LABOR AGREEMENT

Between

CITY OF MINNEAPOLIS

and

MINNEAPOLIS BUILDING & CONSTRUCTION
TRADES COUNCIL, AFL-CIO

THIS AGREEMENT, hereinafter referred to as the *Labor Agreement* or the *Agreement*, is made and has been entered into effective the 1st day of May, 2017 by and between the City of Minneapolis, the *Employer*, and the Minneapolis Building and Construction Trades Council, AFL-CIO, the *Union*. Unless specifically agreed to by the Employer and the Union in writing, any changes in this Agreement from the prior labor agreement shall be effective upon ratification of this Agreement by both the Union and the Employer's City Council. The Employer and the Union, the *Parties*, agree to be bound by the following terms and provisions:

ARTICLE 1

RECOGNITION AND UNION SECURITY

Section 1.01 - Recognition and Amendments to Unit

Subd. 1. Recognition

The Employer recognizes the Union as the sole and exclusive certified collective bargaining representative of all employees whose job classifications and rates of pay are set forth in Appendix "A" of this Agreement, except those who are Supervisors and Confidential employees within the meaning of the *Minnesota Public Employment Labor Relations Act*, as amended, those who are otherwise excluded by the Act, and all other employees.

Subd. 2. Amendment to Certified Unit

Disputes which arise between the Employer and the Union over the inclusion or exclusion of any job classifications may be referred by either Party to the Commissioner, Bureau of Mediation Services, State of Minnesota, for determination in accordance with applicable statutory provisions. Determination by the Commissioner shall be subject to such review and determination as is provided by statute and such rules and regulations as are promulgated there under. In the event the Employer has established a new job classification which is added to the bargaining unit by agreement between the Parties or by determination of the Commissioner, Bureau of Mediation Services, State of Minnesota, the Parties agree to negotiate with one another concerning wages and such other terms and conditions of employment as may be applicable to the position and which are not covered by this Agreement. However, it is agreed that all other terms and provisions of the Agreement shall apply to the new job classification.

Section 1.02 - Union Dues and Fair Share Fees Check-Off

Subd. 1. Union Dues Payroll Deductions

In recognition of the Union as the exclusive representative, the Employer shall deduct an amount sufficient to provide the payment of the regular monthly Union membership dues uniformly established by the Union from the wages of all employees who have authorized, in writing, such deduction on a form designated and furnished by the Union. The Union shall certify to the Employer, in writing, the current amount of regular monthly membership dues which it has uniformly established for all members. Such deductions shall be cancelled by the Employer upon a written request made by the involved employee to the Union with a copy to the appropriate departmental payroll office.

Subd. 2. Fair Share Fees Payroll Deductions

In accordance with *Minnesota Statutes* §179A.06, Subd. 3, the Employer shall, upon notification by the Union, deduct a *fair share fee* from all certified employees who are not members of the Union. This fee shall be an amount equal to the regular membership dues of the Union, less the cost of benefits financed through the dues and available only to members of the Union, but in no event shall the fee exceed eighty-five percent (85%) of the Union's regular membership dues or such amount as may otherwise be allowable by law. The Union shall certify to the Employer, in writing, the current amount of the fair share fee to be deducted as well as the names of bargaining unit employees required by the Union to pay the fee.

Subd. 3. Time of Deductions

The Employer shall deduct Union dues and fair share fees each payroll period. In the event an employee covered by the provisions of this section has insufficient pay due to cover the required deduction, the Employer shall have no further obligations to effect subsequent deductions for the involved payroll period.

Subd. 4. Remittance

The Employer shall remit such membership dues and fair share fees deductions made pursuant to the provisions of this section to the appropriate designated officer of the Union by the 15th of the month following the month of the deduction along with a list of the names of the employees from whose wages deductions were made and not made.

Subd. 5. General Administration

The following shall be applicable to the administration of the provisions of this section:

a. All certifications from the Union as to the amounts of deductions to be made as well as notifications by the Union and/or bargaining unit employees as to changes in deductions must be received by the Employer at least fourteen (14) calendar days in advance of the date upon which the deduction is scheduled to be made in order for any change to be effected.

b. The Employer shall, upon the request of the Union, but no more frequently than once each calendar quarter, provide the Union with a report showing the names of those employees in the bargaining unit along with their classifications and department locations, mailing addresses of record, Union Code, current rates of pay, and classification/City seniority.

c. When an employee on the dues deduction transfers from one work location within the bargaining unit to another, the deduction of dues shall not be terminated except as directed by the involved employee.

d. No other employee organization shall be granted payroll deduction of dues for employees covered by the Agreement without the express written permission of the Union.

Subd. 6. Hold Harmless

The Union agrees to indemnify, defend and hold the Employer, its officers, agents and employees harmless against any and all claims, suits, orders or judgments brought or issued against the Employer, its officers, agents and employees as a result of any action taken or not taken in compliance with the specific provisions of this section or which are taken or not taken at the request of the Union.

Section 1.03 - Exclusive Representation

The Employer shall not enter into any agreements with the employees covered by this Agreement either individually or collectively or with any other employee organization which in any way conflicts with the terms and provisions of this Agreement. Further, the Employer shall meet and negotiate, pursue the resolution of grievances and conduct arbitration proceedings only with the properly designated representative(s) of the Union.

Section 1.04 - Union Stewards

The Union may designate certain bargaining unit employees to act as stewards and shall certify to the Employer, in writing, their names, along with the names of business representatives and/or officers of the Union who shall be authorized by the Union to investigate and present grievances. The Employer agrees to recognize such representatives, subject to the following:

Subd. 1. Number of Stewards

The Union may designate one (1), but no more than one (1), steward on each shift for each of the Employer's principal work areas from among those employees who work therein.

Subd. 2. Activities of Stewards

Designated and certified stewards shall be granted reasonable time off, with pay, in order to investigate and/or present grievances to the Employer during their normal working hours. Such stewards, however, shall not leave their work stations without first obtaining the permission of their immediate supervisor and shall notify their immediate supervisor upon returning to work. The permission of the supervisor shall not be denied without good cause. When the Parties agree that it is mutually beneficial to have an officer of the Union participate in such presentation and/or investigation, such officer shall also be authorized time off with pay for this purpose. Stewards and other representatives of the Union shall not interfere in any way with the

Employer's operation or with the performance of work by its employees. Nothing in this paragraph, however, shall be construed to limit the proper presentation of grievances provided for by this subdivision.

Section 1.05 - Visitation

With notice to an available supervisor at a worksite, non-employee representatives of the Union who have been certified to the Employer may come on the worksite for the purpose of investigating and presenting grievances. The Union agrees there shall be no solicitation for membership, signing up of members, collection of initiation fees, dues, fines or assessments, meetings or other Union activities on the Employer's time by such non-employee representatives, the Union's stewards or any officers of the Union.

Section 1.06 - Bulletin Boards

The Employer shall provide for the Union's use, reasonable space on designated bulletin boards for the purpose of posting official Union notices. Each posted notice shall bear the signature of the Union representative who has posted the notice and the date of the posting. Such person shall be required to remove the notice once it has served its purpose. The Union shall not post material of a political nature.

Section 1.07 - Union Membership

Employees have the right to join or to refrain from joining the Union. Neither the Employer nor the Union nor any of their respective agents or representatives shall discriminate against or interfere with the rights of employees to become or not become members of the Union, and further there shall be no discrimination or coercion against any employee because of Union membership or non-membership. The Union shall, in its responsibility as exclusive representative of the employees, represent all bargaining unit employees without discrimination, interference, restraint, or coercion.

Section 1.08 – City Pipe Trades Pension Fund

The Employer and the Union will explore the feasibility and process necessary to implement the language and contributions required that would allow employees represented by Minneapolis Building and Construction Trades Council, Building Trades Unit to participate in the City Pipe Trades Pension Fund. Upon mutual consent to the above, and at the request of the Union, the Employer agrees it will modify the language and financial terms of the Agreement as it pertains

to Building Trades, Trades Unit represented employees in order to implement the required contributions.

The Employer and the Union explored the feasibility and processes necessary for implementation of the language and contributions required for employee participation in the City Pipe Trades Pension Fund. The Employer and the Union determined that it was in the best interests of the employees to reduce their wages in order to allow Union members to participate in the City Pipe Trades Pension Fund. The parties agree that the amount, which would otherwise be paid in salary or wages will be contributed instead to the City Pipe Trades Pension Fund *as pre-tax employer contributions*. The City Pipe Trades Pension Fund is a supplemental pension fund authorized by Minnesota Statutes, Section 356.24, Subdivision 1(8) (2001). Employee wage reductions are the sole source of contributions to the City Pipe Trades Pension Fund.

At the request of the Union, a pension contribution of two dollars and thirty-three cents (\$2.33) per hour for each straight time hour paid to a maximum of \$5,000 per employee per year which commenced effective May 1, 2011. The Employer shall pay this contribution directly to the City Pipe Trades Pension Fund. The Union agrees to indemnify, defend and hold the Employer, its officers, agents and employees harmless against any and all claims, suits, orders or judgments brought or issued against the Employer, its officers, agents and employees as a result of any action or not taken in reliance on the specific provisions of this section or which are taken or not taken at the request of the Union. This hold harmless clause does not hold the employer harmless for failing to electronically transfer the agreed upon contributions in the absence of the failure of the systems involved in the receipt or disbursement of the electronic transfers.

For purposes of determining future wage rates, the Employer shall first restore the amount of the wage reduction (\$2.33 per hour), then apply the applicable wage multiplier, then reduce the revised wage.

ARTICLE 2 **MANAGEMENT RIGHTS**

The Union recognizes the right of the Employer to operate and manage its affairs in all respects in accordance with applicable laws and regulations of appropriate authorities. All rights and authority which the Employer has not officially abridged, delegated or modified by the express terms and provisions of this Agreement are retained by the Employer.

ARTICLE 3
NO STRIKE - NO LOCKOUT

Section 3.01 - No Strike

The Union, its officers or agents, or any of the employees covered by this Agreement shall not cause, instigate, encourage, condone, engage in, or cooperate in any strike, work slowdown, mass resignation, mass absenteeism, the willful absence from one's position, the stoppage of work, or the abstinence in whole or in part of the full, faithful and proper performance of the duties of employment during the term of this Agreement.

Section 3.02 - No Lockout

The Employer agrees that neither it, its officers, agents nor representatives, individually or collectively, will authorize, institute or condone any lockout of employees during the term of this Agreement.

