ABRASIVE BLASTING APPLICATION

Minneapolis City Ordinance 59.50. Abrasive Blasting Permit Required

- No person shall abrasively blast the interior or exterior of any building, structure, or other architectural surface except under specific permit from the assistant city coordinator for regulatory services or their designee.
- All painted surfaces to be abrasively blasted must be tested for lead content following EPA, HUD or ASTM protocols.
- In the event the applicant cannot perform the abrasive blasting on the scheduled date(s) in the application; the applicant shall provide notification to the City, the property owner, tenants, and others as required in 59.50(c) twenty-four (24) hours prior to the commencement of the rescheduled abrasive blasting operation.

A COPY OF THE GENERAL NOTICE OF ACTIVITY MUST BE SUBMITTED WITH PERMIT APPLICATION

ANALYSIS REPORT AS REQUIRED IN 59.50(D) MUST BE SUBMITTED WITH THE APPLICATION.

Parties applying for an abrasive blasting permit must provide forty-eight (48) hours in advance a general notice of their construction activity to all occupants of the building, structure or architectural surface where the construction activity will occur and to all building owners and their tenants within a 75 foot radius of the building, structure or architectural surface to be abrasively blasted. The notice must include contact information for the party performing the construction activity, brief description of the proposed work, intended dates and times and identify that complaints regarding the construction activity will be received by Minneapolis Information and Services by dialing 311 in Minneapolis or 612-673-3000 from cell phones and outside Minneapolis.
