

**Neighborhood Name:** Cedar Riverside Neighborhood Revitalization Program (CRNRP)

**Neighborhood Approval Date:** July 1, 2019

**NCR Approval Date:** July 1, 2019

### **CRNRP Youth, Families, and Elders Support Programs**

The CRNRP hosted a community dialog in the spring of 2019 that brought over a hundred community members to discuss what issues were important to them. Youth programming was listed near the top as well as other support programs that would benefit families and elders.

The CRNRP has decided to roll forward an existing Phase II Strategy into Phase III as a new Neighborhood Priority. The strategy reads as follows:

- Youth, Families, and Elders Support Programs - Provide resources to support programs that promote leadership development and improve life skills for youth, families and elders.

This proposed program was discussed at CRNRP and notified to the community. The CRNRP board approved this priority on July 1, 2019.