Section 3.03 - Violations by Employees

Any employee who violates any provision of this article may be subject to disciplinary action, including discharge.

ARTICLE 4
SETTLEMENT OF DISPUTES

Section 4.01 - Grievance Procedure

This grievance procedure has been established to resolve any specific dispute arising between the employee(s) covered by this Agreement and the Employer concerning, and limited to, the proper interpretation or application of the express terms and provisions of this Agreement. Such a dispute shall hereinafter be referred to as a *grievance* which shall be resolved in accordance with the provisions of this article. The Parties agree that this procedure is the sole and exclusive means of resolving all grievances arising under this Agreement. Grievances shall be resolved in the following manner:

Subd. 1. Step 1 (Informal)

Any employee who believes the provisions of this Agreement have been violated may discuss the matter with his/her immediate supervisor as designated by the Employer in an effort to avoid a grievance and/or resolve any dispute. While employees are encouraged to utilize the provisions of this subdivision, nothing herein shall be construed as a limitation upon an employee or the employee's Union representative respecting the filing of grievances at Subd. 2 (Step 2) of the grievance procedure.

Subd. 2. Step 2 (Formal)

If the grievance has not been avoided and/or the dispute resolved by the operation of Step 1 and the employee or the Union wishes to file a formal grievance, the employee, or the employee's Union representative on behalf of the employee, shall file a written grievance which has been signed by the employee with the employee's department head or with his/her designee. The grievance must be filed within twenty-one (21) calendar days of the event which gave rise to the grievance or within fourteen (14) calendar days of the time the employee reasonably should have knowledge of the occurrence of the event, whichever is later. At the time the grievance is served upon the employee's department head, the Union shall provide the Employer's Director of Employee Services with an informational copy thereof.

The department head shall respond in writing to the Union, the employee and the Employer's Director of Employee Services within thirty (30) calendar days after receipt of the grievance.

Subd. 3. Step 3 (Notice of Intent to Arbitrate)

If the grievance has not been resolved by the department head's response at Step 2 and the Union intends to continue to pursue the grievance, the Union shall, within fourteen (14) calendar days after receipt of the department head's response, refer the grievance to arbitration by so notifying, in writing, the Employer's Director of Employee Services of its intent.

The Employer's Director of Employee Services or his/her designee and representatives of the Union shall meet within thirty (30) calendar days of the date the Union filed its *Notice of Intent to Arbitrate* in an attempt to resolve the grievance. The Employer's Director of Human Resources or his/her designee shall have the full authority of the City Council and the Mayor to resolve the grievance. If the Parties have not resolved the grievance within seven (7) calendar days of the step 3 decision, the Union may initiate the arbitration process as provided for in

Section 4.02 of this article.

Section 4.02 - Selection of the Arbitrator

Within seven (7) calendar days of the date of the step 3 decision the Union shall have the right to submit the matter to arbitration by informing the Director of Employee Services that the matter is to be arbitrated. Thereafter, the Parties shall attempt to have the grievance resolved in a timely manner. When a Party has the burden of production, any period of inactivity greater than thirty (30) days shall result in the matter becoming untimely. The defaulting Party shall be solely responsible for the arbitrator's fee, if any.

If the matter is to be arbitrated, a single arbitrator shall be selected from the established panel of qualified arbitrators. The arbitrator shall be selected on an alphabetical, rotational basis with each Party having the right to exercise one strike. If the arbitrator is stricken, s/he will retain his/her position in the order. Either Party may request an annual review of the panel at which time a new panel may be selected. The arbitrator shall be notified of his/her selection by either or both of the Parties who shall request that s/he set a time and place for the arbitration hearing subject to the availability of the Parties.

Section 4.03 - Authority of Arbitrator

The Arbitrator shall have no authority to amend, modify, nullify, ignore, add to or subtract from the provisions of this Agreement. He/she shall be limited to only the specific written grievance submitted by the Employer and the Union, and shall have no authority to make a decision on any other issue not so submitted. The Arbitrator shall submit a written decision, opinion and/or award within thirty (30) calendar days, following the close of the hearing or the submission of briefs by the Parties, whichever is later, unless the Parties agree to an extension thereof. The decision, opinion and/or award shall be based solely upon the arbitrator's interpretation of the meaning or application of the express terms of this Agreement as applied to the facts of the grievance presented. The decision of the Arbitrator shall be final and binding upon the Employer, the Union and the employees it represents.

Section 4.04 - Arbitration Expenses

The fees and expenses of the Arbitrator shall be divided equally between the Employer and the Union provided, however, that each Party shall be responsible for compensating its own representatives and witnesses. If either Party desires a verbatim record of the proceedings, it

may cause such record to be made provided it pays for the record and provides a copy thereof to the other Party and to the Arbitrator.

Section 4.05 - Time Limits, Waiver and Automatic Advancement

The time limits established in this article may be extended by mutual written agreement between the Employer and the Union. If a grievance is not presented within the specified time limits, it shall be considered *waived*. If a grievance is not appealed to the next step within the specified time limits, it shall be considered resolved on the basis of the last answer provided and there shall be no further appeal or review. In the event the Employer does not respond within the specified time limits, the grievance may advance, at the Union's request, to the next step.

Section 4.06 - Election of Remedy

The parties acknowledge that the facts and circumstances which form the basis of a grievance may also form the basis of claims which may be asserted by an individual employee in other forums. The purpose of this section is to establish limitations on the right of the Union to pursue a grievance in such situations.

Subd. 1. Civil Service Rights.

When the subject matter of a grievance to which Article 4, Settlement of Disputes applies is also within the jurisdiction of the Minneapolis Civil Service Commission, the resolution of the dispute may proceed through the grievance procedure or the Civil Service appeals procedure. However, once the employee files an appeal to the Civil Service Commission, the Union's right to pursue a grievance under Article 4 is terminated.

Notwithstanding anything in the Civil Service Rules to the contrary, an employee's right to file an appeal with the Civil Service Commission expires on the later of : ten (10) days after the deadline for the Union to file a grievance under this Article; or ten (10) days after the employee has notice from the Union of its final decision not to file pursue a grievance. The Union shall provide notice to the City of such decision promptly after providing notice to the employee.

Subd. 2. Rights of Veterans.

Some employees covered by the Agreement may have individual rights to contest a removal from position or employment under Minn Stat. 197.46. Once an employee requests a hearing

under Minn. Stat. 197.46, the Union's right to pursue a grievance under this Article is terminated.

Subd. 3. Other Rights of Employees.

No action by the Union under this Agreement shall prevent an employee from pursuing a charge of discrimination brought under Title VII, The Americans with Disabilities Act, the Age Discrimination in Employment Act, the Equal Pay Act.

ARTICLE 5
EMPLOYEE DISCIPLINE AND DISCHARGE

Section 5.01 - Just Cause

Disciplinary action may be imposed upon an employee who has satisfactorily completed the initial probationary period only for just cause. Discipline shall be imposed in a timely manner.

Section 5.02 - Progressive Discipline

Disciplinary action shall normally include only the following measures and, depending upon the seriousness of the offense and other relevant factors, shall normally be administered progressively in the following order:

Subd. 1. Reprimands, either oral or written;

Subd. 2. Suspension from duty without pay;

Subd. 3. Demotion in position and/or pay or discharge from employment.

If the Employer has reason to reprimand an employee, it shall normally not be done in the presence of other employees or the public.

Section 5.03 - Discharge Due Process

No *regular employee* (i.e., an employee who has satisfactorily completed the initial probationary period) shall be discharged without having been afforded an opportunity to hear the reason(s) for the discharge and without an opportunity to offer an explanation of the relevant facts and

Whenever possible and practical, such opportunities shall be provided in a conference with the Employer which shall be conducted after advance notice to the employee and his/her Union representative who shall be permitted to attend the conference. If a conference is to be conducted, the involved employee(s) shall remain in pay status until the conference has been completed.

Section 5.04 - Appeals

Disciplinary actions within the meaning of this article, excluding oral reprimands, imposed upon an employee who has completed the initial probationary period, may be appealed through the grievance procedure outlined elsewhere in this Agreement. Grievances filed concerning suspensions, demotions and/or discharges may be initiated at Step 2 of such procedure. Such matters shall be handled in accordance with the provisions of the grievance procedure; and, if necessary, through the arbitration procedure.

Section 5.05 - Disciplinary Action Records

A written record of all disciplinary actions within the meaning of this article, excluding oral reprimands, shall be provided to the involved employee(s) and may be entered into the employee's personnel record. Investigations into conduct which do not result in disciplinary action, however, shall not be entered into the employee's personnel record. When a disciplinary action more severe than a written reprimand is imposed, the Employer shall notify the employee in writing of the specific reason(s) for such action at the time such action is taken and provide the Union with an informational copy. Written reprimands shall not be relied upon to form the basis for further disciplinary action after two (2) years following the date of the written reprimand.

Section 5.06 - Disciplined Employee's Response

Any employee who is disciplined by written reprimand, suspension, demotion or discharge (and/or such employee's Union representative) shall be entitled to have a written response, if any, included in their personnel record, if filed with the Employer within twenty (20) calendar days of the issuance thereof.

Section 5.07 - Union Representation

Section 6.01 - Seniority Defined

When used in this Agreement, the terms *City seniority* and *classification seniority* shall have the meanings given them below:

City seniority is defined as the length of uninterrupted employment with the Employer and based on the employee's initial certification as a City employee. Effective for employee's hired on or after May 1, 1999, *city seniority* is defined as the length of uninterrupted employment with the Employer and based on the date of the employee's first day of employment.

Subd. 2. Classification Seniority Defined

Classification seniority is defined as the length of employment within a job classification and based on the employee's certification number. Effective for employee's hired on or after May 1, 1999 or changing classifications on or after May 1, 1999, *classification seniority* is defined as the length of employment within a job classification and based on the date the employee began working in that classification on a permanent basis.

Subd. 3. Ties in Seniority

Ties in classification seniority shall be broken by City seniority. Ties in City seniority shall be broken randomly.

Subd. 4. Seniority During Workers' Compensation Absences

City and classification seniority shall not be lost and shall continue to accumulate without limitation during all workers' compensation absences.

Section 6.02 - System Seniority Credit

Upon hiring an applicant who was previously employed by the Minneapolis Board of Education and/or the Minneapolis Park and Recreation Board, the Employer shall grant City and Classification seniority credit for all purposes provided such applicant's employment is continuous between such Boards and the Employer and to the extent that such Boards afford reciprocal recognition of seniority credit to the employees covered by this Agreement.

