

Lynnhurst Neighborhood Association
Morgan Ave. Tennis Court Reconstruction
Neighborhood Priority Plan
Adopted 3/8/2018

The Lynnhurst Neighborhood Association (LYNAS) proposes a new priority and partnership to fund the reconstruction of the tennis courts at Morgan Ave and Minnehaha Creek.

The Morgan Ave Tennis Courts are in disrepair and completely unusable. Many Lynnhurst residents, as well as members of the Washburn High School Tennis teams, are unable to use the courts and would directly benefit from a complete renovation of the courts.

A parent group at Washburn High School has secured a commitment from the Minneapolis Park Board to reconstruct the courts. They have received a Hennepin County Youth Sports Grant for the reconstruction and are in the process of applying for a United States Tennis Association (USTA) grant. Lynnhurst Neighborhood Association supports the reconstruction effort and will partner with the parent group and the Park Board to provide \$5,000 toward the project.

In order to fund the LYNAS contribution toward the reconstruction effort, we will use CPP Reserve funds in the amount of \$5,000.
