Coverage.

The City of Minneapolis reserves the right to terminate the Plan, in whole or in part, at any time (subject to applicable collective bargaining agreements). Termination of the Plan will result in loss of benefits for all covered persons. If the Plan is terminated, the rights of the Plan Participants are limited to covered expenses incurred before termination.

Continuation of Coverage (COBRA)

Dental benefits may be continued should any of the following events occur, provided that at the time of occurrence this Program remains in effect and you or your spouse or your dependent child is a Covered Person under this Program:

1. Eligible Employee:
 - (a) Your total disability due to accidental bodily injuries or illness.
 - (b) Your termination of full-time employment (other than for gross misconduct), or a reduction in the number of hours worked to less than the minimum hours required to be eligible.
2. Eligible Legal Dependents:
 - (a) The death of the eligible employee.
 - (b) Divorce, marriage dissolution or legal separation from the eligible employee.
 - (c) Entitlement of an eligible employee to receive Medicare benefits.
 - (d) A dependent child of an eligible employee ceases to meet the definition of a Covered Person under this Plan.

You or your eligible legal dependents have 60 days from the date you lose coverage, due to one of the events described above, to inform the City of Minneapolis Benefits Office at Room 100, 250 South Fourth Street, Minneapolis, MN 55415 that you wish to continue coverage; except that, in the case of death of an eligible employee, such notification period to continue coverage shall be 90 days.

1. Choosing Continuation

If you lose coverage, your employer must notify you of the option to continue coverage within 10 days of the COBRA administrator receiving verification of your termination of employment or any other applicable COBRA event after employment ends. If coverage for your dependent ends because of divorce, legal separation, or any other change in dependent status, you or your covered dependents must notify your employer within 60 days.

You or your covered dependents must choose to continue coverage by notifying the employer in writing. You or your covered dependents have 60 days to choose to continue, starting with the date of the notice of continuation or the date coverage ended, whichever is later. Failure to choose continuation within the required time period will make you or your covered dependents ineligible to choose continuation at a later date. You or your covered dependents have 45 days from the date of choosing continuation to pay the first continuation charges. After this initial grace period, you or your covered dependents must pay charges monthly in advance to the employer to maintain coverage in force.

Charges for continuation coverage are at the full group rate.

2. Second qualifying event

If a second qualifying event occurs during continuation, a dependent qualified beneficiary may be entitled to election rights of their own and an extended continuation period. This rule only applies when the initial qualifying event for continuation is the employee's termination of employment, retirement, leave of absence, layoff, or reduction of hours.

When a second qualifying event occurs such as the death of the former covered employee, the dependent must notify the employer of the second event within 30 days after it occurs in order to continue coverage. In no event will the first and second period of continuation extend beyond the earlier of the date coverage would otherwise terminate or 36 months.

A qualified beneficiary is any individual covered under the health plan the day before the qualified event as well as a child who is born or placed for adoption with the covered employee during the period of continuation coverage.

3. Terminating Continuation of Coverage - COBRA

Continuation of Coverage - COBRA for you and your eligible dependents, if selected, shall terminate on the last day of the month in which any of the following events first occur:

- a) The expiration of the specified period of time for which Continuation of Coverage - COBRA can be maintained; as mandated by applicable State or Federal law;
- b) This Plan is terminated by the City of Minneapolis;
- c) The City's or Covered Person's failure to make the payment for the Covered Person's Continuation of Coverage

Questions regarding Continuation of Coverage - COBRA should be directed to the City of Minneapolis Benefits Office at 612-673-3333. Your employer will explain the regulations, qualifications and procedures required when you continue coverage.