Section 6.03 - Loss of Seniority

An employee's seniority shall be lost and his/her employment shall be terminated upon the occurrence of any of the following:

Subd. 1. He/she quits or retires and does not rescind such action within five (5) calendar days;

Subd. 3. He/she has been laid off and not actively working for the Employer for a period of three (3) years.

ARTICLE 7
FILLING VACANT POSITIONS

The Parties agree that the following provisions respecting the filling of vacant bargaining unit positions shall be applicable in addition to other Employer-promulgated procedures to the extent that such procedures do not conflict with the provisions herein. The provisions herein shall become effective upon ratification of this Agreement.

Section 7.02 - Job Postings and Applications

Subd. 1. Job Postings

Job Postings, when offered, shall be posted for a period of not less than ten (10) calendar days. The Job Posting shall set forth the title, salary, nature of work to be performed, minimum qualifications, the place and manner of making applications and the closing date applications will be received. The Employer may establish a definite or an indefinite closing date for the filing of applications. If the Employer has established an indefinite closing date, it must notify employees of any fixed closing date, later determined, by a posting adjacent to the originally posted Job Posting. An applicant's eligibility for promotion begins on the date their name was added to a requisition list. Job Postings for newly created positions and/or for positions for which the title, salary, nature of work to be performed and/or minimum qualifications are materially different from the Job Posting previously used, shall not be finalized by the Employer until the affected Union representative has had an opportunity to review the proposed Job Posting and provide the Union's input into the Job Posting development process. A copy of the Job Posting in its final form shall be furnished to the Union at least seven (7) calendar days prior to its approval.

Subd. 2. Stated Qualifications

The minimum qualifications set forth in the Job Posting shall be related to the job duties of the involved position and shall include applicable education, training, experience, skills and abilities required. Such minimum qualifications shall not, however, include artificial and/or irrelevant time-in-grade, promotional line and/or grade level requirements.

Subd. 3. Application for Promotion

All employees may make application for any Job Posting provided they meet the minimum, stated qualifications for the involved position; provided, however, that employees who have failed a promotional probationary period in a classification shall not be permitted to take an examination for promotion to that classification within twelve (12) months of the date of such failure. For those employees who successfully gain a new position with the Employer prior to serving their initial probationary period, issues regarding probation and seniority will be resolved on a case by case basis.

Subd. 4. External Job Postings

The Employer may, in its discretion, conduct External Job Postings. The Employer may advertise an external position internally and externally simultaneously. For purposes of this article, applicants from the Minneapolis Library Board, the Minneapolis Board of Education and the Minneapolis Park and Recreation Board shall be considered as *outside* applicants.

Section 7.03 - Examination of Qualified Applicants

Subd. 1. Examination Times

When an employee is scheduled to take a Minneapolis Civil Service examination during his or her regular scheduled hours of duty, the Employer shall grant time off, with pay, to take the examination.

Subd. 2. Examination Scores

One hundred percent (100%) of the total examination score shall be based upon the results of each applicant's test score(s). Such tests shall be developed by the Employer and may consist of more than one component.

Section 7.04 – Requisition Lists

Subd. 1. Passing Score

Each applicant whose 1) total examination score, and 2) test score(s) equals or exceeds seventy (70) points, shall be considered to have passed the examination.

Subd. 2. Eligibles - Requisition Lists

The names of those applicants who have passed an examination shall be placed on a Requisition List in descending order of their total examination scores in addition to any Veteran's Preference points, if applicable. In the event two or more eligibles hold identical total examination scores, their names shall be placed on the Requisition List in random order; however, the names of Veterans shall always be placed over the names of non-Veterans who hold identical scores.

Subd. 3. List Expiration

The Staffing Division of the Human Resources Department shall inform applicants of the length of their eligibility by stating it on the Job Posting and/or by letter.

Section 7.05 - Selection of Certified Eligibles

Any or all of the eligibles on a requisition list may be certified to the appointing authority for selection. In the event an external job posting is conducted, at least the top three internal applicants who pass the exam shall be certified for interview. Any of the eligibles certified to the appointing authority may be selected to fill the vacant position. The name of the eligible selected shall be removed from the requisition list.

Section 7.06 - Probationary Periods

An eligible selected to fill a vacant position shall serve an initial or promotional probationary period as applicable. All probationary periods shall be six (6) months in duration. A probationary employee may be removed from the position at the discretion of the appointing authority. Such removal shall not be subject to the grievance/arbitration provisions of this Agreement. Removal during an employee's initial probationary period shall result in termination of employment. An employee removed during a promotional probationary period, however, shall have the right to return to a vacant position in his/her previous classification, or, if none is available to his/her previous position. For purposes of this section, six (6) months shall be deemed to be one thousand forty-four (1044) hours of work. Time spent in temporary duty in the position immediately preceding the appointment shall count towards satisfaction of the probationary period, benefits eligibility (without retroactivity) and pay progression requirements.

Section 7.07 - Position Audit and Class Maintenance Studies

Subd. 1. Position Audit

Employees who believe that their individual position has changed due to gradual changes over a period of time in the kind, responsibility, or difficulty of the work performed, may request that their position be audited to assure proper classification. To request a position audit, the employee must submit a Job Analysis Questionnaire on the form provided by the Human Resources Department. The employee will complete the questionnaire and submit it to their supervisor for review, comments and signature. The supervisor will forward it to the department head for similar action. The department head will forward the completed and signed

questionnaire to the Human Resources Department. If the supervisor fails to act upon the request within 30 calendar days, the employee may forward the request to the department head with another copy provided to the supervisor. If the department head fails to respond within 30 calendar days after receiving the questionnaire, the employee may document the department's failure to provide a timely response, and may then submit the study request directly to the Human Resources Department. Requests for study of an employee's individual position may be submitted no more than once every 24 calendar months, unless the Parties agree that substantial changes have occurred in the position justifying the need for a new audit.

If the audit results in a reclassification of the individual position no vacancy shall be deemed to have been created. Upon reclassification, to a position providing a higher maximum salary, the incumbent employee shall be appointed to the reclassified position and the incumbent employee's pay shall be determined in accordance with Section 9.03, Subd. 1 of this Agreement. The effective date of the reclassification for pay and seniority purposes shall be the date upon which the involved employee submitted a completed request for reclassification to the Employer's Human Resources Department with a copy to the involved Department Head. The provisions of this section shall apply only to the incumbent employee who has been permanently certified to the involved position.

When a position is reclassified as a result of gradual changes over a period of time in the kind, responsibility, or difficulty of the work performed in a position to a classification providing a lower maximum salary, the involved incumbent employee may request that the reclassification be considered to be a layoff. If so requested, the provisions of Article 8 ("Layoff and Recall From Layoff") shall be applied. In the alternative, the involved incumbent employee may elect to remain in the reclassified position and the incumbent employee's pay shall be frozen until such time as the salary for the new classification is the same or greater than the salary as frozen, at which point the salary schedule for the classification shall govern future changes.

Subd. 2. Class Maintenance Study

The Employer may initiate class maintenance studies related to a specific class or a group of positions within a department/division to maintain the integrity of the Employer's classification system. The Employer will consider requests by the Union to initiate such studies. The format of these studies may include an informal survey or an in-depth study of changes in the kind, responsibility, or difficulty of work performed since the classification was last studied at the discretion of the Human Resources Department. Individuals in a studied class may not request a position study while the Maintenance Study is in progress. If the study is not completed within 120 days, the employee may request an individual position audit using the

previously stated process and time frames for job audits.

If a class or group of positions is/are reclassified pursuant to a class maintenance study to a class providing a higher maximum salary, no vacancy shall be deemed to have been created. Upon reclassification, the incumbent employees shall be appointed to the reclassified position and the incumbent employees' pay shall be determined in accordance with Section 9.03, Subd. 1 of this Agreement. The effective date of the reclassification for pay purposes shall be January 1st of the calendar year following completion of the study. Incumbent employees shall maintain the classification seniority date of their previous classification as the classification seniority date of the new classification. The provisions of this section shall apply only to the incumbent employees who have been permanently certified to the involved positions.

When a class or group of positions is/are reclassified pursuant to a Maintenance Study to a class providing a lower maximum salary, the involved incumbent employee may request that the reclassification be considered to be a layoff. If so requested, the provisions of Article 8 ("Layoff and Recall From Layoff") shall be applied. In the alternative, the involved incumbent employee may elect to remain in the reclassified position and the incumbent employee's pay shall be frozen until such time as the salary for the new classification is the same or greater than the salary as frozen, at which point the salary schedule for the classification shall govern future changes.

The Human Resources Department will develop an initial schedule of class maintenance studies in conjunction with the Union that provides that each class will be reviewed within six (6) calendar years from the date of execution of this Agreement. Thereafter, Human Resources will develop an on-going schedule of class maintenance studies that provides for a maintenance study on a rotating basis at least once every four (4) calendar years. Such studies may be done more frequently as needed to maintain the integrity of the classification system.

Section 7.08 - Lateral Transfers

Employees may request to be transferred to a vacant position within their classification in another department and may be transferred pursuant to such request with the written approval of their department head, the involved appointing authority and the Employer's Director of Labor Relations. Such transferred employees shall serve a three (3) month probationary period in the new position. If removed by the appointing authority during the probationary period, the involved employee shall be reassigned to a vacant position within the classification or, if none is available, to their previous position.

Section 7.09 - Permits and Details

The Employer may select employees for temporary duty in other classifications and/or positions (*details*) and/or utilize temporary employees (*permits*) for periods not to exceed the length of an incumbent employee's absence or six (6) consecutive calendar months, whichever is longer. Such limitations shall not be exceeded except by the express written mutual agreement between the Parties.

ARTICLE 8 **LAYOFF AND RECALL FROM LAYOFF**

Section 8.01 - Layoffs and Bumping

Whenever any permanent position is to be abolished or it becomes necessary because of lack of funds, lack of work to reduce the number of employees in the classified service in any department, the department head shall immediately report such pending layoffs to the City Coordinator or his designated representative. The status of involved employees shall be determined by the following provisions and the involved employees will be notified.

Subd. 1. General Order of Layoff

Within the affected division and classification, layoffs shall be made in the following manner:

- a. Permit employees within the division shall be first laid off;
- b. Temporary employees within the division (those certified to temporary positions) shall next be laid off;
- c. Persons appointed to permanent positions within the division shall then be laid off.

