

The City of Minneapolis, through its Green Business Cost Sharing Program, is offering cost share of 45% match up to \$100,000 each, to help fund innovative green business practices that focus on air and water quality improvements in Minneapolis by reducing:

- VOC emissions - **Top priority**
- Particulate matter emissions - **Top priority**
- Hazardous air pollutants
- NO<sub>x</sub> emissions
- SO<sub>x</sub> emissions
- Waste
- Water consumption
- Energy use

### **Application Deadlines: March 1, April 1, May 1, June 1, 2018**

*Don't Wait! Funds are limited and will be provided "first come, first served"*

#### **Eligible applicants:**

- Any business in the City of Minneapolis that pays a Pollution Control Annual Registration.
- The cost share applicant must be able to demonstrate that the project has measurable pollution reduction.

#### **Agreement with cost share winners:**

Owners must be able to provide 55% matching funds for project.

*Example: \$150,000 Project = \$67,500 45% Green Business Cost Share + \$82,500 55% matching funding from business.*

A contract (**Attachment A**) will address the conditions of the cost share award including: implementation of the project, reporting on progress and activities, and a final report. The contract is a legal, binding document and will need signatures of the cost share fund manager, the program manager, and the cost share applicant. Cost share recipients are expected to keep accurate financial records of the project.

**Important:** You are not required to fill out the contract unless awarded a cost share award.

#### **Cost share payments:**

Once the switch to an approved alternative product or technology is completed, and the City of Minneapolis has received and approved the final report and final invoice, payment of the cost share will be made.

Improving Environmental Performance

- Cost share funds will be disbursed to the contractor(s), vendors, and/or cost share applicant by the City cost share fund manager. The cost share applicant must submit the following items to the program manager upon completion of the work. If more than one contractor is used, there must be complete sets of the items listed below for each contract/contractor/vendor:
  - \_\_\_ Before and after photographs from the same vantage point highlighting the improvement.
  - \_\_\_ Proof of final inspection by the City of Minneapolis for any work requiring a City permit.
  - \_\_\_ Final paid invoice from the contractor or vendor showing the total project cost. You should be totally satisfied with the work or product performance before paying.
  - \_\_\_ A lien waiver, which is a statement issued by the contractor/vendor, that advises the client that they, the contractor/vendor, have been paid in full for the total project cost; are satisfied with the compensation for the work they performed or the products provided; and waive their right to place any liens on the property for work completed/products provided.
- Contribute the required matching funds to the City of Minneapolis cost share (at least two-thirds matching from business).
- Signed communications waiver.