PLAN PAYMENTS

Participating Dentist Network

A Delta Dental Premier dentist is a dentist who has signed a participating and membership agreement with his/her local Delta Dental Plan. The dentist has agreed to accept Delta Dental's Maximum Amount Payable as payment in full for covered dental care. Delta Dental's Maximum Amount Payable is a schedule of fixed dollar maximums established solely by Delta Dental for dental services provided by a licensed dentist who is a participating dentist. You will be responsible for any applicable deductible and coinsurance amounts listed in the Summary of Dental Benefits section. A Delta Dental Premier dentist has agreed not to bill more than Delta Dental's allowable charge. A Delta Dental Premier dentist has also agreed to file the claim directly with Delta Dental.

A Delta Dental PPO network dentist is a dentist who has signed Delta Dental PPO agreement with Delta Dental of Minnesota. The dentist has agreed to accept the Delta Dental PPO Maximum Amount Payable as payment in full for covered dental care. You will be responsible for any applicable deductible and coinsurance amounts listed in the Summary of Dental Benefits section. A Delta Dental PPO dentist has agreed not to bill more than the Delta Dental PPO allowable charge. A Delta Dental PPO dentist has also agreed to file the claim directly with Delta Dental.

Names of Participating Dentists can be obtained, upon request, by calling Delta, or from the Plan's internet web site at www.deltadentalmn.org. Refer to the General Information section of this booklet for detailed information on how to locate a participating provider using the Plan's internet web site.

Covered Fees

Under this Program, YOU ARE FREE TO GO TO THE DENTIST OF YOUR CHOICE. You may have additional out-of-pocket costs if your dentist is not a participating Delta Dental Premier or Delta Dental PPO dentist with the plan. There may also be a difference in the payment amount if your dentist is not a participating dentist with Delta Dental. This payment difference could result in some financial liability to you. The amount is dependent on the nonparticipating dentist's charges in relation to the Table of Allowances determined by Delta Dental.

TO AVOID ANY MISUNDERSTANDING OF BENEFIT PAYMENT AMOUNTS, ASK YOUR DENTIST ABOUT HIS OR HER NETWORK PARTICIPATION STATUS WITHIN THE DELTA DENTAL PREMIER AND DELTA DENTAL PPO NETWORKS PRIOR TO RECEIVING DENTAL CARE.

Claim Payments

PAYMENTS ARE MADE BY THE PLAN ONLY WHEN THE COVERED DENTAL PROCEDURES HAVE BEEN COMPLETED. THE PLAN MAY REQUIRE ADDITIONAL INFORMATION FROM YOU OR YOUR PROVIDER BEFORE A CLAIM CAN BE CONSIDERED COMPLETE AND READY FOR PROCESSING. IN ORDER TO PROPERLY PROCESS A CLAIM, THE PLAN MAY BE REQUIRED TO ADD AN ADMINISTRATIVE POLICY LINE TO THE CLAIM. DUPLICATE CLAIMS PREVIOUSLY PROCESSED WILL BE DENIED.

ANY BENEFITS PAYABLE UNDER THIS PLAN ARE NOT ASSIGNABLE BY ANY COVERED PERSON OR ANY ELIGIBLE DEPENDENT OF ANY COVERED PERSON.

Delta Dental Premier Dentists:

Claim payments are based on the Plan's Payment Obligation which is the highest fee amount Delta Dental approves for dental services provided by a Delta Dental Premier dentist to a Delta Dental covered patient. The Plan Payment Obligation for Delta Dental Premier dentists is the lesser of: (1) The fee pre-filed by the dentist with their Delta Dental organization; (2) The Maximum Amount Payable as determined by Delta Dental; (3) The fee charged or accepted as payment in full by the Delta Dental Premier dentist regardless of the amount charged. All Plan Payment Obligations are determined prior to the calculation of any patient co-payments and deductibles as provided under the patient's Delta Dental program.

Delta Dental PPO Dentists:

Claim payments are based on the Plan's Payment Obligation which is the highest fee amount Delta Dental approves for dental services provided by a Delta Dental PPO dentist to a Delta Dental covered patient. The Plan Payment Obligation for Delta Dental PPO dentists is the lesser of: (1) The fee pre-filed by the dentist with their Delta Dental organization; (2) The Delta Dental PPO Maximum Amount Payable as determined by Delta Dental; (3) The fee charged or accepted as payment in full by the Delta Dental PPO dentist regardless of the amount charged. All Plan Payment Obligations are determined prior to the calculation of any patient co-payments and deductibles as provided under the patient's Delta Dental program.