Subd. 2. Layoff Based on Classification Seniority

The employee first laid off shall be the employee within the affected division who has the least amount of classification seniority in the classification in which reductions are to be made. Provided, however, employees retained must be deemed qualified to perform the required work

and employees who possess unique skills or qualifications which would otherwise be denied the Employer may be retained regardless of their relative seniority standing. The temporary release of a *permanent intermittent* employee (i.e., one who is regularly employed on a seasonal, periodic or other recurring basis during the year) shall not be regarded as a *layoff* within the meaning of this article.

Subd. 3. Bumping

Employees who are laid off shall have their names placed on a layoff list for their classification. Such employees who have at least two (2) years of City seniority shall have the right to displace (*bump*) the employee of lesser City seniority who was last certified to progressively lower paid classification(s) previously held permanently (i.e., one in which the probationary period was satisfactorily completed) by the laid off employee, in which job performance was deemed by the Employer to be satisfactory, which is lower than the original classification of the laid off employee, and which is within the affected division. In all cases, however, the bumping employee must meet the current minimum qualifications of the claimed position and must be qualified to perform the required work.

Section 8.02 - Notice of Layoff

The Employer shall make every reasonable effort under the circumstances to provide affected employees with at least fourteen (14) calendar days' notice prior to the contemplated effective date of a layoff.

Section 8.03 - Recall from Layoff

An employee in the classified service who has been laid off may be re-employed without examination in a vacant position of the same class within the same division within three (3) years of the effective date of the layoff. Failure to receive an appointment within three (3) years will result in the eligible's name being removed from the list.

Section 8.04 - Application and Scope

Subd. 1. Other Bargaining Units

For purposes of this article, bargaining unit employees may displace (*bump*) non-bargaining unit employees. Further, non-bargaining unit employees shall be permitted to displace bargaining unit employees. Specifically, the provisions of this article respecting layoff,

bumping and recall, shall be applicable to those employees excluded from the bargaining unit by virtue of their supervisory or confidential status.

Subd. 2. Division Defined

For purposes of this article, the term *division* shall include the following organizational units of the Employer: Each of the major operating divisions of the Employer's Public Works Department, each City Coordinator department, and its Auditorium/ Convention Center.

Section 8.05 - Exceptions

The following exceptions may be observed:

Subd. 1. Mutual Agreement

If the Employer and the Union agree upon a basis for layoff and reemployment in a certain position or group of positions and such agreement is approved by the City Coordinator or his/her designated representative, employees will be laid off and re-employed upon that basis.

Subd. 2 - Emergency Retention

Regardless of the priority of layoff, an employee may be retained on an emergency basis for up to fourteen (14) calendar days longer to complete an assignment.

ARTICLE 9
WAGES AND PAYROLLS

Section 9.01 - Classifications and Rates of Pay

Subd. 1. General

Subd. 2. Job Classification System

a. The job classification evaluative process shall be based upon professionally developed standards equally applied to all positions without bias.

b. Job classes shall be established which group positions that have identical or similar primary duties. Within each classification, the nature of the work shall be significantly different from other job classes.

c. Positions shall be classified based upon their job related contributions and/or assessed value to the City's functions.

d. New positions shall be evaluated and placed into job classes based upon a comparison of the similarity of the assigned duties to other positions in the job class. New positions shall be placed into existing job classes unless the duties or conditions of employment are found to be substantially different from other existing classes in the classified service.

e. The MCSC shall maintain appropriate records relating to classification studies and actions, and shall maintain a written class specification for each job class in the classified service describing typical duties and responsibilities of positions in the job class.

f. The MCSC, in coordination with the City's Affirmative Action Program, shall assign appropriate Federal Job Category (*FJC*) designations to each job class.

Disputes respecting the classification of jobs within any bargaining unit shall be directed to the MCSC for review and final action. No dispute respecting the classification of jobs shall be subject to the grievance/arbitration provisions of this Agreement. In the event, either by law or otherwise, the MCSC loses its legal authority to administer the Employer's job classification system during the life of this Agreement, the provisions of this section shall be null and void and the Parties shall meet and negotiate with one another, at the request of either of them, over an appeal procedure or other job classification dispute resolution process.

Section 9.02 - Pay Progressions

All employees shall be eligible to be considered for advancement to the next higher step within the pay range for their classification, if applicable, upon the completion of each twelve (12) months of *actual paid service* (i.e., 2088 compensated hours) in such classification. Such increases may be withheld or delayed in cases where the employee's job performance has been of a less than satisfactory level in which case the employee shall be notified that the increase is being withheld or delayed and of the specific reasons therefore. All such denials or delays shall be grievable under the provisions of Article 4 of this Agreement. All increases approved pursuant to this section shall be made effective on the first day of the pay period, which includes the date of eligibility.

Section 9.03 - Advances and Transfers

Subd. 1. Closest to 5% Rule

The salary of an employee who advances from one grade to a higher grade shall be the increment nearest the salary last received by such employee in the lower classification plus 5%. Thereafter, the employee shall be advanced in accordance with Section 9.02 of this article. An employee who voluntarily demotes to their previously held position within twelve (12) calendar months following promotion shall be returned to the same pay step which was applicable immediately prior to the promotion. The provisions of this subdivision shall also be applicable whenever an employee is detailed to perform all or substantially all of the duties of a higher paid classification. However, a detailed employee will only receive advancement to a higher step based upon their permanently certified title.

Subd. 2. Pay Upon Transfer

When an employee attains a position in another classification which provides for an identical pay progression schedule he/she shall retain the same pay step as was applicable in his/her previous position and the employee shall retain the same anniversary date for future pay increase effective dates.

Subd. 3. Pay Upon Demotion

The salary of an employee who voluntarily demotes shall be placed on the salary step on which they would be if they had remained in the position.

The salary of an employee who is demoted for disciplinary reasons from one classification to another which provides for a lower maximum salary, shall be the same step which the employee had before the demotion; however, the employee shall not be placed on a step which provides for a lower salary than the employee had prior to the promotion. Thereafter, the employee shall increase in accordance with Section 9.02 (*Pay Progressions*) of this article.

Subd 4. Pay of Foremen

The hourly salary of a Foremen Painter shall be 6.1% greater than that of the Journeyman Painter. The hourly salary of a Foreman Carpenter shall be 6.1% greater than that of the Journeyman Carpenter.

For purposes of benefit plan administration, all compensated hours (exclusive of overtime hours and workers' compensation, unemployment compensation or similar insured compensation payments) shall be considered *hours worked* for all benefit accruals provided for by this Agreement. Benefit accruals shall be based upon a proportionate number of straight-time compensated hours only.

ARTICLE 10

HOURS OF WORK AND OVERTIME

Section 10.01 - Work Day and Work Week Defined

Subd. 1. Normal Work Day and Work Week Configuration

The normal work day shall be eight (8) hours of work and the normal work week, regardless of shift arrangements, shall be forty (40) hours of work. Nothing herein shall be construed as a guarantee of hours of work per day or per week. There shall be no split shifts and days off shall be scheduled consecutively when reasonably practicable. By mutual agreement

between the City and the employee, the employee may be scheduled to four (4) consecutive 10 hour days per week.

Subd. 2. Departures From the Normal Work Schedule

Should it be necessary for the department to temporarily establish work schedules departing from the normal work schedule, notice of such change shall be given to the employee eight (8) hours in advance when practicable.

Section 10.02 - Lunch and Rest Periods

Subd. 1. Lunch Period

One (1) thirty (30) minute lunch period, without pay, shall be granted each work day.

Subd. 2. Rest Periods

Two (2) ten (10) minute breaks shall be granted at times compatible with the state or progress of the job as defined by the foreman. The breaks shall be taken on the work site unless explicitly permitted otherwise by the foreman with the concurrence of the general foreman.

Section 10.03 - Overtime

Subd. 1. Overtime Work and Pay

Employees may be required to work a reasonable amount of overtime as assigned by the Employer. All overtime work must be approved in advance. When authorized by departmental policy and approved in advance by an eligible employee's supervisor, compensatory time may be granted to employees in lieu of overtime pay. In no case shall overtime pay or compensatory time be granted to employees in grades twelve (12) and above. The overtime pay/compensatory time status codes set forth in Appendix "A" of this Agreement (*OTC 1, 2, 3, or 4*) shall be applicable to bargaining unit employees as defined below:

- a. OTC Code 1. Employees are not eligible for overtime pay or compensatory time.
- b. OTC Codes 2. Overtime pay or compensatory time shall be granted to employees at the rate of one and one-half (1½) times their regular hourly rate of pay for all time worked in excess of eight (8) hours per day or for all time worked in excess of forty (40) hours per week

and at the rate of two (2) times their regular hourly rate of pay for all time worked on the seventh (7th) consecutive day of actual work, notwithstanding the timing of pay periods or unscheduled shift changes, except where specifically exempted within other negotiated agreements. Compressed work week arrangements, voluntarily agreed upon by employees and their supervisors, shall be exempt from the daily overtime provisions of this paragraph.

c. OTC Code 3. Overtime pay or compensatory time shall be granted to employees at the rate of one and one-half (1½) times their regular hourly rate of pay for all time worked in excess of forty (40) hours in any work week.

d. OTC Code 4. Compensatory time shall be granted for all time worked in excess of the normal work week at the rate of one (1) hour of compensatory time for each hour so worked.

A maximum of one-hundred (100) hours of compensatory time may be accumulated unless the City Council has authorized up to one hundred twenty (120) hours for employees assigned to work on a special project basis or has authorized pay for compensatory time on a special project basis when funds are available for such purposes. Compensatory time, when used, must be scheduled and approved in advance in the same manner as the scheduling and approval of vacation under this Agreement.

Subd. 2. Regular Rates of Pay and Overtime Calculations

- a. Compensatory time used will not be included in the calculation of hours worked for the purpose of reaching overtime thresholds;
- b. Approved sick , bereavement, jury duty, paid holidays, and accrued vacation leaves from work will be included in the calculation of hours worked for the purpose of reaching daily or weekly overtime thresholds;
- c. Employees may replace compensatory time used with accrued vacation time to meet the weekly overtime threshold. An employee may not use this provision to accrue or increase a negative balance of vacation time. This replacement must be done within the payroll period in which the overtime is worked;
- d. Hourly premiums, shift differentials, hazard pay, longevity and any other negotiated pay benefits will be included in the calculation of the employee's "regular rate of pay";

- e. All eligible paid leave time is eligible for overtime earnings when the total paid hours within a work week exceeds forty (40) hours, regardless of the sequential order of the applied leave;
- f. The Employer shall calculate the regular rate of pay for overtime payments in accordance with the U.S. Department of Labor's guidance on the FLSA;
- g. "Seventh day worked" means seven consecutive days of actual work (any day where work is performed for 4 hours or more) independent of the Employer's pay periods;
- h. The seventh day worked premium rate of pay of two (2) times the employee's regular hourly rate of pay will be paid for all work performed on the seventh consecutive day of actual work, notwithstanding the timing of pay periods or unscheduled shift changes, except where specifically exempted within other negotiated agreements. The extension of a shift into the next pay day shall not be counted as a separate day of work. Use of any paid time off of more than four (4) hours on any work day within the seven consecutive days is disqualifying for the seventh day worked premium, though the employee remains eligible for the regular time and a half overtime premiums if the work exceeds forty (40) hours in any work week.
- i. All seventh day worked premium earnings will be paid in cash; no compensatory time earned will be granted in lieu of cash compensation for this premium.

