

Neighborhood Name: Lind-Bohanon Neighborhood Association (LBNA)

Neighborhood Approval Date: April 7, 2016

NCR Approval Date: November 16, 2016

Turret Building: Work towards the redevelopment of 4400 Lyndale Ave N. as a self-sustaining, long term, equitable, functional community gathering space. Work with future developers to ensure community visioning processes are taken into account as much as possible.

Organizational Capacity Building: Increase LBNA's scope of work, fill all available board seats, increase meeting attendance.

Community Events: Continuing our strong community presence through meaningful, well-advertised events. Increase the number of events and partnerships based on board and staff capacity and neighborhood interest.

Outreach to Existing and New Communities: Continue working to engage current community members as well as new homeowners entering the neighborhood. Ensure outreach is as all-encompassing and diverse as possible and attempts are made to reach all parts of the community.

Strengthening of Organizational Communication: Make sure Website, Newsletter, and Social Media presences are always 100% accurate and functional