Nonparticipating Dentists:

Claim payments are based on the Plan's Payment Obligation, which for nonparticipating dentists is the treating dentist's submitted charge or the Table of Allowances established solely by Delta Dental, whichever is less. The Table of Allowances is a schedule of fixed dollar maximums established by Delta Dental for services rendered by a licensed dentist who is a nonparticipating dentist. Claim payments are sent directly to the Covered Person.

THE COVERED PERSON IS RESPONSIBLE FOR ALL TREATMENT CHARGES MADE BY THE NONPARTICIPATING DENTIST. WHEN SERVICES ARE OBTAINED FROM A NONPARTICIPATING PROVIDER, ANY BENEFITS PAYABLE UNDER THE GROUP CONTRACT ARE PAID DIRECTLY TO THE COVERED PERSON.

Coordination of Benefits (COB)

If you or your dependents are eligible for dental benefits under this Plan and under another dental plan, benefits will be coordinated so that no more than 100% of the Plan Payment Obligation is paid jointly by the programs. The Plan Payment Obligation is determined prior to calculating all percentages, deductibles and benefit maximums.

The Coordination of Benefits provision determines which plan has the primary responsibility for providing the first payment on a claim. In establishing the order, the plan covering the patient as an employee has the primary responsibility for providing benefits before the plan covering the patient as a dependent. If the patient is a dependent child, the plan with the parent whose month and day of birth falls earlier in the calendar year has the primary payment responsibility. If both parents should have the same birth date, the plan in effect the longest has the primary payment responsibility. If the plan does not have a Coordination of Benefits provision, that plan most generally has the primary payment responsibility.

NOTE: When Coordination of Benefits applies for dependent children, provide your dentist with the birth dates of both parents.

Claim and Appeal Procedures

Initial Claim Determinations

All claims should be submitted within 12 months of the date of service. An initial benefit determination on your claim will be made within 30 days after receipt of your claim. You will receive written notification of this benefit determination. The 30-day period may be extended for an additional 15 days if the claim determination is delayed for reasons beyond our control. In that case, we will notify you prior to the expiration of the initial 30-day period of the circumstances requiring an extension and the date by which we expect to render a decision. If the extension is necessary to obtain additional information from you, the notice will describe the specific information we need, and you will have 45 days from the receipt of the notice to provide the information. Without complete information, your claim will be denied.

Appeals

In the event that we deny a claim in whole or in part, you have a right to a full and fair review. Your request to review a claim must be in writing and submitted within 180 days from the claim denial. We will make a benefit determination within 60 days following receipt of your appeal.

Your appeal must include your name, your identification number, group number, claim number, and dentist's name as shown on the Explanation of Benefits. Send your appeal to:

Delta Dental of Minnesota
Attention: Appeals Unit
PO Box 551
Minneapolis, MN 55440-0551

You may submit written comments, documents, or other information in support of your appeal. You will also be provided, upon request and free of charge, reasonable access to and copies of all relevant records used in making the decision. The review will take into account all information regarding the denied or reduced claim (whether or not presented or available at the initial determination) and the initial determination will not be given any weight.

The review will be conducted by someone different from the original decision-makers and without deference to any prior decision. Because all benefit determinations are based on a preset schedule of dental services eligible under your plan, claims are not reviewed to determine dental necessity or appropriateness. In all cases where professional judgment is required to determine if a procedure is covered under your plan's schedule of benefits, we will consult with a dental professional who has appropriate training and experience. In such a case, this professional will not be the same individual whose advice was obtained in connection with the initial adverse benefit determination (nor a subordinate of any such individual). In addition, we will identify any dental professional whose advice was obtained on our behalf, without regard to whether the advice was relied upon in making the benefit determination. If, after review, we continue to deny the claim, you will be notified in writing.