Subd. 3. No Duplication

There shall be no duplication or pyramiding of overtime and/or premium rates of pay under the provisions of this Agreement. Compensation shall not be paid more than once for the same hours under any provisions of this Agreement.

Section 10.04 - Inclement Weather

The Employer may temporarily suspend all or a portion of its normal operation in response to inclement weather or other emergency conditions. Official closure announcements shall be made by the Employer through internal means and, where appropriate or necessary, be broadcast by suitable public media. Employees shall be permitted to draw upon accumulated vacation

benefits or accumulated compensatory time, at their option, to the full extent of the lost compensation due to such closures. If the employee's vacation or compensatory time balances are insufficient to compensate for the interruption, the employee may draw upon accumulated sick leave benefits.

Section 10.05 - On Call and Call Back Pay

Subd. 1. On Call

The term "on call" is limited to a status in which an employee, though off duty, is required by the Employer, to be available to answer calls and give information and assistance by telephone, and to be fully prepared to return to duty. Whenever practical, the employee will receive clear and written advance notice, during work hours, that he/she is "on call." The scheduling of employees for "on call" duty should be reasonable, thus respecting the employee's personal life. The Employer shall establish the expectations associated with the compensation.

The employee will receive \$35.00 for each weekday the employee is "on call." The employee will receive \$45.00 for each weekend day (Saturday or Sunday) or holiday the employee is "on call."

Subd. 2. Call Back Pay

However, sick leave pay for treatment of such illness shall be contingent upon two conditions: 1) the employee must undergo a prescribed period of hospitalization or institutionalization, and 2) the employee, during or following the above care, must participate in a planned program of treatment and rehabilitation approved by the Employer in consultation with the Employer's health care provider.

Subd. 2. Illness or Injury in the Immediate Family

Employees may utilize accumulated sick leave benefits for reasonable periods of time when their absence from work is made necessary by the illness or injury of their dependent child ("child" shall include the employee's biological, step, adopted, or foster child under 18 years of age, or under 20 years of age if still attending secondary school), and not to exceed 160 hours in a rolling 12 month period when their absence from work is made necessary by the illness or injury of their spouse, *registered domestic partner* within the meaning of *Minneapolis Code or Ordinances* Chapter 142, parents, parents-in-law, sibling, adult child, grandchild, grandparent, stepparent, guardian or ward. Section 15.04 - Sick Leave Bank - Accrual

All earned sick leave shall be credited to the employee's sick leave *bank* for use as needed. Twelve (12) days of medically unverified sick leave may be allowed each calendar year.

However, the Employer may require medical verification in cases of suspected fraudulent sick leave claims including where the employee's use of sick leave appears systematic or patterned. Five (5) or more consecutive days of sick leave shall require medical verification from an appropriate health care provider which shall include telephonically-prescribed courses of treatment by a physician which are confirmed by a prescription or a written statement issued by the physician.

Section 15.05 - Interrupted Sick Leave

Permanently certified employees with six (6) months of continuous service who have been certified or re-certified to a permanent position shall, after layoff or disability retirement, be granted sick leave accruals consistent with the provisions of this article. employees shall receipt for such compensation payments. If sick leave or vacation is used, the employees' sick leave or vacation credits shall be charged only for the number of days represented by the amount paid to them in excess of the workers' compensation payments to which they are entitled under the applicable statute. If an employee is required to reimburse the Employer for the compensation payments thus received, by reason of the employee's settlement with a third party, his/her sick leave or vacation will be reinstated for the number of days which the reimbursement equals in terms of salary. In calculating the number of days, periods of one-half (½) day or more shall be considered as one (1) day and periods of less than one-half (½) day shall be disregarded.

Therefore, once an Eligible Employee transmits his/her election form to the Employer, the employee may not revoke the decision to receive cash payment for sick leave or change the amount of sick leave for which payment is to be made. If an Eligible Employee does not transmit an election form to the employer on or before December 31, he/she shall be considered to have directed the Employer to NOT make a cash payment for sick leave accrued during the Accrual Year.

The amount of the payment shall be based on one hundred percent (100%) of the employee’s regular hourly rate of pay in effect on December 31 of the Accrual Year.

(d) Adjustment of Sick Leave Bank. The number of hours for which payment is made shall be deducted from the Eligible Employee’s sick leave bank at the time payment is made.

(e) Deferred Compensation. Employees, at their sole option, may authorize and direct the Employer to deposit sick leave credit pay under paragraph (c) to a deferred compensation plan or other tax qualified plan administered by the Employer provided such option is exercised at the same annual time as regular changes in deferred compensation payroll deductions are normally permitted.

Section 16.02 - Accrued Sick Leave Separation Plan

- d) 100% of the amount payable under this Section shall be deposited into the Health Care Savings Account (MSRS). This deposit shall occur within thirty (30) days of the date of separation, provided, however, that in the case of involuntary termination, this deposit shall occur once all timelines to contest the discharge have expired.
- e) If an employee entitled to payment under this Section dies prior to receiving the full

amount of such benefit, the payment shall be made to the beneficiary entitled to the proceeds of his or her Employer group life insurance policy or to the employee's estate if no beneficiary is listed.

LETTER OF AGREEMENT
Reasonable Suspicion Drug and Alcohol Testing

1. **PURPOSE STATEMENT** - Abuse of drugs and alcohol is a nationwide problem. It affects persons of every age, race, sex and ethnic group. It poses risks to the health and safety of employees of the City of Minneapolis and to the public. To reduce those risks, the City has adopted this LOA concerning drugs and alcohol in the workplace. This LOA establishes standards concerning drugs and alcohol which all employees must meet and it establishes a testing procedure to ensure that those standards are met.

This drug and alcohol testing LOA is intended to conform to the provisions of the Minnesota *Drug and Alcohol Testing in the Workplace Act* (Minnesota Statutes §181.950 through 181.957), as well as the requirements of the federal *Drug-Free Workplace Act of 1988* (Public Law 100-690, Title V, Subtitle D) and related federal regulations. Nothing in this LOA shall be construed as a limitation upon the Employer's obligation to comply with federal law and regulations regarding drug and alcohol testing.

The Human Resources Director is directed to develop and maintain procedures for the implementation and ongoing maintenance of this LOA and to establish training on this LOA and applicable law.

2. **WORK RULES**

- A. No employee shall be under the influence of any drug or alcohol while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery, or equipment, except pursuant to a legitimate medical reason or when approved by the Employer as a proper law enforcement activity.
- B. No employee shall use, possess, sell or transfer drugs, alcohol or drug paraphernalia while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery or equipment, except pursuant to a legitimate medical reason, as determined by the Medical Review Officer, or when approved by the Employer as a proper law enforcement activity.
- C. No employee, while on duty, shall engage or attempt to engage or conspire to engage in conduct which would violate any law or ordinance concerning drugs or alcohol, regardless of whether a criminal conviction results from the conduct.
- D. As a condition of employment, no employee shall engage in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the Employer's workplace.
- E. As a condition of employment, every employee must notify the Employer of any criminal drug statute conviction no later than five (5) days after such conviction.
- F. Any employee who receives a criminal drug statute conviction, if not discharged from employment, must within thirty (30) days satisfactorily participate in a drug abuse assistance or rehabilitation

program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency.

- G. The Employer shall notify the granting agency within ten (10) days after receiving notice of a criminal drug statute conviction from an employee or otherwise receiving actual notice of such conviction.

3. PERSONS SUBJECT TO TESTING

Unless otherwise specified, all employees are subject to testing under applicable sections of this LOA. However, no person will be tested for drugs or alcohol under this LOA without the person's consent. The Employer can request or require an individual to undergo drug or alcohol testing **only under the circumstances described in this LOA.**

4. CIRCUMSTANCES FOR DRUG OR ALCOHOL TESTING

- A. **Reasonable Suspicion Testing.** The Employer may, but does not have a legal duty to, request or require an employee to undergo drug and alcohol testing if the Employer or any supervisor of the employee has a reasonable suspicion (a belief based on specific facts and rational inferences drawn from those facts) related to the performance of the job that the employee:

1. Is under the influence of drugs or alcohol while the employee is working or while the employee is on the Employer's premises or operating the Employer's vehicle, machinery, or equipment; or
2. Has used, possessed, sold, purchased or transferred drugs, alcohol or drug paraphernalia while the employee was working or while the employee was on the Employer's premises or operating the Employer's vehicle, machinery or equipment; or
3. Has sustained a personal injury as that term is defined in *Minnesota Statutes* §176.011, Subd. 16, or has caused another person to die or sustain a personal injury; or
4. Was operating or helping to operate machinery, equipment, or vehicles involved in a work-related accident resulting in property damage or personal injury and the Employer or investigating supervisor has a reasonable suspicion that the cause of the accident may be related to the use of drugs or alcohol.

Whenever it is possible and practical to do so, more than one Agent of the Employer shall be involved in reasonable suspicion determinations under this LOA.

- B. **Treatment Program Testing** – The employer may request or require an employee to submit to drug and alcohol testing if the employee is referred for chemical dependency treatment by reason of having a positive test result under this LOA or is participating in a chemical dependency treatment program under an employee benefit plan. In such case, the employee may be required to submit to drug or alcohol testing without prior notice during the evaluation or treatment period and for a period of up to two years following notification that he/she will be subjected to Treatment Program Testing.

- C. **Unannounced Testing by Agreement.** The employer may request or require an employee to submit to drug and alcohol testing without prior notice on terms and conditions established by a written “last-chance” agreement between the Employer and employee’s collective bargaining representative.
- D. **Testing Pursuant to Federal Law.** The employer may request or require an employee to submit to testing as may be necessary to comply with federal law and regulations. It is the intent of this LOA that federal law preempts both state drug and alcohol testing laws and City policies and agreements. If this LOA conflicts with federal law or regulations, federal law and regulations shall prevail. If there are conflicts between federal regulations and this LOA, attributed in part to revisions to the law or changes in interpretations, and when those changes have not been updated or accurately reflected in this policy, the federal law shall prevail.

5. REFUSAL TO UNDERGO TESTING

- A. **Right to Refuse** - Employees have the right to refuse to undergo drug and alcohol testing. If an employee refuses to undergo drug or alcohol testing requested or required by the Employer, no such test shall be given.
- B. **Consequences of Refusal** - If any employee refuses to undergo drug or alcohol testing requested or required by the Employer, the Employer may subject the employee to disciplinary action up to and including discharge from employment.
- C. **Refusal on Religious Grounds** - No employee who refuses to undergo drug or alcohol testing of a blood sample upon religious grounds shall be deemed to have refused unless the employee also refuses to undergo alternative drug or alcohol testing methods.
- D. **Failure to Provide a Valid Sample with a Certified Result** – Includes but is not limited to: 1) failing to provide a valid sample that can be used to detect the presence of drugs and alcohol or their metabolites; 2) providing false information in connection with a test; 3) attempting to falsify test results through tampering, contamination, adulteration, or substitution; 4) failing to provide a specimen without a legitimate medical explanation; and 5) demonstrating behavior which is obstructive, uncooperative, or verbally offensive, and which results in the inability to conduct the test.

6. PROCEDURE FOR TESTING

- A. **Notification Form** - Before requesting an employee to undergo drug or alcohol testing, the Employer shall provide the individual with a form on which to (1) acknowledge that the individual has seen a copy of the Employer's *Drug and Alcohol Testing LOA*, and (2) indicate consent to undergo the drug and alcohol testing.
- B. **Collecting the Test Sample** - The test sample shall be obtained in a private setting, and the procedures for taking the sample shall ensure privacy to employees to the extent practicable, consistent with preventing tampering with the sample. All test samples shall be obtained by or under the direct supervision of a health care professional.

- C. **Testing the Sample.** The handling and testing of the sample shall be conducted in the manner specified in Minn. Stat. §181.953 by a testing laboratory which meets, and uses methods of analysis which meet, the criteria specified in subdivisions.1, 3, and 5 of that statute.
- D. **Thresholds.** The threshold of a sample to constitute a positive result alcohol, drugs, or their metabolites is contained in the standards of one of the programs listed in MN Statute §181.953, subd 1. The employer shall, not less than annually, provide the unions with a list or *access to a list* of substances tested for under this LOA and the threshold limits for each substance. In addition, the employer shall notify the unions of any changes to the substances being tested for and of any changes to the thresholds at least thirty (30) days prior to implementation.
- E. **Positive Test Results** – In the event an employee tests positive for drug use, the employee will be provided, in writing, notice of his/her right to explain the test results. The employee may indicate any relevant circumstance, including over the counter or prescription medication taken within the last thirty (30) days, or any other information relevant to the reliability of, or explanation for, a positive test result.

7. RIGHTS OF EMPLOYEES

Within three (3) working days after receipt of the test result report from the Medical Review Officer, the Employer shall inform in writing an employee who has undergone drug or alcohol testing of:

- A. A negative test result on an initial screening test or of a negative or positive test result on a confirmatory test;
- B. The right to request and receive from the Employer a copy of the test result report;
- C. The right to request within five (5) working days after notice of a positive test result a confirmatory retest of the original sample at the employee's expense at the original testing laboratory or another licensed testing laboratory;
- D. The right to submit information to the Employer's Medical Review Officer within three (3) working days after notice of a positive test result to explain that result; indicate any over the counter or prescription medications that the employee is currently taking or has recently taken and any other information relevant to the reliability of, or explanation for, a positive test result;
- E. The right of an employee for whom a positive test result on a confirmatory test was the first such result for the employee on a drug or alcohol test requested by the Employer not to be discharged unless the employee has been determined by a Minnesota Licensed Alcohol and Drug Counselor (LADC) or a physician trained in the diagnosis and treatment of chemical dependency to be chemically dependent and the Employer has first given the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with a Minnesota LADC or a physician trained in the diagnosis and treatment of chemical dependency, and the employee has either refused to participate in the counseling or rehabilitation program or has

failed to successfully complete the program, as evidenced by withdrawal from the program before its completion;

- F. The right to not be discharged, disciplined, discriminated against, or requested or required to undergo rehabilitation on the basis of a positive test result from an initial screening test that has not been verified by a confirmatory test;
- G. The right, if suspended without pay, to be reinstated with back pay if the outcome of the confirmatory test or requested confirmatory retest is negative;
- H. The right to not be discharged, disciplined, discriminated against, or required to be rehabilitated on the basis of medical history information revealed to the Employer concerning the reliability of, or explanation for, a positive test result unless the employee was under an affirmative duty to provide the information before, upon, or after hire;
- I. The right to review all information relating to positive test result reports and other information acquired in the drug and alcohol testing process, and conclusions drawn from and actions taken based on the reports or acquired information;
- J. The right to suffer no adverse personnel action if a properly requested confirmatory retest does not confirm the result of an original confirmatory test using the same drug or alcohol threshold detection levels as used in the original confirmatory test.
- K. The right to suffer no adverse personnel action based solely on the fact that the employee is requested to submit to a test.

8. ACTION AFTER TEST

The Employer will not discharge, discipline, discriminate against, or request or require rehabilitation of an employee solely on the basis of requesting that an employee submit to a test or the existence of a positive test result from an initial screening test that has not been verified by a confirmatory test.

- A. **Positive Test Result.** Where there has been a positive test result in a confirmatory test and in any confirmatory retest (if the employee requested one), the Employer will do the following unless the employee has furnished a legitimate medical reason for the positive test result:
 - 1. **First Offense** - The employee will be referred for an evaluation by an LADC or a physician trained in the diagnosis and treatment of chemical dependency. If that evaluation determines that the employee has a chemical dependency or abuse problem, the Employer will give the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the Employer after consultation with an LADC or a physician trained in the diagnosis and treatment of chemical dependency. If the employee either refuses to participate in the counseling or rehabilitation program or fails to

successfully complete the program, as evidenced by withdrawal or discharge from the program before its completion, the Employer may impose discipline, up to and including discharge.

2. **Second Offense** - Where an employee tests positive, and the employee has previously participated in one program of treatment required by the Employer, the Employer may discharge the employee from employment.

B. Suspensions and Transfers.

1. **Pending Test Results From an Initial Screening Test or Confirmatory Test.** While awaiting the results from the Medical Review Officer, the employee shall be allowed to return to work unless the Employer reasonably believes that restrictions on the employee's work status are necessary to protect the health or safety of the employee, other City employees, or the public, and the conduct upon which the employee became subject to drug and alcohol testing would, independent of the of the results of the test, be grounds for discipline. In such circumstances, the employer may temporarily suspend the tested employee with pay, place the employee on paid investigatory leave or transfer the employee to another position at the same rate of pay.
2. **Pending Results of Confirmatory Retest. Confirmatory retests of the original sample are at the employee's own expense.** When an employee requests that a confirmatory retest be conducted, the employer may place the employee on unpaid leave, place the employee on paid investigatory leave or transfer the employee to another position at the same rate of pay provided the Employer reasonably believes that restrictions on the employee's work status are necessary to protect the health or safety of the employee, other City employees, or the public. An employee placed on unpaid leave may use his/her accrued and unused vacation or compensatory time during the time of leave. An employee who has been placed on unpaid leave must be made whole if the outcome of the confirmatory retest is negative.
3. **Rights of Employee in Event of Work Restrictions.** In situations where the employee is not allowed to remain at work until the end of his/her normal work day pursuant to this paragraph B, the Employer may not prevent the employee from removing his/her personal property, including but not limited to the employee's vehicle, from the Employer's premises. If the employer reasonably believes that upon early dismissal from work under this paragraph the employee is about to commit a criminal offense by operating a motor vehicle while impaired by drugs or alcohol, the Employer may advise the employee that 911 will be called if the employee attempts to drive or call 911 before dismissing the employee from work so that a law enforcement officer may determine whether the employee is able to operate a motor vehicle legally. This LOA is not applicable with regard to any such determination by a law enforcement officer.

- C. **Other Misconduct** - Nothing in this LOA limits the right of the Employer to discipline or discharge an employee on grounds other than a positive test result in a confirmatory test, subject to the requirements of law, the rules of the Civil Service Commission, and the terms of any applicable collective bargaining agreement. For example, if evidence other than a positive test result indicates that an employee engaged in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in

the Employer's workplace, the employee may receive a warning, a written reprimand, a suspension without pay, a demotion, or a discharge from employment, depending upon the circumstances, and subject to the above requirements.

- D. **Other Consequences** – Other actions may be taken pursuant to Civil Service Rules, collective bargaining agreements or laws.
- E. **Treatment Program Testing** – The Employer may request or require an employee to undergo drug and alcohol testing if the employee has been referred by the employer for chemical dependency treatment or evaluation or is participating in a chemical dependency treatment program under an employee benefit plan, in which case the employee may be requested or required to undergo drug or alcohol testing without prior notice during the evaluation or treatment period and for a period of up to two years following completion of any prescribed chemical dependency treatment program.

9. DATA PRIVACY

The purpose of collecting a body component sample is to test that sample for the presence of drugs or alcohol or their metabolites. A sample provided for drug or alcohol testing will not be tested for any other purpose. The name, initials and social security number of the person providing the sample are requested so that the sample can be identified accurately but confidentially. Information about medications and other information relevant to the reliability of, or explanation for, a positive test result are requested to ensure that the test is reliable and to determine whether there is a legitimate medical reason for any drug or alcohol in the sample. All data collected, including that in the notification form and the test report, is intended for use in determining the suitability of the employee for employment. The employee may refuse to supply the requested data; however, refusal to supply the requested data may affect the person's employment status. The Employer will not disclose the test result reports and other information acquired in the drug or alcohol testing process to another employer or to a third party individual, governmental agency, or private organization without the written consent of the person tested, unless permitted by law or court order.

10. APPEAL PROCEDURES

Employees may appeal discipline imposed under this LOA through the Dispute Resolution Procedure contained in the Collective Bargaining Agreement (i.e. grievance procedure) or to the Minneapolis Civil Service Commission.