To the extent your plan is covered by ERISA, after you have exhausted all appeals, you may file a civil action under section 502(a) of ERISA.

Authorized Representative

You may authorize another person to represent you and with whom you want us to communicate regarding specific claims or an appeal. However, no authorization is required for your treating dentist to make a claim or appeal on your behalf. The authorization form must be in writing, signed by you, and include all the information required in our Authorized Representative form. This form is available at our web site or by calling Customer Service. You can revoke the authorized representative at any time, and you can authorize only one person as your representative at a time.

GENERAL INFORMATION

Health Plan Issuer Involvement

The benefits under the Plan are not guaranteed by Delta. As Claims Administrator, Delta pays or denies claims on behalf of the Plan and reviews requests for review of claims as described in the Claim and Appeals Procedures section.

Privacy Notice

Delta Dental of Minnesota will not disclose non-public personal financial or health information concerning persons covered under our dental benefit plans to non-affiliated third parties except as permitted by law or required to adjudicate claims submitted for dental services provided to persons covered under our dental benefit plans.

How to Find a Participating Dentist

A real-time listing of participating dentists is available in an interactive directory at the Delta Dental's user friendly web site, www.deltadentalmn.org. **The Dentist Search is an accurate and up-to-date way to obtain information on participating dentists.**

To search for and verify the status of participating providers, select "Dentist Search" on the www.deltadentalmn.org home page. Select a Network (Delta Dental PPO or Delta Dental Premier) in the drop-down menu, and search by city and state, zip code or provider or clinic name. The website also allows you to print out a map directing you to the dental office you select. If your dentist does not participate in the network, you may continue to use that dentist, although you will share more of the cost of your care and could be responsible for dental charges up to the dentist's full billed amount.

If you do not have Internet access, other options are available to find a network dentist or verify that your current dentist is in the network.

- When you call to make a dental appointment, always verify the dentist is a participating dentist. **Be sure to specifically state that your employer is providing a dental plan using both Delta Dental Premier and Delta Dental PPO networks.**
- Contact Delta Dental's Customer Service Center at: (651) 406-5916 or (800) 553-9536. Customer Service hours are 7 a.m. to 7 p.m., Monday through Friday, Central Standard Time.

Using Your Dental Program

Dentists who participate with Delta Dental under this Plan are independent contractors. The relationship between you and the participating dentist you select to provide your dental services is strictly that of provider and patient. Delta Dental cannot and does not make any representations as to the quality of treatment outcomes of individual dentists, nor recommends that a particular dentist be consulted for professional care.

All claims should be submitted within 12 months of the date of service.

If your dentist is a participating dentist, the claim form will be available at the dentist's office.

If your dentist is nonparticipating, claim forms are available by calling:

Delta Dental of Minnesota - (651) 406-5916 or (800) 553-9536

The Plan also accepts the standard American Dental Association (ADA) claim form used by most dentists.

The dental office will file the claim form with Delta Dental; however, you may be required to assist in completing the patient information portion on the form (Items 1 through 14).

During your first dental appointment, it is very important to advise your dentist of the following information:

- * YOUR DELTA DENTAL GROUP NUMBER
- * YOUR EMPLOYER (GROUP NAME)
- * YOUR IDENTIFICATION NUMBER (your dependents must use **YOUR** identification number)
- * YOUR BIRTHDAY AND THE BIRTH DATES OF YOUR SPOUSE AND DEPENDENT CHILDREN

Cancellation and Renewal

The Plan may be canceled by Delta Dental only on an anniversary date of the Group Dental Plan Contract, or at any time the Group fails to make the required payments or meet the terms of the Contract.

Upon cancellation of the Plan, Covered Persons of the Group have no right to continue coverage under the Plan or convert to an individual dental coverage contract.