Concerning disciplinary actions taken pursuant to this drug and alcohol testing LOA, available appeal procedures are as follows:

- 1) Non-Veterans on Probation: An employee who has not completed the probationary period and who is not a Veteran has no right of appeal to the Civil Service Commission.
- 2) Non-Veterans After Probation: An employee who has completed the probationary period and who is not a Veteran has a right to appeal to the Civil Service Commission only a suspension of over thirty (30) days, a permanent demotion (including salary decreases), or a discharge, if the

employee submits a notice of appeal within ten (10) calendar days of the date of mailing by the Employer of notice of the disciplinary action.

- 3) Veterans: An employee who is a Veteran has a right to appeal to the Civil Service Commission a permanent demotion (including salary decreases), or a discharge, if the employee submits a notice of appeal within sixty (60) calendar days of the date of mailing by the Employer of notice of the disciplinary action, regardless of status with respect to the probationary period. An employee who is a Veteran has a right to appeal to the Civil Service Commission a suspension of over thirty (30) days if the employee submits a notice of appeal within ten (10) calendar days of the date of mailing by the Employer of notice of the disciplinary action. An employee who is a Veteran may have additional rights under the Veterans Preference Act, *Minnesota Statutes* §197.46.

B. All notices of appeal must be submitted in writing to the Minneapolis Civil Service Commission, 250 South 4th Street - Room #100, Minneapolis, MN 55415-1339.

C. An employee may elect to seek relief under the terms of that agreement by contacting the appropriate Union and initiating grievance procedures in lieu of taking an appeal to the Civil Service Commission.

11. EMPLOYEE ASSISTANCE

Drug and alcohol counseling, rehabilitation, and employee assistance are available from or through the Employer's employee assistance program provider(s) (E.A.P.).

WHEREAS, *Minnesota Statutes* Chapter 471 (Local Laws 1988) authorizes the Employer and the Union to enter into agreements concerning the employment of skilled craft and trade employees the terms and provisions of which are more compatible with the changing employment needs of the Employer for temporary employment than are the provisions of the Agreement; and

WHEREAS, the Employer and the Union desire to enter into such an agreement,

THE PARTIES, notwithstanding any other provision of the Agreement to the contrary, agree as follows:

1. The services of the Union's (and/or any of the Union's affiliated Local Unions) *hiring hall* shall be made available to the Employer as the sole and exclusive source for the referral of qualified temporary employees. The Union shall refer qualified employees to the Employer for employment on a non-discriminatory basis. The Employer shall have the right to reject any applicant for employment. LETTER OF AGREEMENT Return to Work/Job Bank Program and Related Matters

RETURN TO WORK/JOB BANK AND RELATED MATTERS:

The above-entitled Parties are signatory to a Labor Agreement which most recently took effect on May 1, 2017. This Letter of Agreement outlines additional agreements reached by the Parties during the course of the collective bargaining which resulted in the making of the Agreement and which the Parties now desire to confirm.

GENERAL PROVISIONS OF THE RETURN TO WORK PROGRAM:

The employee's Return to Work Program provides for the timely return to work of employees injured on the job who have temporary and/or permanent restrictions. This program will assist active employees in finding temporary assignments within their medical restrictions; it is not intended to provide services to temporary employees or sworn employees. Participation in the Return to Work Program is based on a medical release to return to work. Upon receipt of the medical release, the employer shall make every effort to provide appropriate work activity within three (3) working days of the receipt of the medical release.

If there is a question about the employee's medical release, the City's consulting physician shall make the final determination of an employee's ability to return to work. If the employer is unable to offer appropriate work within the employee's limitations, the employer shall provide for the employer's portion of the health care benefit while the employee is in the Return to Work Program. Continuing eligibility in the Return to Work Program is based upon receipt of medical data documenting the employee's functional improvement. In addition, compliance with the Workers' Compensation Statutes, Return to Work Policy, Minneapolis Code of Ordinances §20.860 applicable rules and this Agreement is mandatory. Compliance will be monitored by the Claims Coordinators/a Return to Work Coordinator. Failure to comply with the requirements of this program may result in termination of their participation.

Compliance with the program will be determined by the employer.

RETURN TO WORK PROCESS:

Eligibility: Injured, non-sworn, City employees who have been permanently certified or appointed and were injured on the job after June 1, 1995.

RTW – Phase I

When an injured employee receives medical restrictions that prevent return to the preinjury job, the employee is placed in the Return to Work Program. Placement attempts for injured employees shall first be to the employee's existing job, if restrictions permit, then to modified duty assignments within the employee's originating unit, then to modified duty assignments within the employee's originating department. If no modified duty assignment is currently available in the employee's department, placement will take place through a citywide search. The employee will continue to receive his/her pre-injury salary and benefits for the first thirty (30) days after the medical release with restrictions. While so assigned, however, injured employees may be required to perform duties outside of their assigned job classifications and/or they may be required to perform such duties in a different location, as determined by the Employer.

RTW – Phase II

If continued medical restrictions prevent the employee from returning to the preinjury position, the employee shall continue in the Return to Work Program until Maximum Medical Improvement (MMI) and/or permanent restrictions are reached. After the initial thirty (30) days of temporary assignment the employee will be detailed to a job classification that most accurately reflects the duties he/she will be performing. Wage losses attributable to assignment to a modified duty assignment or due to restrictions that reduce time at work will be paid at the temporary partial disability rate, in accordance with the Workers' Compensation Act.

If at any time during this Program the employee does not follow the work restrictions of the physician or refuses a light duty temporary assignment, they will be removed from the program.

RTW – Phase III

JOB BANK PROCESS:

The employer has created a Job Bank component to the Return to Work Program. The purpose of the Return to Work/Job Bank Program is to assist the injured worker in returning to a different job within the City if the employee is unable to perform the duties of the preinjury position as a result of a work injury arising out of and in the course of employment for the City. It is the employer's intention, to the

extent feasible under the circumstances, to identify employment opportunities for employees through reassignment, retraining and out-placement support. One of the goals of the Return to Work/Job Bank is to minimize, to the extent possible, the disruption normally associated with work-related injuries and return to work in alternative assignments. Mutual cooperation and participation is necessary in order to accomplish this objective.

1. Eligibility: When the injured employee reaches Maximum Medical Improvement (MMI) and/or permanent restrictions and those restrictions prevent the employee from returning to the preinjury position, he/she shall be afforded the Job Bank Program if one so exists.
2. The services and benefits of the Job Bank will apply to employees injured on the job as long as the employee complies with the Workers' Compensation Statutes, Return to Work Policy, Minneapolis Code of Ordinances §20.860 applicable rules and this Agreement. Employee compliance will be determined by the City. These services and benefits include:
 - a) 120-day tenure
 - b) Job interviews/Placement opportunities
 - c) Skills assessment
 - d) Training opportunities
 - e) Job-seeking classes
 - f) Health insurance continuation, if separated from employment, as provided for in the Minneapolis Code of Ordinances, §20.900.
3. Employees will be offered a temporary light duty assignment consistent with his/her restrictions. If the employee declines the temporary light duty assignment he/she will have the option to use any accrued paid leave and will remain eligible for other Job Bank benefits. If the employee accepts the temporary light duty assignment he/she will receive the preinjury salary while in the Job Bank Program. Such salary will be paid by the Workers' Compensation fund.
4. Any Family Medical Leave for which the employee is eligible will run concurrently with the employee's tenure in the Job Bank and with his/her use of accrued paid leave.
5. The department that the employee came from has the primary responsibility for finding temporary assignments for the employee while in the Job Bank. The Return to Work Coordinator/Claims Coordinator, and Qualified Rehabilitation Consultant will aid in determining alternate assignments if the original department is unable to identify temporary assignments.
6. If the injured worker has not been placed in a permanent position after one hundred twenty (120)

calendar days, he/she will be separated from City service.

7. Failure to participate in a diligent job search or to comply with the requirements of the Workers' Compensation Law during participation in the Return to Work or Job Bank program may result in termination of Job Bank services and benefits.
8. An employee has no further tenure in the Job Bank Program after a formal job offer has been made.

Filling Vacant Positions:

During the time the procedures outlined herein are in effect, position vacancies will be filled based on the employees' qualifications. During their assignment to the Job Bank, injured workers will be provided an opportunity to meet with a City Placement Coordinator to discuss such matters as available employment opportunities with the City, skills assessments, training and/or retraining opportunities, out placement assistance and related job transition subjects. Further, affected employees will be granted reasonable time off with pay for the purpose of attending approved skills assessment training and job search activities.

- **Lateral Transfer.** Employees may request to be transferred to a vacant position in another job classification at the same MCSC grade level provided they meet the minimum qualifications for the position.
- **Seniority Upon Transfer.** In addition to earning job classification seniority in their new title, transferred employees shall continue to accrue job classification seniority in their former title and they shall have the right to return to their former title if the position to which they have transferred is later eliminated as long as the job requirements are consistent with the employee's permanent restrictions. In the event the transfer is to a formerly held job classification, seniority in the new (formerly held) title shall run from the date upon which they were first certified to the former classification.
- **Pay Upon Transfer.** The employee's salary in the new position will be supplemented, if necessary, to comply with the Worker's Compensation Statutes. Lateral transfers shall not affect anniversary dates of employment for pay progression purposes.
- **Probationary Periods.** Employees transferring to a different title will serve a six (6) calendar month probationary period. In the event the probationary period is not

LETTER OF AGREEMENT Job Bank and Related Matters

The above-entitled Parties are signatory to a Labor Agreement which most recently took effect on May 1, 2017 (the “Labor Agreement”). This Letter of Agreement outlines additional agreements reached by the Parties during the course of the collective bargaining which resulted in the making of the Agreement and which the Parties now desire to confirm.

GENERAL PROVISIONS

The Employer has created a *Job Bank* as a component of its resources allocation (budget) process. The purpose of the Job Bank is to assist the Employer and its employees during a time of major restructuring and change caused by unyielding demands for municipal service in the face of decreasing funding. It is the Employer’s intention, to the extent feasible under these circumstances, to identify employment opportunities for employees whose positions are eliminated through reassignment, retraining and out-placement support. One of the purposes of the Job Bank process is to minimize, to the extent possible, the disruption normally associated with contractual “bumping” and layoff procedures to both the Employer and affected employees.

The Job Bank process shall be administered in a manner which is consistent with the Employer’s desire to treat affected employees with dignity and respect at a difficult time in their relationship and to provide as much information and assistance to them as may be reasonably possible and practical within the limited resources available.

The term “Recall List” as used in this Agreement means the list of employees who are laid off from employment with the City or removed from their position by reason of a reduction in the size of the workforce, and who retain a right to return to their prior job classification pursuant to the terms of the Labor Agreement and/or Civil Service rules.

JOB BANK PROCESS AND PROCEDURE

I. Job Bank Assignment

1. Regular (*permanently certified*) employees whose positions are eliminated shall receive formal, written notification to that effect from the appointing authority of the department to which they are assigned. If a position is to be eliminated in any department, the employee with the least amount of seniority in the particular job class within the impacted division/department will be placed in the job bank, regardless of performance, assignment, function or other consideration. For the purposes of this section, a division is defined as an operational unit headed by a supervisory director or deputy who reports directly to a department head. If a department is of such a size as to have no distinct divisions, the department shall be treated as a division. Whether the layoff will be implemented relative to the least senior in a division or department will be determined by the terms of the Labor Agreement covering the impacted positions.
2. Such employees shall be assigned to the Job Bank. Employees whose positions have been eliminated based on the Employer's regular annual budget process, including the Mayor's proposed budget and/or the final annual City budget as passed by the City Council, or as otherwise ordered by the City Council, are entitled to a sixty (60) day tenure in the job bank. All positions eliminated based on the Mayor's proposed budget and/or the final annual City budget as passed by the City Council must be so eliminated after the Mayor's proposed budget is announced but no later than January 1, of the next budget cycle (unless the department/division intends to eliminate at a later date as part of their final annual budget for that year). Employees whose positions have been eliminated based on any mid-cycle budget or revenue reductions not controlled by the Mayor and the City Council, are entitled to a thirty (30) day tenure in the job bank, or until they are reassigned, whichever may first occur. All such employees in the Job Bank shall have extended job bank services for as long as they remain on a recall list. During such period such laid off employees shall form a pool for "restricted examination" for positions for which they may be qualified. The employee will notify the City of their interest in being considered. The Union will assist in notifying these employees of vacancies to be filled. A permit position shall be considered a "vacancy" if it is in a job classification impacted by the workforce reduction and if more than 60 days remain on the permit.
3. Permit and temporary employees whose employment is terminated are not eligible for Job Bank assignment or benefits. Certified temporary employees shall, however, be eligible for the Job Bank activities described in paragraphs 2(c) below.

II. Job Bank Activities

1. While affected employees are assigned to the Job Bank, they shall continue in their positions with no change in pay or benefits. While so assigned, however, affected employees may be required to perform duties outside of their assigned job classifications and/or they may be required to perform such duties at a different location as determined by the Employer.
2. While affected employees are assigned to the Job Bank, the Employer shall make reasonable efforts to identify vacant positions within its organization which may provide continuing employment opportunities and which may be deemed suitable for affected employees by all concerned.
 - a. **Lateral Transfer.** Employees may request to be transferred to a vacant position in another job classification at the same MCSC Grade level provided they meet the minimum qualifications for the position.
 - i. **Seniority Upon Transfer.** In addition to earning job classification seniority in their new title, transferred employees shall continue to accrue job classification seniority in their former title and they shall have the right to return to their former title if the position to which they have transferred is later eliminated. In the event the transfer is to a formerly held job classification, seniority in the new (formerly held) title shall run from the date upon which they were first certified to the former classification.
 - ii. **Pay Upon Transfer.** The employee's salary in the new position will be their former salary or that of the next available step in the pay progression schedule for the new title which provides for an increase in salary if no equal pay progression step exists. If the employee's salary in the former position is greater than the maximum salary applicable to the new title, the employee's salary will be *red circled* until the maximum salary for the new title meets the employees' red circled rate. Such employees shall, however, be eligible for fifty percent (50%) of the negotiated general increase occurring during the term of the Agreement. Lateral transfers shall not affect anniversary dates of employment for pay progression purposes.
 - iii. **Probationary Periods.** Employees transferring to a different title will serve

a six (6) calendar month probationary period. In the event the probationary period is not satisfactorily completed, the affected employee shall be returned to Job Bank assignment and the employee's "bumping", layoff or transfer rights under the Agreement or other applicable authority shall be restored to the same extent such rights existed prior to the employee taking the probationary position. Upon the affected employee's first such return to the Job Bank, the employee shall be entitled to remain in the Job Bank for the greater of ten (10) business days, or the duration of the applicable Job Bank period, as determined under Article I, paragraph 2, that remained as of the date the employee began in the probationary position. The rate of compensation for the remainder of the employee's time in the Job Bank will be the same as the rate in effect as of the employee's last day in the probationary position. Return to the Job Bank terminates the employee's work in the probationary assignment and, therefore, time served following the return to the Job Bank shall not be construed to count toward the completion of the probationary period.

- b. **Reassignment.** The Employer reserves the right to transfer an employee in the Job Bank to a new position and/or duty location within their job classification at a time determined to be appropriate by the Employer. Such reassignments terminate the affected employee's assignment to the Job Bank. If the Labor Agreement covering the job classification of the employee reassigned under this paragraph specifically permits a probationary period upon reassignment, the provisions of subparagraph a.iii., above, shall apply as if the reassignment had been a transfer.
- c. **Recall Rights.** Employees who accept a position out of the Job Bank or who bump into a previously held position, or leave City employment on layoff shall retain recall rights to the title they held when assigned to the Job Bank in accordance with the collective bargaining agreement at the time of placement in the Job Bank.
- d. **Filling Vacant Positions.** During the time the procedures outlined herein are in effect, position vacancies to be filled shall first be offered to regular employees who have a contractual right to be recalled to a position in the involved job classification or who may have a right to "bump" or transfer to the position, as the case may be. In such circumstances, the seniority provisions of the Agreement shall be observed. If no regular employee has a contractual right to the position, the following shall be given consideration in the order (priority) indicated below:

1 st Priority:	Qualified Job Bank employees
2 nd Priority:	Employees on a recall list
3 rd Priority:	Employee applicants from a list of eligibles
4 th Priority:	Displaced certified temporary employees
5 th Priority:	Non-employee applicants from a list of eligibles

The qualifications of an employee in the Job Bank or on a recall list shall be reviewed to determine whether he/she meets the qualifications for a vacant position. Whether the employee can be trained for a position within a reasonable time (not to exceed three months) shall be considered when determining the qualifications of an employee. If it is determined that the employee does not meet the qualifications for a vacant position, the employee may appeal to the Director of Human Resources. If it is determined that an employee in the Job Bank is qualified for a vacant position, the employee shall be selected. The appointing authority may appeal the issue of whether the employee is qualified. The dispute shall be presented to and resolved by the Job Bank Steering Committee.

If it is determined that an employee on a recall list is qualified for a vacant position, the employee will be given priority consideration and may be selected. Appeals regarding employees on a recall list and their qualifications for a position will be handled by the Civil Service Commission.

The grievance procedure under the Labor Agreement shall not apply to determinations as to qualifications of the employee for a vacant position.

3. During their assignment to the Job Bank, affected employees will be provided an opportunity to meet with the Employer’s Placement Coordinator to discuss such matters as available employment opportunities with the Employer, skills assessments, training and/or retraining opportunities, out-placement assistance and related job transition subjects. Involvement in these activities will be at the discretion of the employee. Further, affected employees will be granted reasonable time off with pay for the purpose of attending approved skills assessment, training and job search activities. Displaced certified temporary employees are eligible for the benefits described in this paragraph. These services shall be provided to the Job Bank employee at no cost to the employee.

III. Layoff, Bumping and Retirement Considerations

1. A “Primary Impact Employee” is an employee who enters the Job Bank due to the elimination of his/her position. A “Secondary Impact Employee” is an employee who

enters the Job Bank because he/she may be displaced by a Primary Impact Employee. All affected employees may exercise the displacement, “bumping” and/or layoff rights immediately. A Primary Impact Employee must exercise displacement or bumping rights within forty-five (45) days of entering the Job Bank (or within twenty-two [22] days of entering the Job Bank for an employee entitled to 30-days in the Job Bank). A Primary Impact Employee who exercises his/her displacement or bumping rights within the first thirty (30) days from entering the Job Bank (within the first fifteen [15] days for an employee entitled to 30-days in the Job Bank) shall have 8 hours added to the employee’s vacation bank. A Secondary Impact Employee must exercise his/her displacement or bumping rights within seven (7) calendar days of being displaced or bumped. Displacement and bumping rights shall be forfeited unless exercised by the deadlines specified in this paragraph or in the provisions of 2.a *iii*, Lateral Transfers, above. Regardless of when bumping rights are exercised, any change in the compensation of the employee resulting from the exercise of bumping rights shall not take effect until after the employee’s term in the Job Bank would have expired had the employee remained in the Job Bank for the maximum period.

2. If an affected employee is unable to exercise any “bumping” rights, or forfeits their bumping rights, under the Agreement or other authority and has not been placed in another City position, the employee shall be laid off and placed on the appropriate recall list with all rights pursuant to the relevant Labor Agreement provisions, if any, and all applicable Civil Service rules. In addition, they shall be eligible for the benefits described as follows:
 - (a) The level of coverage, single or family, shall continue at the level of coverage in effect for the laid off employee as of the date of layoff.
 - (b) The health/dental plan that shall be continued shall be the plan in effect for the employees as of the date of layoff.
 - (c) The City shall pay one hundred (100) percent of the premiums for the first six (6) months of COBRA continuance at the level of coverage and plan selected by the employee and in effect on the date of the layoff.

The terms of this provision relating to the continuation of insurance benefits will expire on December 31, 2019. The City Council must take specific action to extend these terms relating to the continuation of insurance benefits if the City Council wants those specific insurance benefits to apply to laid off employees after December 31, 2019.

3. If eligible, affected employees may elect retirement from active employment under the provisions of an applicable pension or retirement plan. In such event, affected employees will be eligible for any available Retirement Incentive that is agreed to by the Parties.

 - ii. eliminate all current Panel members;
 - iii. eliminate each Roster member who does not maintain a residence or office in Minnesota, unless the Employer and the MBBA mutually agree to retain the "out-of-state" arbitrator;
 - iv. independently strike the names of the number of arbitrators that represents 25% of the pool of Roster members that remains after step iii, above;
 - v. Establish a list of the arbitrators whose names remain on the list after the preceding steps;
 - vi. After the President of the Board of Business Agents or the Labor Co-chairperson of the Minneapolis Citywide Labor Management Committee has overseen a coin toss to determine which party will make the first strike from the remaining list,
